

The Edmonton Leader

The Voice of Edmonton Constituency

Vol. 6 Edmonton, Alberta, Thursday January 3, 1957 No. 1

Edson District News of '56

The past year in Edson has been an eventful one indeed. The new Town Council, elected in March with a new mayor and two new Councillors taking over the reins of the town government, followed the policy of the previous Council and went ahead with investigations into the pros and cons of supplying the town with natural gas.

In March Council gave the final reading to a by-law implementing the advantages of a hospital protection scheme for Edson residents whereby patients in St. John's Hospital would pay only \$1.00 per day with the town and the provincial government footing the rest of the bill. The plan went into effect the first of May with ratepayers being covered immediately the plan came into effect.

In May ratepayers welcomed the official word in October that Edson was out of the running for the Provincial Hospital site. The Council's decision would account for a net drop in rates of \$15,000. In May also, the Council rejected the first offer from Calgary Power Company for the town power plant and distribution system on the consideration that it was not suitable, a rejection that led finally to the approval that a franchise should be given to Calgary Power.

This consideration came the first of December and since that time the agreement has been approved by the Board of Public Utilities Commissioners and now only awaits the final of the franchise in the province that has been called for January 14 and the final reading by Council to put the agreement into immediate effect.

The important decision of whether or not to provide Edson citizens with the benefits of natural gas came in its ultimate end on August 21 when Council passed a resolution with North Western Utilities Ltd. Then began a period of disruption for the town as the gas was cut off and the citizens were left with the inconvenience of kerosene stoves and kerosene heaters. The official gas service was resumed on October 24 with a large crowd on hand to witness this very important event in the almost fifty year history of the town.

Another subject of much controversy in the Council and Board of Trade was brought to a decision when Council decided to begin the study for a sewage treatment plant. This trial period came into effect on October 27 and is still a subject of controversy in the town. It is to be noted that the plan is to be paid for by the town and the province. From the point of view of John G. Olson, Mayor, it is to be noted that the plan is to be paid for by the town and the province. A cloud on a bright year was

cast at Hinton, Alberta, held the first week in April.

The first week in April also saw the first delivery of the Edmonton Herald and I. M. Bell alone as well as the Telephone Exchange and Calgary Power office in the town. The Edmonton Herald, the first of its kind when he was the Provincial Banking Commission, that under the professional guidance of Mr. Lee Douglas, who had been very active in helping the Edson town a number of Edson young fellows in the local building club.

The first of May was pumped through the Press River pipe line from Calgary. Later in the month, about the same time Edson and Coal Branch donors provided 400 pounds of foodstuffs for the first Red Cross Clinic of the year. Edson and district population was increased by 20 when that many babies put in their appearance at St. John's Hospital in March. One of our oldest citizens, Miss Sarah Moore, passed away at the age of 84 after having lived here since 1878.

For the second time in a year Mrs. Clara L'Hermite of St. John's was called on to give some of her rare OBE blood to save the life of a newborn baby. This time an Ontario child.

Edson School Division decided to budget for a deficit of \$46,777 in order to hold the school population of 18 miles. Following a somewhat hasty session the Edson School Division was presented in the Edson School Division as the two outstanding problems of the school.

Fr. J. A. Shalla of Sacred Heart Church was honored at a dinner supper prior to his departure to a new charge after six years in the Edson Parish.

Edson Craft Centre began a concentrated fund raising program in May by holding an auction in the town hall. The Centre has been active in raising money for repainting the building and for the purchase of all the craft. By early water the building had been secured with water and a small amount of money was ready to hold a course in repair work, the latter being in the hands of the Centre.

The Centre has been active in raising money for repainting the building and for the purchase of all the craft. By early water the building had been secured with water and a small amount of money was ready to hold a course in repair work, the latter being in the hands of the Centre.

May 1956 saw a change in the leadership of the Town Council when the transfer of Walter M. Murray by the CNE succeeded. Cont. on Back Page

EDSON MAIN LOOKED LIKE THIS ONCE

Land Sales Biggest Yet As Edson Forges Ahead

Edson Town experienced the biggest year in its history as far as sale of town land is concerned. Largest class of land purchased appeared to be commercial, mostly, etc., along Edson's bustling Fourth Avenue.

Increased activity due to the blacktopping of Highway 16 to the Jasper Park gate seems to have multiplied the town's interest in locating traffic on the highway.

Building permits issued by the Town totalled \$46,110 in 1956 for 1955. The previous year saw the construction of new buildings, such as the federal building and the school for much of this total, but 1956's building permits were almost all for commercial buildings and residences.

Public Meeting To Give Dope On Power Franchise

Edson Council here called a public meeting Thursday, Jan. 10, to discuss the proposed to sell the town's light and power plant and distribution system to Calgary Power Ltd.

The meeting called for 8:00 in the Legion Memorial Centre in Edson. The meeting was held in the Legion Memorial Centre in Edson. The meeting was held in the Legion Memorial Centre in Edson.

The meeting was held in the Legion Memorial Centre in Edson. The meeting was held in the Legion Memorial Centre in Edson. The meeting was held in the Legion Memorial Centre in Edson.

The meeting was held in the Legion Memorial Centre in Edson. The meeting was held in the Legion Memorial Centre in Edson. The meeting was held in the Legion Memorial Centre in Edson.

Parties Offer Of The Night New Year's

New Year's Eve was ushered in officially at parties and dances in the district as well as quiet, and not-so-quiet groups at home.

A public dance was held in the Legion Memorial Centre at Edson, the ballroom hall at Fern and Edna sponsored the annual public ball at Fern.

Members of the Edson Elks and enjoyed a party at the Elks home, while the Elksmen and Elkswomen met the New Year in the Anglican Parish Hall.

Three nights of late shopping in the week before Christmas allowed the majority of family people to enjoy Christmas and its most merry, busy day at home, after the busy working day on Monday the 28th.

District Man Charged After Fatal Shooting

A fatal gunshot wound, Eugene McMorris, 40, has been charged with murder in Edmonton following the death of Abraham E. Christal, 20, who died from a gunshot wound after having been rushed to Edson from a hospital near about 20 miles north west of town.

Christal suffered the gunshot wound Christmas Eve and his body was taken to Edmonton for post-mortem while the incident was being investigated.

McMorris was picked up after an extensive police hunt and later charged with murder.

The thing about everything had very odd circumstances, both have in fact the same.

ATHASCA RIVER GETS ANOTHER BRIDGE

With the Churches.

THROUGH THE

Study Window

By Rev. C. C. Armstrong

This is the season when school has been resumed. New Year's resolutions tested for durability, and last year's debts put on this year's ledger. It is time for checking, for taking down the Christmas tree, and reflecting the "seasons as usual."

It is of course, quite true that at Christmas and St. New Year we give more thought to the meaning of new life, of new religious faith, and the New Year's day is a time for contemplating the brevity of life as it is lived in the things that are eternal.

The labels "religious" and "pious" are, I am sure, often used quite casually and carelessly.

figures may not indicate much, but they do show that in the western provinces there are more than the usual number who wear against the traditional religious labels. Or perhaps they think that "non-religious" members means "uncommitted" rather than "agnostic."

The forgetting of religious life was mentioned by a little notice in the last issue of our church paper, the Observer. It reads, "Canada has 2,650 pagans, 1,000 are in Ontario, 795 in Saskatchewan and 200 in Alberta."

"Canada has 60,000 children who are 'non-religious'," 42,000 are men and 18,000 are women. 35,000 of them live in British Columbia, 14,000 in Ontario and 7,000 live in Alberta."

It is interesting to note that these figures are called from "European statistics" and that Alberta's percentage of "pagan" and "non-religious" is large. These

Accidents At A Minimum Xmas Week

From a rash of car and truck accidents in the weeks just before Christmas, an accident-free Christmas week was the last-day week with the unusual probability of no traffic safety emergency piling up.

To Borden there was a three-car pile-up on upper Main Street early New Year's morning with no one seriously injured when a northbound car swerved after the driver applied his brakes and crashed into the parked car.

One a brand new Oldsmobile belonging to Mr. W. Nigro.

The 1956 Dodge sedan belonging to Earl Rosenbush was stolen December 30 and has not yet been recovered.

Local police authorities are very pleased with the quiet week notwithstanding the fact of the large number of vehicles on the roads.

As one officer put it "Generally speaking the public seemed to be aware that they had a home and responsibility."

Coming Events

SATURDAY, JAN. 5 — There will be snow dancing in the Parish Hall starting at 8:30.

SUNDAY, JAN. 6 — The monthly meeting of the Glenora Community Club will be held in the hall starting at 8 p.m. Election year will take place.

WEDNESDAY, JAN. 9 — Glenora Community Club will hold their annual meeting at 8 p.m. in the hall. Refreshments will be served.

THURSDAY, JAN. 10 — The radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

FRIDAY, JAN. 11 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SATURDAY, JAN. 12 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SUNDAY, JAN. 13 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

MONDAY, JAN. 14 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

TUESDAY, JAN. 15 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

WEDNESDAY, JAN. 16 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

THURSDAY, JAN. 17 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

FRIDAY, JAN. 18 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SATURDAY, JAN. 19 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SUNDAY, JAN. 20 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

MONDAY, JAN. 21 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

TUESDAY, JAN. 22 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

WEDNESDAY, JAN. 23 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

THURSDAY, JAN. 24 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

FRIDAY, JAN. 25 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SATURDAY, JAN. 26 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SUNDAY, JAN. 27 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

MONDAY, JAN. 28 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

TUESDAY, JAN. 29 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

WEDNESDAY, JAN. 30 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

THURSDAY, JAN. 31 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

SATURDAY, MAR. 1 — Mrs. A. McDonald (nee Donna) (widow) of Stirling, was the radio contest 1956 Club on CHED and was presented with a cheque for \$125.00 on New Year's Eve.

Tax-exempt Trailers To Be Tapped For Taxes

Trailers in town, auto courts and open country all receive special services for which they do not pay, and Municipal Affairs Minister A. J. Hanks said they must be tapped for taxes to pay for them.

These parties pay no currently taxable property and are exempt from municipal taxes, he told the annual meeting of the Farmers Union of Alberta. They are using schools and roads without helping to pay for them.

"It is because of that condition and others which I could not mention — that we're taking a brand new look at municipal finances," Mr. Hanks said.

The provincial government was studying several proposals for getting more money to municipalities. Among them was the suggestion of a province-wide sales tax, the proceeds to be distributed among all municipalities.

The Alberta government has never "advocated" a sales tax but has only "studied" it, Mr. Hanks said. Imposition of such a tax would substitute for hikes in municipal mill rates.

IN MEMORIAM

In loving memory of our beloved mother, Bessie Chiswell, who passed away January 28th, 1956.

In our hearts your memory lives.

Always tender, kind and true. There is not a day that we don't think of you.

'Brownie' Has First Visitor

Friends of Mr. C. "Brownie" Brown, former Trans Mountain

passing station employee at Marlboro, who was borned in the

promising station fire at Jasper

the end of November, will be

happy to learn that he is showing

improvement every day now.

He was very seriously burned

and only received his first visit

or the week before Christmas.

Mr. Brown has moved to Balmora

to be near his husband

who is in the University Hospital.

It is expected he will be a patient

there until at least the middle of next summer.

Should Teenagers Learn to Stand

An angry father telephoned to have his son with some common sense in teenage matters.

His daughter had a boyfriend "visiting her home," he said. "When I came into the room."

JOHN T. McNAMARA
GENERAL INSURANCE
REAL ESTATE - INVESTMENT
& AUTO FINANCING

She introduced us. Her husband didn't even remember to get up. He stood hands off.

"You think that is typical conduct?" I asked.

Two other friends who were visiting at our house did exactly the same thing," he said. "They barely understood to say hello, and they remained seated in their chairs. They touch their social graces and a lot of other things at school, but they don't seem

to teach them manners." I said I had plenty of common sense in teenage matters.

He said he had plenty of common sense in teenage matters.

He said he had plenty of common sense in teenage matters.

WHAT DOES THE FUTURE HOLD FOR YOUR SON

There are important objectives you look for in your son, and we think you'll find them in the Canadian Army. Education, social training, good earnings and sound career prospects are part of a good life. Comradeship, travel and adventures are part of a great life. Today these essential objectives are possible for your son through the Canadian Army.

You owe it to yourself and your son, to find out what the Canadian Army has to offer, either as a lifelong career or as a three year period of education and development. No matter what the future may hold for your son he will find that his Army service is a great advantage. Write today, without obligation.

Mavis Barker Wed In Cathedral Setting

All hands were present at the wedding of Mavis Barker, daughter of Mr. and Mrs. Charles Barker of Edson, to Mr. Robert Watson Marchand of Calgary, Alberta. Both are graduates of the University of Alberta.

The ceremony was held in the Cathedral of the Holy Spirit, with Rev. Father J. C. Mawley as officiant. The bride wore a gown of red and white tulle and carried a bouquet of white and pink flowers. The groom wore a tuxedo and carried a sword.

Best man, Mr. J. C. Mawley, brother of the bride, and Mr. Robert Watson Marchand, brother of the groom, were the only witnesses.

The reception was held at the home of Mr. and Mrs. Charles Barker. There were 100 guests in all.

Mr. and Mrs. J. C. Mawley, brother of the bride, and Mr. Robert Watson Marchand, brother of the groom, were the only witnesses.

The reception was held at the home of Mr. and Mrs. Charles Barker. There were 100 guests in all.

Jim Dyer Now At Home

Jim Dyer got home in time to spend Christmas with his family and friends.

Jim had been working on the railroad at Jasper until the first week in November, when he broke both legs and shattered one hand in an accident in the CN yards there. Since that time he has been in hospital in Jasper and Edmonton until he came home last week before Christmas.

He will have time to put in his New Year's Eve in hospital, but Jim is optimistic and says he will be on his feet before too long.

KEN HATLEN PAINTER AND DECORATOR

Ken Hatlen is a painter and decorator. He has been working in the Edson area for many years.

He has a large staff of experienced workers and can handle all types of painting and decorating work.

For a free estimate, call Ken Hatlen at Edson 418.

1956 LEADER NEWS PHOTO HIGHLIGHTS

EDSON AMERICANS DEDICATE NEW CHURCH

MR. AND MRS. J. T. BEID MARRIED 40 YEARS

Wins Prize For Window

According to an announcement by the Alberta Pharmaceutical Association, Mr. Randy Murray, of Murray's Drug, has been awarded second prize for the best window display in Alberta during the past year.

First prize winner was a window display by Green's, Drug Store at Camrose.

Sculpturing Now Added To Edson Craft Activities

The Edson Craft Centre has announced the addition of a new activity, sculpturing, to its list of crafts. This new activity will be taught by Mr. J. T. Reid, who has been working on the craft for many years.

The new craft will be a part of the pottery corner, but will be different in that it will have to do with making and sculpture. Sculpting requires more on the part of the student, and is a more difficult craft to learn.

There will be an instructor in attendance from the Cultural Activities Branch in Edmonton with the course starting next Monday, Jan. 7.

Anyone who is interested in this type of work are welcome to attend and are urged to start as soon as possible in the course so as to derive the most possible benefit.

MAYOR KANKERWITZ AND HON. MRS. N. WILLIAMS TURN ON NATURAL GAS

City Pucksters To Meet EAA Squad Weekend

There is a doubleheader hockey event in store for local fans this weekend when the Barrie & District Amateur Hockey Association (EAA) squad travel to Edson to meet the EAA senior professionals.

These Edsonians have a record of 10 wins and 10 losses in the past few seasons when they have met up with one home town squad.

Edson fans are promised real hockey when the two clubs meet at 8:30 Saturday night and again at 8:00 Sunday afternoon.

Regular admission will be charged on Saturday and a street collection taken Sunday afternoon.

the election of a new committee. Mr. Percy W. Wells was elected by acclamation to fill the vacancy. The Federal Building, housing the new post office, and Unemployment Commission offices, was officially opened by former Edson girl, Mrs. George Freshman, now Victoria Griggs on May 18. And it was in May that Edson's population reached the 5000 mark.

With forest fires raging in the timber dry country all over Alberta, the Leader suffered a black-out last week on Sunday, May 13, our plant with its entire territory was burned in a nearby lumber camp along with the Edson Photo Studio. At this time the town water supply had fallen dangerously

low and citizens were on an emergency ration system. With ominous smoke clouds rising on north, south and west sides of town, residents watched with alarm as the fire in the north and south of the town closed enough so that flames could be seen at night as they roared through the tree tops.

It was in June that the congregation of St. Catherine's Anglican Church decided to build a new home of worship to replace the one built in 1911. With an enthusiastic building committee work went ahead at a rapid pace enabling Bishop Clark to lay the cornerstone early in October and priests to dedicate the new church to the service of God on November 27.

Edson Athletic Association held their 20th annual sports tournament on June 30 and July 1st with the Edson team sweeping the \$500 first prize money at home. During the day the Klansmen Club made

the draw on their handsome summer attire presents which were to the playground fund. Mr. and Mrs. John Romanuk of Freshville were the winners of the contest.

With the Edson district fire a hot under control due to a much needed rainfall, Edsonites were prepared to open their homes to the citizens of the Coal Branch who found themselves in a very precarious position when street fires threatened to engulf them and other towns in mid July. Fortunately, shilling winds lulled the fire before too much damage was done to personal property.

A double celebration on July 1st marked the Golden Wedding anniversary of two of Edson's older citizens Mr. and Mrs. John Reid, and the 23rd wedding anniversary of their daughter and her husband, Mr. and Mrs. Andy McRae.

A Summer Anglian minister, Rev. Canon John C. Matthews, passed away in Edmonton after a short illness on July 13. Rev. Matthews was well loved by all who knew him and was well remembered for the work he done in the district with many hands made to direct churches as witnesses of his labor.

Over 500 babies with their parents attended the Legion Picnic with St. Catharines as usual. The head was organized in August as a return to an old time tradition. With fun and games for everyone and enough pop and ice cream to satisfy the crowd, the day was undoubtedly rated a huge success by all who attended.

With a better than usual crop of wild fruit and better than usual weather during the berry season, most Sundays and holidays found our wild fruit and berry picking parties and still parties of friends and family taking advantage of the berry season in August planning a busy day to take place on Labor Day, then with recreation

all set the weather took a hand in things and the sports were rained out. Instead the kids at a big year in potential hockey found five shovels at the theatre and the EAA handed out the shovels that would certainly have been given out up at the Memorial Park.

With so many possibilities, reports that the Coal Branch all washed up came the welcome news in September that the U.S. Steel Corporation have treated very few shovels reports from an extensive survey of the Lantz coal field. The survey showed that not only does the area contain vast quantities of high quality coking coal but deposits of iron ore in sufficient quantity to interest the Steel Corporation.

Open House marked the official opening of the new school division buildings in Edson when on September 28 interested persons inspected the new buildings and later attended the official ceremonies in the school auditorium.

With the unseasonably warm weather during hunting season there was less game west out of the district than usual this fall. One hunter that went as early as usual for trouble and ended up with a car at home. The day after the season ended the weather turned cold and snow fell thick in the chaos of unseasonable interest.

Edson Library reported a successful year with new books added to the shelves every month and most of the new books put out as those that topped last selling list for 1934. Glenwood was happy to learn in December that they were to be given \$100 by the Department of Municipal Affairs who will provide fire fighting facilities at convenient locations.

The EAA held a Sportsman's Dinner in December with sports enthusiasts as guest speakers. The dinner was held in help

erude more interest in the local hockey teams who are planning a big year in potential hockey season.

A legacy of promise for the future is noted in the report from St. John's Hospital that 300 babies were born there during 1934.

A new daughter, Sheila Marie, arrived at the home of Mr. and Mrs. Frank Harbert of Grande Prairie, on November 22. Mrs. Fred Dudgey is visiting her new granddaughter there.

Mr. and Mrs. George Dudgey of Edmonton spent New Year at the home of George's parents, Mr. and Mrs. W. Dudgey.

Mrs. H. Lavatelle of Edmonton was a New Year guest at the home of Mr. and Mrs. Lee Girdle.

The Edson Leader

Vol. 5 Edison, Alberta, Thursday January 10, 1957 No.

Who May Vote Monday

Property owners only may vote on the power plebiscite on Monday.

This includes both husband and wife where both their names are on the voters list as being joint owners of the property.

Get out and vote to make sure our cost of fighting gets lowered.

Fire Destroys Bickerdike Home

The fire completely destroyed the home of Mr. and Mrs. Peter Kulleboer of Hicksville on Monday morning with almost the entire contents being lost as well.

The fire had apparently broken out before the family were up and about for the day and was out of control before they were all roused. Some of the family escaped only in their night clothes with a coat thrown over them.

Mr. and Mrs. Kulisheer and their family of ten children, who range in age from 8 to 18 years, had moved to their farm home on the former Robson farm last June. They are now living with various friends and neighbors in the district until permanent accommodation can be found.

The Red Cross have come to their aid with blankets and other necessities as well as the local United Church who are helping with clothing, etc. Anyone who would like to aid the destitute family may also have donations of money or whatever you wish Miss Rose Hendry at the Edison Beauty Salon.

The New Year was already more than four days old before St. John's Hospital could report a winner for the 1987 New Year baby contest, sponsored by the Ladies' Auxiliary and cosponsored by a number of generous donors.

Little Miss New Year is a Hishon baby this time, little Rhonda Janet Spizit, whose parents are Mr. and Mrs. Harry

Shampo and set from Hanes's clothing store, a 20-ounce certificate from Valders State Nursery and a pair of stockings from Willmon's and finally for both her daddy and mommy a year's subscription to The Leader.

The community joins in wishing young Rhonda many happy 1987's.

Receives 35 Years
From Initiating N

Back in 1921 when Mr. Harry Goldstick was the Noble Grand of Edmon Lodge No. 92, L.O.O.F., among the candidates for initiation was Mr. Fred Haffield, then recently returned from service in the United States Army.

Receives 35 Year Jewel From Initiating Noble Grand

Back in 1921 when Mr. Harry Goldstick was the Noble Grand of Edmon Lodge No. 92, I.O.O.F., among the candidates for initiation was Mr. Fred Hatfield, then recently returned from service in the First World War.

In the intervening years Mr. Hatfield has progressed through the ranks of Edmon Lodge and is himself a Past Noble Grand.

This year F.N.G. Goldstick was on hand to present the 35 year jewel of the fraternity to F.N.G. Hatfield at the regular lodge meeting on January 7.

This is a record which is considered unique in having the officer who initiated a candidate available to present such a long membership pin.

Mr. Weekes, speaking from the body of the meeting, appears to have expressed the thoughts of the majority of people to whom we have talked.

Mayor Kankerwitz, who chaired the meeting, assured the electors that the agreement "would stand the closest scrutiny" and that he was satisfied, and that all the Councillors were satisfied, that power from the utility company was the thing for Edison now.

Councillors M. D. Meade and F. W. Weller and Secretary-Treasurer R. C. Gregg also spoke outlining various details of the agreement.

☆ Light and power users will save increasingly more than the \$38,000 per year we would have saved in 1955 if we had been using Calgary Power.

- ☆ Edison will become a debt-free town on receipt of the \$305,000 cash payment for the plant and distribution system.
- ☆ No increase in the mill rate will be required.

- ☆ All the Light Department employees will be offered equal or better opportunities with Calgary Power.

- ☆ Old age pensioners now receiving special consideration as to rates will continue to receive them.
- ☆ Lower power and light rates will attract industry and business and create more employment.

☆ Together with the introduction of natural gas, Edmonton's cost of living will come more in line with that enjoyed by Edmonton and other Alberta centres.

**If We Don't Vote
for the By-law:**

- The taxpayers of Edison are faced RIGHT NOW with the prospect of borrowing \$300,000 to finance another one of the immediate power load AND...
- WITHIN three months we must be faced with borrowing ANOTHER \$300,000 to finance still another unit with more building to take care of Edison's runaway power growth
- There is \$750,000 left to pay on the present plant which is not big enough
- If we don't pay, the tycoon we will be faced with heavy substantial charges TOP of a living and power rate that will make Edison's cost of supply far too high in comparison to other towns
- Any profit we make from owning our own light plant will be eaten up in higher debt charges AMO...
- The utility rates will probably rise to meet other municipal charges

In answer to a question as to why the agreement was for a 20 year period and subject to negotiation after ten years, it was pointed out that the rates for power are set by the Board of Public Utilities Commissioners in line with those of about 60 other towns in Alberta. The history of the Board's decisions are that they make power rate reductions easy, but are very reluctant to allow rate increases, which is a considerable protection as far as Edison ratepayers are concerned.

There is no question in the mind of this newspaper . . . Edison must have lower power rates to continue to grow. It was the right thing to have our own power system when there was no alternative, but that day is past.

On Monday vote **FOR** the by-law!

Burns and Dutton Takes Both Games at Weekend

With a youthful lack of grace to date, the Edison hockey team were fair game for the Burns & Dutton boys when they met in the local arena for a rink-and-donkey-headed last National

The scores pretty well tell the story, with Burns & Dutton winning 19 - 3 on Saturday night and taking Edison 10 - 3 in the Friday afternoon game. Edison got the most or things in their Saturday evening, first game of the season, but were picking up on Sunday and hope to turn the tables on the visitors when they meet again in Edison on the week-end of January 19 - 20.

With The Curlers . . .

[illegible]

The floors were painted too thickly in order to keep clean and take care of.

It was a disappointment to see that a lot of the "white" men everyone was talking about, it took in though we might just wait still to plain lie until got our own built-in weather gear.

It was nice while it lasted.

We're happy to be back in the city. When we come after our pre-Christmas trip in which we suffered injuries when struck by Mr. Wiley says the decision is still grafting.

Wed In Year-end Ceremony

A pretty wedding took place in the St. George's Church, Edson, at 1:30 p.m. Saturday, December 25, when Katherine Marie Frick, second daughter of Mr. and Mrs. Harold Frick, became the bride of Mr. Paul David Roy, son of Mr. and Mrs. Alvin Roy, of St. Boniface, Manitoba.

The bride was given in marriage by her father and Rev. Father Hapkin performed the ceremony and uttered the nuptial Mass.

Organist for the occasion was Mrs. George Thompson and soloists were Mrs. Karl Wilkins and the bride's twelve year old cousin Katherine Kende.

For her wedding the bride chose a floor-length gown of red and white tulle with long sleeves and long train, which featured fifty point sleeves and long collar. Her floor-length veil was held in place by a pearl and sequin headpiece. She carried a multi-strand pearl prayer book with bouquet of red roses and white lilies.

Miss Patricia Frick, sister of the bride, was maid of honor. She wore a white tulle gown of floor length with long sleeves and short matching train. Her hairdressing was braided ring and neck pearls and she carried a bouquet of white lilies.

Bridesmaid was Miss Mildred Comstock. Her gown was of white tulle with long sleeves and long train. She carried a bouquet of white lilies and matching handkerchiefs.

Crossmen were Mr. Leo Kowalski and Mr. Urban Samson. Ushers were Mr. George Hiltz and Steve Frick, uncle and brother of the bride, respectively.

For her daughter's wedding, the bride's mother chose a short dress of rose tulle with short matching jacket and black accessories. Her carriage was of black and ivory with black cushions and canopy of white tulle.

Mrs. Percy Frick, Dr. parent, grandmother of the bride, presided at the reception. The bride's table was tastefully decorated and surrounded with a three-tiered wedding cake.

Mr. George Hiltz acted as MC, and Mr. Joe Hiltz proposed the toast to the bride, in which the groom also responded. Father Hapkin also offered a few words.

Words of congratulations and best wishes.

Latter a reception for over 100 guests was held at the bride's home. Refreshments were provided from Vancouver, White Rock and Coquitlam, B.C.

After a short honeymoon to Edmonton, Mr. and Mrs. Roy will make their home near St. Boniface, Man.

Out of town guests were Mr. & Mrs. Herman Dine of Coquitlam, B.C.; Mr. & Mrs. Mike Carlson of Edmonton, Alberta; Miss Cathy Foster of Vancouver, B.C.; Mrs. Percy Frick Jr. and son David; Mrs. Correll Simpson and sister and Miss Annie Lewis, all of Edmonton.

Fire Destroys Bankhouse

Bank which broke out at noon today completely destroyed the North West Bank and Power Co. Bankhouse.

Causes of the fire is unknown but there is some speculation that the fire originated in one of the rooms that contained a baby incubator. The police department is investigating.

Several men who had gone to bed after working the night shift, barely had time to escape before the building was engulfed in flames.

Total loss is expected to exceed \$100,000. The building is valued at approximately \$25,000. Personal effects of the fire are estimated to be \$10,000. The loss is expected to be \$100,000.

Mariboro Items

Mariboro Condensed soup is Christmas vacation at Provost, Manitoba.

Miss Gail Robertson spent the Christmas vacation at Provost, Manitoba.

Chess Club To Meet

A meeting of the Edson Chess Club will be held on Thursday evening, January 17, at the home of Mrs. McKen, 4042 - 8th Ave. East, four doors East of the ice hall.

Regular meeting dates will be arranged and it is hoped that everyone interested in Chess will attend.

MR. AND MRS. PAUL E. ROY

WHAT DOES THE FUTURE HOLD FOR YOUR SON

There are important objectives you look for in your son, and we don't want you to lose them. Education, good earnings, and good career prospects are part of a good life. Camerounship, travel and adventures are part of a man's life. Today these objectives are possible for your son through the Canadian Army.

You owe it to yourself, and your son, to find out what the Canadian Army has to offer, either as a living career, or as a three year period of education and development. No matter what the future may hold for your son he will find that his Army service is a great advantage. Write today, without obligation.

Edson United Church was the scene of the year-end wedding of Miss Kathleen Shirley Quinzel and Mr. Cyril Edward Landolt.

When Rev. C. C. Armstrong performed the ceremony on December 10, 1930, the bride was the daughter of Mr. and Mrs. N. C. Quinzel of Edmon and the son of Mr. and Mrs. A. A. Lantz of Moffett, Saskatchewan. The Rev. C. C. Armstrong played the wedding music.

Given in marriage by her father, the bride chose for her trousseau a pair length gown of white satin, with a long lace jacket, which featured long pointed sleeves. Her chapel length veil was held in place by a half-dozen of lace and orange-blossom pins. Her jewelry was a diamond necklace and a pair of rhinestone necklaces. She carried and she carried a bouquet of red roses.

Attending the bride, Miss Olga Stinson of Edmon, wore a blue and white dress with a long (three quarter length) lace insert in the skirt and a lace jacket. She carried a bouquet of red and white roses.

Best man was Mr. Harold Lantz of Edmon, brother of the groom and guests were honored by Messrs. Keith and Moll Quinzel.

Mrs. Quinnell chose a dress of black tulle and crepe with lace bodice. Her accessories were in pink and she wore a corsage of pink rose buds. The groom's mother wore a dress of printed crepe with blue background and beige accessories. Her corsage

Following the ceremony a reception was held in the United Church basement for 35 guests, where the toast to the bride was proposed by Mr. Duane Cunningham and answered by the groom. Later in the evening an open house was held at the home of the bride where numerous guests spent the evening dancing.

For a honeymoon trip to Edmonton the bride chose a dress of soft wool in charcoal gray shade with swastika green accessories and corsage of white rose buds.

The happy couple are making their home in Edson. Out of town guests at the wedding were Mr. and Mrs. Richard Lamont, Richard and Gordon of Melfort, Saskatchewan.

Vol. 5	Edison, Alberta, Thursday January 17, 1957	No.
--------	--	-----

LITTLE MISS 1957, Rhonda Janet Spahn, doesn't seem too happy about winning all the gifts donated by Edison merchants in the Leader sponsored 1957 First Baby Contest. We know her moments and daddy, Mr. and Mrs. Harry Spahn of Hinton, will appreciate their thought, and the generosity of the merchants who have given their baby such a warm welcome. Leader Photo.

The 1957 building program	Secretary Treasurer
	will

Present at the meeting were Messrs. A. C. Gough, J. H. Lawton, H. G. Haddock, C. H. St. Denis, A. W. Leonard, Trustees; Superintendent J. H. Finlay and

Donis, A. W. Leonard, Trustees; Superintendent J. H. Finlay and

Builders, contractors and tradesmen are fully employed during the summer months. Plan now to have indoor building and decorating done during January, February and March.

AN EDSON RINK SHIPPED BY Exalted Ruler Mike Keop of the Edson Lodge B.P.O.E. won the District Deputy's trophy at the Elks'spiel at Entwistle last weekend. The trophy donated

337 property owners voted in favor of selling

14 citizens were not in favor and one ballot spoiled to make a total of 372 votes cast in the non-election vote.

With the cash payment from the power co the Council made preparations to recall the \$1 in sewer debentures on the books, as well as nearly \$20 000 borrowed from the Provincial Government.

Actual turnover to Calgary Power will take with the meter reading for January which should be completed the first week in February. After this lag bills will come from the power company.

Thus January 1957 begins a new era for Eds with cheap electrical energy coupled with the new Alberta fuel, natural gas, to improve our standard of living.

hearted editor has set, and some
times that day is about finished
without having had enough time
as it is slow me to write it.
Or, sometimes it is a bit difficult
to dress up on bits of what
to put in it that might be of
interest to you, the reader. So,
at the moment I've got over
both problems. A long white
sheet of paper, no idea of what
to write on it, and half an
hour to do it in.

Well, what will it be. An
hour of interest in the annual

**IMPROVE YOUR HOME
WITH THE BEST!**

NOW IS THE TIME to have that remodeling
and decorating done while men are available and can look
after your requirements properly.

We can supply materials to do the job

- ★ CIL PAINT
- ★ WALLPAPER
- ★ LINOLINUM
- ★ FLOOR TILE
- ★ WALL COVERING

**EDSON HARDWARE
& Builders Supplies**

The Store with the Big Windows and Big Stock

**DO IT
NOW!**

You will be saving in your own
best interests, and at the same
time helping your community, if
you get your repairs, remodeling,
interior decoration, maintenance
and clean-up work done now.
During the winter seasonal lull,
qualified workmen are seeking
work and willing to serve you.

Why wait for Spring?

Men and materials are available now.
They may be hard to get next summer.

For information call your local

NATIONAL EMPLOYMENT OFFICE

Instituted by authority of the Minister of Labour, Canada

list of recommended varieties
for the province. The list for
1952 arrived today, but the
only change is in for our dis-
tributor to be set earlier, where
Lacrosse has replaced Rafter.
Lacrosse is an early variety
which has been tested for being
the true or as a show-up
crop in this district. It is
the other end variety recom-
mended here. For the complete
list of recommended varieties,
write or call at the office, and
I'll be pleased to supply it.

Noticed on item the other day
that might be of interest to
house makers. These are "Hollow
board tiles" which might be of
assistance in reducing the home
of undesirable pests. It means
that your house can be kept
free of rats by placing a single
tile in each room. Turning loose
three or four average sized rats
in your bedroom before retiring
will soon rid the room of most
pests. Black rats detect the smell
of rats, and by lifting a
single tile, the rats will be
gone. However, it means
more work to do, and a good
idea of the tiles will save a lot
of trouble. Think about it.

Each year more people are
growing fewer crops for food
and improvement, used control,
to prevent soil erosion, and to be
used over expanding livestock
operations. Last year, we had
a lot of waterlogging, and
spring may show that the same
at Christmas time has done it
right. So, to reduce these
winter-killed areas, the de-
mand for large seed will prob-
ably be quite high this year.
I'd suggest that you order or
take delivery of the seed you
want, very soon, as there prob-
ably won't be enough to go
around, and what there is to
even more getting higher in
price.

Well, I've reached the end of
the long white sheet. And I
don't think I've said a thing.
But perhaps by next week, we'll
have a column bursting with
news and useful information.
Let's hope so.

Editorial Comment: "This one is
absolutely the last word."

Customer: "Just with my wife,
if there's anything else here it's
the last word."

Page 10 — EDSON LEADER Thursday, January 17, 1952

Accounting Course This Month for District Farmers

Next Wednesday, January 23, second-day farming makes an
important course will be held at
the first session of a farm ac-
counting course will be held at
1:30 p.m. at the Collins house.
The course will cover such subjects
as bookkeeping, bookkeeping,
each Wednesday afternoon
of net worth statements, budget
and planning for about four weeks.
Planning is no longer a luxury
and a wise sort of business. Pro-
per bookkeeping and accounting
is every bit as important for the
farmer as it is for the business
man in town. The high costs of
living.

Free enterprise is a freedom
of choice, and the world as
just as important as freedom
of choice.

The opinion of the average citizen
regarding our free enter-
prise system is founded on all the
things with which he comes in
contact every day. The business
relations of the people with whom
he does business, and the public
with whom he lives.

Everybody's Business

There was a time when the
free man was called prince, and
the man who ruled him was the
king. That day is gone forever.
Today, business everywhere
makes friends — and they can't
make friends by hiding behind a
brick wall. You've got to come
out in front and say hello to the
neighbors — AND MEAN IT.

Free enterprise is a freedom
of choice, and the world as
just as important as freedom
of choice.

At Shower Honor Guest

Mr. and Mrs. Kaye and Miss Constance Parfollin were co-sponsors at a semi-annual shower held last Thursday evening in honor of Miss Jean Parfollin, bride-elect of Mr. J. H. Parfollin.

The shower enjoyed an evening of games and contests with an abundance of refreshments. The gifts were presented to Miss Parfollin in a pretty pink and white decorated basket and

cards received the gracious thanks of Miss Parfollin for their thoughtfulness. Following the presentation of the gifts a delicious luncheon was served to bring the evening to a close.

A guest who was a champion in argument, began expounding a position with increasing passion in a strange accent to him in the club car of the Santa Fe Chief. The stranger remained silent, only uttering "Don't you understand what I'm saying?" "No," he replied. "Could he," replied the stranger, "could he, but I was D-E-F-I-N-I-T-E."

Edson Local

Mr. W. Wilson Jr., District Deputy of the Oddfellows Lodge and Mr. W. Davidson, 1st of 1st degree, are visiting in Edson.

Mr. Davidson and his wife, Mrs. Davidson, are visiting in Edson. They are visiting in Edson.

BOB HANSEN

Bob's favorite work now is "to be up" as he begins this week operating his new service station on the highway at Hinton.

Bob has been traveling for Canada Pastors out of Edson for the past several months and during that time has been active in social circles, serving this year as the Edson club's president. The many friends of Bob and his wife, Mrs. Hansen, will be glad to hear of his success.

CARD OF THANKS

We would like to thank all our friends and neighbors for their many kind acts, floral tributes and messages of sympathy during our recent bereavement.

Special thanks to Dr. Rugg, the Sisters of St. John's Hospital and Mrs. H. Barber.

The Smith Family

Mahaska W. I.

Secretary, MRS. H. HADDOCK

The Mahaska W. I. meetings of the last three months were held in the different homes of Mrs. H. Linton, Mrs. H. Haddock and Mrs. J. Haddock.

Last fall the W. I. entered in a wedding reception which proved very successful. Some of its members thought we should do more of this kind of work in the future.

December was our Annual meeting in which the report of the year work was given which was quite successful.

The election of new officers then followed which is as follows: President Mrs. E. White Vice Pres. Mrs. H. Haddock, Sec. Mrs. J. Haddock.

Contributions and District dues were paid and subscriptions to the W. I. paper were made.

The W. I. plan on making a friendly quilt and we are also raising subscriptions to the district magazines to help build up our funds.

Meeting was adjourned till the February 19th, the second Saturday in the month, at the home of Mrs. J. Haddock. Everyone welcome.

Vol. 5 Edison, Alberta, Thursday January 24, 1937 No. 4

Long Established Business Changing Hands this Month

With the purchase of Wilson's Furniture Store by Mr. Adamson, a new chapter in the history of the store is being written.

Mr. William Wilson purchased the store from the late Mr. Frank Wilson in April, 1935, and moved the premises from the corner of 2nd and Main streets to the corner of 1st and 6th.

Mr. Wilson had established the business upon his return from overseas in the First World War. Before going overseas in the First World War, Mr. Wilson had operated a grocery store from November 1915, on his homestead on the Grande Prairie Trail near the present Janssen farm.

After returning from the war he again established a grocery store on the Grande Prairie Trail where, very recently, Mr. Adamson had operated a grocery store.

Shortly after taking over the store, Mr. Wilson sold the rights to the business, including the Imperial Oil agency to his business partner, Mr. Adamson, who is now operating the store under the name of Adamson's.

During the course of his business career he and the late Mr. Wilson were associated with the late Mr. Wilson in the operation of the store. In 1935 he took over the store from the late Mr. Wilson, and since that time he has been operating the store under the name of Adamson's.

During the past few years Mr. Wilson has been associated with the late Mr. Wilson in the operation of the store. In 1935 he took over the store from the late Mr. Wilson, and since that time he has been operating the store under the name of Adamson's.

Legion Polio Funds Spent In Many Different Ways

Among the ways that the funds of the Legion are spent is in the purchase of polio vaccines. The funds are also used in the purchase of polio vaccines for the children of the Legion members.

At the last meeting of the Legion, Mr. Adamson, who is now operating the store under the name of Adamson's, was elected as the president of the Legion. He was elected by a large majority of the members.

Mr. Adamson is a well-known member of the Legion, and has been active in the work of the Legion for many years. He is a member of the Legion, and has been active in the work of the Legion for many years.

Bringing In Five Year Driver Licenses

According to an announcement from the department of highways, this week drivers' licenses will now be issued for a five year period commencing with the driver's birthday this year.

Any material whose birthday falls before March 31 will be required to purchase his five-year license when they go on sale in April. Anyone whose birthday falls between that date and December 31 will be able to wait until his birthday to renew his driving license.

The sticker is that the new license will now cost \$2.00 in advance instead of the previous dollar a year.

Chief inspectors anticipated for the new idea as a long the safety and accident prevention, since it is thought that it will be easier to eliminate "accident-prone" drivers at an earlier stage.

Married In Quiet City Ceremony

A quiet wedding of interest to Edison and Wainwright took place in the city of Edmonton last Saturday when Miss Jean Macgregal, daughter of Mr. and Mrs. R. K. Macgregal of Wainwright, became the bride of Mr. Thomas Stewart of Edison.

Members of the young couple's immediate families were in attendance. The ceremony was performed by Rev. J. H. Macgregal.

Accommodations For School Trustees

Trustee Harold Haddock was re-elected by acclamation to the position of trustee for Sub-division No. 4 of Edison School Division No. 13 at the close of nominations on January 13 according to Returning Officer D. R. Macgregal.

Mr. Haddock is well known in the district, and has been active in the work of the school division for many years. He is a member of the school division, and has been active in the work of the school division for many years.

Mr. Haddock is a well-known member of the school division, and has been active in the work of the school division for many years. He is a member of the school division, and has been active in the work of the school division for many years.

Don Gourley Making Name In U.S. Hockey Circles

By KEN S. McLELL

At the age of three years, Donald Gourley lived on his first pair of skis. Since that time, he has been playing hockey, and has made a name for himself in the U.S. hockey circles.

Don Gourley is a member of the Edmonton Bruins hockey team, and has been playing for them for many years. He is a member of the team, and has been playing for them for many years.

Louis's Gone Again

Always a solid defenseman, Lou has proved by his continued play in the last two weekend games for the Athletics.

Always a solid defenseman, Lou has proved by his continued play in the last two weekend games for the Athletics.

Edson Boxers Going to City

Three members of the Edson Boxing Club are journeying to Hamilton to take part in bouts over the weekend.

The three are Johnny Paul, Harry MacIntosh and Teddy Lee. The boys are really looking forward to the trip and will not be back until Sunday.

Top Spot Up For Grabs Among Jr. Highs

The week's action in the Junior High School League was the Maple Leafs take over a share of first place as they garnered a win and tie in two games.

On Monday night they defeated the Tigers 1 to 1, and on Wednesday they held the Spartans to a hard fought 2 all game.

In the latter game Asher with 4 and Armstrong scored the puck for Spartans, while Derbridge and Stevenson with 3 each and the tie was made.

Monday's contest between the Leafs and Spartans was close all the way, and although it ended in a 2 all tie, a goal scored by Grant may be disallowed after Ontario the end. Leafs with 10, Spartans 2, and Leafs scored for Hamilton, 2, Asher with two and

Mahon Electric Motors Off To Good Start

The Edson Motors, under the ownership of Mahon Electric again this year, have been working out regularly for the past month and now are entering the country for competition.

Two games were played last week, Thursday night against the Edson High School and Saturday afternoon in Etobicoke against the Spartans. In the Thursday game the Leafs dropped a close one to the Spartans, the score being 2-1.

The game for the high school was close, but the Leafs won 2-1. The Spartans, who were the defending champions, were defeated 2-1.

At Etobicoke, the Spartans were defeated 2-1. The Spartans, who were the defending champions, were defeated 2-1.

— Leader Sports Review —

SATURDAY'S GAMES

Burns & Dutton Take Doubleheader

Although they came out on the wrong end of a 192 score in Saturday night game, the Athletics were not that badly off. The game was played to a finish with some good hockey displayed by both teams.

Burns and Dutton have a well combined team and play a clean, fast game. Burns, who has been a number of times, while they have lost of games and many, require something which can only be obtained by experience.

The victory gained a 3 to 1 lead in the first period, Edson's goal was scored by Burns and Dutton. The first half of the second period was the best from Edson's point of view as they

Edson High Re-asserts Basketball Supremacy

Edson High basketball players asserted to Jasper to play that the team was in the lead. The first score was 90 to 30 in favor of the local boys.

Bob Adams again led the Edson High squad with 24 points. The local boys were outshined in the first half with the first quarter even, running 10 to 10. The half-time score was 30 to 30.

In the third quarter Edson overpowered their opponents by a 10 to 0 margin to go ahead 40 to 30.

The second period opened at a terrific pace and tempers were high from the opening whistle with Lee Hamilton of Edson and Thompson more off for fighting. There scored on a relay from George to Lee Hamilton.

Mite League Standing

In Thursday's game, Burns & Dutton led Burns & Dutton by 10 to 0. Burns & Dutton led Burns & Dutton by 10 to 0.

The Edson Motors, under the ownership of Mahon Electric again this year, have been working out regularly for the past month and now are entering the country for competition.

Two games were played last week, Thursday night against the Edson High School and Saturday afternoon in Etobicoke against the Spartans. In the Thursday game the Leafs dropped a close one to the Spartans, the score being 2-1.

Transit Mix Meeting Edson This Weekend

Edson Athletics who bettered their showing with Burns & Dutton from the city last weekend are scheduled to meet with the same Edson team this weekend.

This time it's the Transit Mix team who should be able to give our local boys the practice to learn play that championship hockey demands.

The Athletics will be wearing their new white uniforms for the games this weekend. They will also wear their new white uniforms for the games this weekend.

Chess Club

An attendance at the meeting held for January 11th was about 20 to regular meeting dates were held. Suggestions and games were arranged at any time by phoning 871.

Trailer Court Residents Protest Living Conditions

Resident discontent with living conditions in the Edson Trailer Court finally broke out into the open last week as residents organized a public protest meeting after trying to contact the owners of the camp on two separate occasions.

On Monday and Wednesday evening of last week, approximately 30 residents gathered in the trailer court office when they heard that the owner, Mr. Pender, was in town.

Telling to meet the trailer court owner, the residents organized a meeting for Thursday evening and sent a telegram to the Hon. W. M. Morrison, Deputy Minister of Municipal Affairs.

Cat And Truck In Lake At Medicine Lodge

There is a lake at Medicine Lodge that should have its name changed to Mrs. Lulu for it definitely seems to be a first for babies. They were in the city two district lumber operators.

About a month ago Mr. Charlie Franklin, while incidentally riding with his Caterpillar Diesel, had his cat go through the hole in the trunk, read near the edge of the lake. The cat is still floating on the bottom of the lake under approximately four feet of water.

And recently Mr. Sam Hays had his big lumber truck go through the ice on the same lake into 20 feet of water. Travers went out from Edmonton on Thursday of this week to see if the cat was out of the lake and was meeting with difficulty.

SEEN ON THE Main Drag

—An unusual number of the main drag making use of the snow tires rather than the old worn tires during this cold weather.

—Mrs. Ross Grant saying that she is going to the city to see her mother and father.

—W. C. Kelly Hales, inspecting with a quick eye, as usual, the road with a red grill, the head spread and a very low drag.

—Mr. Howard Bunker and Mr. Donald Buck heading for an afternoon run of hot lava.

—Two of our hardy old citizens, Mr. Wm. Davidson and Mr. Allen Hays, leaving the cold drive.

—The Parker Jr., seeing his sister, Mrs. Edith Mackenzie and son, Fred, on the trail for their vacation home in Washington after a previous visit with her family here.

Mrs. F. J. Cooper Laid To Rest

Thank You !

Having served the people of Edmonton and District in the Flour and Feed business for the past 24 years, I have now disposed of my business to Messrs. Arthur and Son. I wish to take this opportunity of thanking everyone for their continued and generous support. My successors are quite competent to carry on this business maintaining the high standard of service which has been established and will add to the service by including potatoes and vegetables, both wholesale and retail. In this line they have already established a fine reputation.

As my wife and I will continue to make our home in Edmonton we hope to see our many friends and customers as often as possible.

The Edson Leader

The Voice of Edson Constituents

Vol. 5 Edson, Alberta, Thursday January 31, 1937 No. 5

The Edson Youthful group, May Vanvick, is shown above as he accepts the 530 second prize money from Community Club President Don Dick. Other members of the youthful group, Doug Wells, Ben Laydon, Fred Fisher and Harold Plunk.

Red Cross Honors 20 Time Donors

Two Edson citizens this week were honored by the Red Cross for their outstanding contributions as blood donors. Registered certificates were received by Rev. W. H. Bader and Mr. James Greville.

These two "Presented to (name), who voluntarily gave at least twenty donations of blood. This is an example of generosity and selfless service of all prime and beyond all price. From each a significant gift to the world."

Rural Electrification Course For Farmers

Because many district farmers are getting electric power on their farms in the near future, a Rural Electrification School is being provided at Evansburg February 11 to 15.

Conducted by the Alberta Department of Agriculture with the cooperation of the Rural Electrification Service Board and the Wilfred Agricultural Society, the course will cover every aspect of the use of electricity on the farm.

The course of electricity means a great change in the life and working on the farm. But without power, the benefits of the power to feed, and many needless expenses can be avoided.

The head of the Department of Agriculture, Evansburg, at the University of Alberta, will be

instructed by government electrical engineers and a power company representative. The course will be given at Evansburg, Alberta.

For a copy of the program, or any other information about the school, write to Mr. R. C. Bader, District Agricultural Officer at Edson.

For this reason, these Rural Electrification Schools have been very popular all over the province during the past few years. They have enabled a great many farmers to get the greatest possible benefit from electric power.

The school lasts for one week, from 8 a.m. to 5 p.m. Monday to Friday, February 11 to 15. It is held at the Evansburg Community Hall. Although it may seem quite an effort for some, it is hoped that most district farmers can arrange

Enquiry Commits Local Man On Murder Charge

After a preliminary two-day inquiry conducted by Magistrate W. H. Kuehner in Edson court room which concluded Thursday of this week, Edgar Moreau, was committed for trial on a charge of murder.

Mr. Moreau has been charged with the slaying of Abraham E. Overgill on Christmas Day at a camp south of Edson.

No plea was made by the accused at the enquiry which serves the purpose of a preliminary to the trial which will probably be held in Edmonton some time in March.

Magistrate Kuehner ruled, at the fatal killing, and will be a key witness in the case.

Mr. Albert Calver of Edson represented the accused at the enquiry, while Mr. G. D. Wright acted as the prosecutor for the Attorney General's Department in Edmonton.

Overgill died after being brought into St. John's Hospital in Edson after the shooting and the evidence showed that he had succumbed to the bullet from a .22 rim.

The evidence also brought out that there had been a considerable amount of drinking at the camp prior to the shooting incident.

A thorough police investigation led to the arrest of the accused at the camp on December 28 and the recovery of the slaying rifle.

Mr. Moreau does speak English fluently to reports, but the services of a French interpreter, Mrs. Alta Farnham, were retained at the enquiry to make sure that the accused thoroughly understood the proceedings of the enquiry and the safeguards which make for a fair hearing under the law.

During the two-day enquiry 23 witnesses were called including: Fred Morarty, Sister Louisa Bader, James Crawford, James Bader, Victor Tiedke, Chas. E. A. Wenzler, Chas. W. Walker, Chas. Van Buren, B. Tremblay, Chas. B. Bader, Chas. W. Hopkins, S. G. Bader, S. G. Bader, Earl Johnson, Henry Klaska, Andrew Bader, Harry Martin, Arthur Kriva, Wallace Chisholm, Oscar Bouchard, Irvin Criss and Marley Williams.

Mr. Moreau came west with rifle and returned a number of years to this district.

THANKS EDSON MERCHANTS

To The Edson Leader,
Dear Sir:

I would like to say a word of thanks to the Edson Leader and all the Merchants of Edson, who so kindly gave us and our baby such a warm welcome and so many lovely gifts.

We haven't gotten around as yet to come and pick them up, but shall be in the near future.

With many thanks
Mr. and Mrs. Harry Spies,
Edson, Alberta.

Evansburg Lone Winner

Evansburg Junior Branch which shipped by President Fred Gough took a Sports Valley and an Edson stall in which succeeded to win the zone championship on Tuesday evening at "Edmonton."

The zone stall will represent the League Zone in the District playoffs in Edmonton before the 15th. The winners from the district level are on in the provincial playoffs at Camrose.

to have chosen those as they can get to Evansburg each day by 8 a.m. Leaves and at 4 p.m. leaving ample time for evening chores.

The course will be given by very well qualified instructors. Professor Smith, formerly

Edson Theatre Sixth Annual Poster Contest Announced

Students of Edson and Edson school, led the District contest District schools having entered their names last year to become eligible can again look forward to entering a poster in the sixth annual poster contest just announced by the Edson Theatre.

As in past years, separate prizes are offered grade 1, 2, 3 and 4 students of the Edson school and district school.

Elisabeth Chas. Chas. Bader and John Tingen, playing in that order, led the boys' competition in the Edson school entries to top the prizes last year.

Contestants will find contest rules in a special Edson Theatre poster in this issue of The Leader.

Burns Concert and Supper Successful Do

The concert and supper held on January 23 at 8 p.m. and sponsored by the Ladies Auxiliary to the Canadian Legion, was a real treat. The m.c., Mr. Bob Hunter carried the program to the accompaniment of a delightful evening of music which made even the little French dancers eye him with wonder.

Guests performed were Mrs. and Mrs. Jack McPherson, Brenda, Carol, Margaret, Jean and Jeanette Anderson of Edmonton, Mrs. Jennie O'Brien of Hinton, Mr. John Forrest with his accordion and Mr. Bill Watson with Ed Manning.

The stage was decorated to please, French flag and bunting. The program consisted of French selections from piano, Mrs. McPherson and French songs by the Anderson girls. These were very cleverly performed.

Mr. Bill Watson gave the address to the ladies assisted by the piano, Mrs. and Jack Thompson. This was a real surprise, especially to those who were not French, Mr. Watson also sang two French ballads in very fine manner, accompanied by Jennie O'Brien at the piano.

Mrs. O'Brien recited poetry in the French tongue, in a manner that brought tears to the eyes.

Mr. Hunter gave the toast to the immortal memory of Robert Burns, Scotland's best loved bard. The remarks were given with real feeling and portrayed the immortal poet and his character to a very fine degree. Mrs. John Forrest also today he would have made one of the greatest orators of the present century.

Jasper Rehearsals Install Officers

Jasper Rehearsal Lodge held their installation service on Tuesday evening of last week with Mrs. Cecil, Acting District Deputy President as installing officer. She was assisted by Mrs. A. E. Woodman, Mrs. L. R. Cunningham, Mrs. L. Warden, Mrs. F. Fred and Mrs. W. Simpson.

Installed during the ceremony was Junior Paul Noble Grand, Mrs. L. Warden, Noble Grand, Mrs. Edie Charles, Vice-Grand, Mrs. T. A. Bann, Recording secretary, Mrs. W. J. Cleveland, Treasurer, Mrs. R. B. Smith, Financial secretary, Mrs. Lyle Baker, Right Supporter of the Noble Grand, Mrs. G. Kahar, Left Supporter of the Noble Grand, Mrs. N. Atkinson, Right Supporter of the Vice-Grand, Mrs. F. Reed, Left Supporter of the Vice-Grand, Mrs. F. McLeod, Chaplain, Mrs. J. Boudie, Mr. Warden, Mrs. L. W. Dyer, Conductress, Mrs. W. Simpson, Inside Crafters, Mrs. K. Brown, Houston, Mrs. R. L. Reed.

Hold Annual Meeting St. Mary's Parishioners

A friendly group of parishioners met in the Parish Hall, Monday night, St. Mary's Church, for the annual meeting of the St. Mary's Anglican Parish Church.

Father Robinson presided and opened the meeting with prayer. During his opening address, Father Robinson reminded the parishioners that he had been with them almost a year. His boys were mentioned in his opening prayer, although he had been mentioned and happy of his former parish he had no regret at coming to Jasper. "I hope I am happy," he said, "I am happy, I am happy, I am happy."

St. Mary's has enjoyed a very successful year, both spiritually and financially and a number of new members are expected to be added to the parish.

Mr. and Mrs. P. W. Hinton were Jasper visitors Wednesday evening.

Four Man Committee Organize Hockey Teams

Four men, now awaiting the outcome of their plans, have started the ball rolling on Hinton's first organized hockey league.

Don Crandall, Ray Martin, Les West and Les Shandley, have set up a Junior hockey league for the youngsters and have also set up a senior league.

Only two of the four clubs in the Hinton district are suitable for hockey at the present time and a time schedule has been set up for the use of these four clubs.

The risk in Drinnan will be used for Junior hockey each evening from 6 to 8 p.m. on Monday, Wednesday and Friday, while the senior hockey team will use the ice on Tuesday and Thursday evenings.

The hockey rink is front of the Canada Colours building and will be used for senior hockey and general skating for the children in the area.

Collecting for the senior players is a three team league. At present Les Shandley is in charge of coaching for both the junior and senior teams.

Direct rules have been laid down by the committee as to hours for practice on the rink.

Picking the best talent for the first annual Hinton and fourth prizes was made a job for the judges of the Hinton Talent Show. Shown in the moment of deciding the top four contestants are (left to right) Judges Lloyd Crith, Mrs. J. Clark and E. Hinton.

K. V. Wells, teller at the Royal Bank, Hinton, is shown playing the accordion at the Hinton Talent Show. His remarkable musical ability brought him \$40 for his performance which was first prize.

Local Railway Men Receive Promotions

Further in the announcement last week that Mr. J. W. (Jim) Cameron, day chief of the CN dispatchers in Edson had been promoted to night chief in 1936, it was stated that night chief, Mr. E. L. Reggs, has also received a promotion and will be going to Hamilton as Transportation Assistant.

Both promotions take effect immediately with their respective men taking over Friday, February 1st.

Mr. Reggs is well known to those who have been stationed here with the CN since their time here as a dispatcher from Prince Albert and was promoted to night chief in 1936. He has been very active with the local CN club, holding the position of Club Master for the past two years and will be greatly missed by his boys.

Mr. and Mrs. Reggs have three children. Mrs. Reggs and the children will move to Hamilton as soon as accommodation can be found.

Replacing these two men will be Mr. E. R. Mann, new day chief, who will be bringing his wife and three daughters from Fort Arthur, Ontario, to make their home in Edson. Mr. Mann, a native of Canada, Sask., started his career with the CN in Hamilton, Man. After serving at various points in Manitoba he spent two years in the Canadian Army and returned to CN service as operator in Kelowna.

Both, and at various points in Manitoba. He was promoted to assistant chief dispatcher in 1934 at Port Arthur where he has been since.

New night chief will be Mr. T. G. Owens who has lately been located at Calgary from where he will bring his wife and two sons to make their home here.

Your Town

If you want to live in the kind of a town like the kind of a town you like.

You needn't slip your clothes in a grip and start on a long, long drive.

For you'll only find what you left behind there's nothing that's really new.

It's a knock at yourself when you knock your town. It isn't the town it's you.

Real towns are not made of men afraid lest somebody else gets ahead.

When everybody works and nobody shirks you can raise a town from the dead.

And if while you work your personal stake your neighbor may make one, too.

You can make a town what you want it to be. It isn't the town it's you.

Leduc Discovery Has Only Scratched The Surface

Canada's most famous oil well will celebrate its tenth birthday next week, and evidence that it is still producing at a rate of more than \$1,000,000 a day. Between now and 1940, all uses except to pump about \$30 billion to provide facilities for finding, producing, moving, refining and selling oil products in which, they say, can be translated into jobs, profits and living.

The young Indian stood before the judge and testified his desire to have his name changed. "What is your name now," the judge asked.

"Shirking Lord Frail Walala," the Indian replied.

"What do you wish your new name to be?"

"Too," the Indian said.

The name in the producing side of the oil business is that in the first quarter century they expect to discover from seven to ten times as much oil as they now have in reserve.

Of particular interest in this district is that the industry's accounts say that the petroleum industry is going to mean more jobs, bigger salaries, larger supplies of new-born and a greater variety of them. Instead of consuming one-and-a-half gallons of oil products to be done today, the average Canadian will probably be consuming two-and-a-half gallons a day by 1940.

Much of the present and future output of the Canadian oil industry can be traced back to Imperial Oil's discovery well at Leduc, the well that changed the story of western Canadian oil exploration from one of previous disappointment to vigorous enterprise. The Leduc discovery, Imperial alone had drilled 120 wells in the Canadian west and all were dry.

After Leduc, the oil producing industry moved into high gear, achieving the following important results:

In 1936, Canada imported more than 80 percent of the oil it needed. Today Canadian oil wells are producing 60 percent, the balance of the nation's oil needs, and these needs have to be met in the meantime.

In 1936, Canada imported more than 80 percent of the oil it needed. Today Canadian oil wells are producing 60 percent, the balance of the nation's oil needs, and these needs have to be met in the meantime.

"I wonder if you would be so kind as to write this position for me," asked the customer in the most polite manner.

"Certainly," agreed the waiter.

"I would," said the waiter.

"Thank you," he continued, the bonus you put me in the four-pound roast yesterday."

Public Meeting Discuss Unpopular Name Drinnan

Hinton. The committee, composed of J. Robertson, G. Crumley, and D. Chapman, were asked to point out why the name of "New Hinton" had been previously chosen and were to find out why this name was not accepted.

Secondly they were to point out why enlarged boundaries were necessary and to bring back a report on the government changes to reduce this name.

A. C. McCarty, who had been selected as returning officer for the forthcoming election of councillors, announced that he had refused acceptance because of complications arising out of his United States citizenship.

I was decided by vote that no returning officer be appointed until the committee of three had an opportunity to have an interview with the Minister of Municipal Affairs and report back their findings.

Conversations for councillors must be held on February 18 and for this reason the three members of the committee were asked to make the trip to Edmonton within the next few days and report back at a public meeting within a week.

Nearly 100 residents of the newly named village of Hinton gathered at the Canada Club on Monday evening to voice their objections to the recent notice given by the Government of Alberta naming the village and establishing its boundaries.

After repeating Oliver Leeson as chairman, the meeting was thrown open to public discussion. Several speakers were present over the Government's decision not to accept the proposed enlarged boundaries of the Hinton as set up by the incorporation committee which was elected last November.

This committee was formed to present incorporation papers to the Department of Municipal Affairs and had proposed greatly enlarged boundaries over the present recognized village limits.

Notwithstanding from the fact that a considerable number of the residents of the village had opposed the findings of the meeting, the Minister of Municipal Affairs.

Marlboro News

Mr. Johnny Johnston is in the University Hospital and reported improving and will be home soon.

Mr. Elmer Johnston was hurt about a week - was coming with a power saw fell on him. The accident occurred at Harvey Johnston's camp out of Edson. He was brought in to St. John's Hospital by Colin Gibson.

Mr. Earl Proulx was injured while working at Hinton and is in hospital in Edmonton where he must undergo an operation.

The drivers were out from Edson on Saturday to see about taking Franklin's car and Jim Smith's truck out of the lake. They will return there on Monday.

Mr. and Mrs. Keith Thompson are the proud parents of a new son, born on Sunday.

Miss Glad Stewart has returned home from a short stay with her grandparents at Otonabee.

CARD OF THANKS

We would like to thank every one who sent wreaths to the funeral of the late George (Pat) McMillan of Hinton. We are sorry we did not receive the same.

Elmer McMillan and Family

Motorists Must Watch School Buses And Pupils

The practice of some motorists in taking accidents by failing to stop when school buses are discharging passengers is causing alarm and complaint, according to Paul Lawrence, Safety Director for the Alberta Safety Council.

Police attention is being drawn to these complaints, as the Motor Vehicles and Traffic Act has certain provisions for the protection of school children using buses.

One section of the act says that "When a motorist which leaves either the stop school bus or school van" has stopped to receive or discharge passengers, no driver of a vehicle shall overtake and pass such conveyance until the driver of the vehicle has given the sign which means that the driver of the vehicle has stopped to receive or discharge passengers.

Another section of the act says that "When a motorist which leaves either the stop school bus or school van" has stopped to receive or discharge passengers, no driver of a vehicle shall overtake and pass such conveyance until the driver of the vehicle has given the sign which means that the driver of the vehicle has stopped to receive or discharge passengers.

Come On Out!

Next week we would like to be able to report "The Legion Memorial Centre was just opened" with the citizens who were interested in finding out what their local Council and the Town Staff had been doing for the past year.

Chances are, if previous years are an indication, there will be pitifully few Edmonstons turn out. It is a wonderful boost for our town if that actually happens. If hundreds of adults turned out — if the women came too — if questions were asked and ideas suggested that showed an intelligent group of town affairs.

Think what such a turnout could mean for the councillors who this past year especially, have really been hearing the midnight oil decelerating over the installation of natural gas and modern priced power, while deciding whether or not the town should company was really serious about those jobs on the highway and how much they should be sold for.

So long as we have an intelligent and interested citizenry there will be varied and at times complete opinions as to how public business should be carried out. No matter how smart, or shrewd a council or a councillor, or a board of trustees may be, it is simply impossible that they should be capable of doing things but the way everyone thinks they should, especially if they don't have opinions on town policy from the general electorate at annual meeting times.

This is what an open responsible government. This is the basis of democracy. In the first place we don't know our voters to them — and finally, if they do not do the job the way we think they should, we replace them.

If you the taxpayers think this present Council hasn't been doing the job you think they should or if they seem to be heading the town in the wrong direction now is your chance to really let 'em know. If, however, and this newspaper holds this opinion, you think they have done a creditable job — take a couple of hours off Monday night and vote and and tell them so.

Creeping Meatballism

While we don't like to "live with alarm" it seems to us that an era is passing in our district and a new is taking its place. The able rule boys are arriving in greater numbers and they are starting to do things "according to the book."

It is inevitable in this age of the atom that we should get our share of the experts of one variety or another, and that we should have to accept, in the main, the inevitable logic of their analysis in the name of progress.

But we can't help but be nonplussed about the foreman who can cruise a rubber berth and tell accurately, within a few feet, how many miles he has in it; or the book-keeper, the successful old farmer, with an axe in the yard or the old time clerk who served his customers from the private or government job with a smile and a job because he had known them for years.

Probably the old rule guys weren't as efficient as the bookkeepers trained rule, but they had the years of the personal human relations behind them that made them real live fellows to know and live in the same town with.

The newer fellows, if they continue to live in a world where they gradually find that "it doesn't count" to be "done" we're lost.

But if we save goes against the grain to hear, as we heard the other night, one of the new rule boys get up in a semi-public meeting and tell us what a great job he was doing for us by following the rule book — who had done the job for thirty years and whom he had just the Board of Trade immediately get a motion off to his headquarters considering him on a job well done.

That, as our chief magistrate pointed out to the meeting, is getting a little ahead of oneself!

Coal Branch Boy Doing Photography

A former Coal Branch boy, Roy Johnson, is making good in that very interesting profession.

Boy was raised at Coal Valley and left there about five years ago to spend two years in the much-remembered, pioneering days at Edmonton, R.C.

Following this he spent some time in New York before returning to Edmonton where he does free-lance photography.

Last Sunday, Roy visited Edson with the Edmonton Police hockey team and was busy catching some of the most exciting in front of the stadium net, causing people to wonder who he was, each time his flash caught their attention at the same.

A brother, Dennis Johnson, is well known among the high school and just out of high school young people here as he attended school here for a while and came back for a visit now and again.

K.C.'s Breakfast Hosts To Wives
In the Social House, members of the K.C. Club, breakfasted with the wives and girls of a number of the members last night.

This is the third such breakfast held since the local K.C. Club of the K.C.'s were formed last spring.

They were held at a very certain time, but it is planned to have a convenient breakfast about every few months when K.C.'s and their ladies can gather after church for an informal breakfast with their friends.

**Learn To Ski Weeks
At Jasper For \$60.**

Imagine, a week's skiing at
Jasper for only \$60! This is
probably the best bargain
of many skiers when they read
of Jasper's Learn to Ski Weeks.
The Jasper Ski Club Ltd.,
in every offering a package
deal to visiting skiers that in-
cludes hotel, board, bus and
lessons, bus transportation to
and from the hill and all the
privileges for an all inclusive
price of \$60.

Some of the attractive features
that the club has to offer to both
the novice skier and the pro-
fessional are a fine slope which is
in excellent condition this year,
both downhill and rope tow, night
skiing, and organized entertain-
ment for those taking part in
the Learn to Ski Weeks.

**Her Majesty
Queen Barbara**

BARBARA ALLEN
"Her Majesty"

Part, pretty 16 year Barbara
Allen will be commonly referred
to as "Her Majesty" from now on
till the end of February.

A grade 11 student at Jasper
High School, Barbara Allen was
elected Queen of the 1956 Jasper
Winter Carnival and will continue
her reign until a new Queen is
elected at the end of this year's
Carnival.

Disinterested by being in the
middle, Barbara Allen is due to
be known to her friends, is working
hard at her studies this year and
has had to give up one of her fa-
vorite sports - figure skating.

Last year she participated in
most of the Carnival's fancy
skating numbers but in trying to
prepare for grade 11 and 12 in two
years she had found it necessary
to give up figure skating. After
finishing High School Barbara
Allen hopes to go into the teaching
profession.

Winter Carnival and Ski Meet Major Sporting Event in '57

Jasper's Winter Carnival and Ski Meet is a new status this year. In former years it was staged on the slopes of Mt. Whistler, but this year it has been merged with the later Provincial High School Meet to make it one of Alberta's major sporting events of the year.

Every organization in
Jasper has been prepared to
provide part of the funds to
put the offer over the top. Held
on February 22, 23, and 24
the Carnival will have as its
central theme "enjoyment"
which is to be depicted in the
show's to be held on both
Friday and Saturday.

Other attractions such as figure
skating, hockey games, square
dancing, ice carving displays,
Curling Bonspiel and Skating, will
all be a part of the three day show
to be carried out largely by local
talent.

Seven top teams from High
School Ski clubs throughout the
province will take part in this first
annual "Jasper - Provincial High
School Ski Meet." Considering the
possibility of last minute cancellations,
four of Alberta's finest young
skiers will be competing for tri-
umph which are being put up by
the Jasper Ski Club Ltd. and the
Provincial Government who are
sponsors of the meet.

Starting for breakfast, skiers
and other money that are being
offered for winners in the First
Annual "Jasper - Provincial High
School Ski Meet," seven youthful
ski teams from Alberta will face
the starting line on the slopes of
Jasper's Mt. Whistler on February
22 and 24.

Consisting of four men
teams, entries have been re-
ceived from clubs at Banff,
Bismarck, Calgary, Cochrane,
Edmonton and Jasper.

The four events, Downhill,
Slalom, Cross Country and Giant
Slalom will give the top team \$4
win \$80 per event. The team
winning the highest number of
points will be awarded the Alther-
to Government Trophy which is
to ensure for competitors each
year.

Members of this winning team
will receive engraved cups which
they can retain.

A trophy will be awarded
also for the best individual
skier for each event. This
trophy is to be put up every
year and a medal of it will
be retained by the winning
skier. The winner of each
event will get a certificate.

JASPER - ALBERTA

By Ken McKee

The colorful R.C.M. Polo Hockey team will be in action on February 16 and 17 at Saturday night and Sunday afternoon games.

This team has shown here in previous years, and played a pleasing game to watch. These games will be in the way of a tune up for the Play-off action.

The semi-final home and home total goal series between Athletics and the St. John's Deer - Camrose winner must be completed by the 23rd, but no dates have yet been set.

It was hoped to have Hinton here this Saturday evening, but at press time arrangements were not made.

A revamped Elston Athletic squad "arrested" the win record of the Elston City Police team in a 10-0 victory over the 10-0 action here Sunday afternoon.

Athletics, with Cheske giving back end assistance on the line, had a 10-0 lead in the fourth. Maah, Christie and Joe Lewin, occasionally controlled by Joe Welch, looked full value for the victory.

Although the locals have improved, the caliber of the opposition was not as high as in previous years. The Elston City Police, with six wins and one tie in the Elston Community Center league are far off the pace at this time.

The third period score is still

on a break away, then a McMillan block on the six, but a one man short Horne from Grapich led for the eighth goal.

At the same minute mark Mulvey scored in a Kortman drive with McCord's assist. The visitors, then with Kilpatrick leading, had with Kilpatrick lay, boarding. Horne scored the last goal in the second break away.

At 14:30 of the period Joe Lewin drove home a pass from Christie and shortly after from Christie. The Elston City Police play having been started by Ed Grapich. At this point the locals had a 12 to 0 lead, but the visitors scored. Disgraced from Smith.

The Edison Athletic Association is sponsoring a Young Canada Hockey Day on Sunday, February 10, at the Edison Arena.

In a program lasting from 1:00 to 6:00 p.m., the highlight will be a game between Mahon Electric and the Edison High School. Other games will feature picked teams from West Woe, Severville and Junior High School Levee.

There will be prizes for the four best players in the game and door prizes for the winning team. All proceeds from the day afternoon's program will be turned over to the Police.

Tickets are 30c for students with kids. Come out and see the action and help the young players of the day and help the kids that

In midweek action at Jaeger Saturday the local squad came away with another victory in obtaining a 3-2 win over the visiting Midgets. Goals were scored by two point getters for the Midgets, Doug Wells with 3 goals and an equal number of assists, Ramo Levin and Gary Derividge with a goal and assist each.

The other match was picked up by David Bell unassisted. The Midgets commence action in the Provincial Play-offs shortly. They are drawn against Mendocino in a home and home series.

The first game is set for February 13 here. The other game at Mendocino is for February 17.

Line-ups for Edison day were, Goal, P. Smales; Defense, O. Galloway, D. H. M. Seltzy, D. Baker, S. Levin; F. Asher, B. Finlay, J. Bush, L. K. Astor, J. Greasy, J. K. Astor.

The Edson Leader

The Voice of Edson Constituency

Vol. 5 Edson, Alberta, Thursday February 11, 1967 No. 7

School Division Holds Series of Annual Meetings

The annual meetings of the members of the Edson School Division No. 12 were held at Danenburg, W.M. Wood, Nixon, Potham and Hinton. With turnouts of various sizes (the one called for Edson town didn't get a single ratpayer).

The individual trustees of the various sub-divisions submitted their reports covering local conditions in their respective sub-divisions and touched upon various financial items as contained in the auditors' Financial Statement.

Presiding at the various meetings were one or more of the directors. Those who during the past year included Chairman A. C. Gough, Boardman W. Williams, Will Wood, J. H. Lawrence, Hinton, H. Haddock, Haddock, A. W. Lawrence, Hinton, and C. B. Davis for Hinton (the latter being replaced this year by L. A. Voss, also of Hinton).

The Superintendent of Schools, Mr. J. H. Fisher, submitted his report showing the number of children in the division and the number of operating schools presently maintained by trustees. The total pupil population at present is 1841 with 1212 of this number being transported by school buses.

The number of rooms presently in operation are shown as 93 with an increase of three since January 1, 1966, which is an increase of 11 in dealing with increasing enrollment of students Mr. Fisher presented that 11 teachers in the division held one degree or better while the great majority of teachers, 61, in all, have one year's training with the balance holding two or three years of training.

Another fund raising project in the Kinsmen has been set to be held in the future after office Saturday, March 9.

Mr. and Mrs. Bill Lundman announced the birth of a daughter, born recently in an Edmonton hospital. Mr. Lundman was with the Province Branch here for some years before receiving a promotion in his work and moving to Edmonton.

THREE EDSON BOYS: CORNWELL, MR. EDSON, MR. EDSON. Capt. Jack Cornwell, left, proposes to Edson, Terry McInnes and Lawrence Thomas.

DOLLY SCHULTZ who has been appointed as Edson trustee to be a member of the new Edson company is seen here at the Edson company office at Danenburg Valley to be known as Edson's Edson company. Dolly has been with Edson for three years and is now a full-time sales representative.

Pop Hexter Sees Robin

Mr. A. C. "Pop" Hexter was in the Edson hospital last night and saw a robin in his bedroom window all the other morning.

Mr. and Mrs. Bill Lundman announced the birth of a daughter, born recently in an Edmonton hospital. Mr. Lundman was with the Province Branch here for some years before receiving a promotion in his work and moving to Edmonton.

THREE EDSON BOYS: CORNWELL, MR. EDSON, MR. EDSON. Capt. Jack Cornwell, left, proposes to Edson, Terry McInnes and Lawrence Thomas.

1956 Is Record Year For Town

The reports which the 67 ratpayers heard from their Mayor and Town Council Monday evening were mainly good with the exception of the water supply situation which is still grim.

Highlights of the year as outlined by Mayor Kinsmen will were the introduction of the so-called dollar-a-day hospital plan for Edson ratpayers and residents; the granting of the natural gas franchise to Northwestern Utilities Limited; the sale of the light and power plant and distribution system to Calgary Power Ltd.; and the success of Madson No. 5, the privately drilled water well which brightened the water situation.

Mayor Kinsmen commended the Town staff, the Police Dept., the voluntary members of the Board of Health and the Fire Dept. as well as the Council for a fine job during the year.

Mr. J. P. Switzer reported for the Board of Health and mentioned the difficulties met during 1956 and expressed the hope that a health unit would be set up in 1957 and expressed the opinion that such a unit would be of great advantage to the Town and district.

The Mayor reported for the Police Committee listed 288 cases, 127 car accidents and 14 deaths of other cases requiring investigation. Mr. Kinsmen paid tribute to the recent Police Dept. on their performance in 1956.

On the Finance Committee, Mr. A. W. Lenz, of the School Board, reported a deficit in the operation of the division of \$40,000 of which was approximately \$20,000 should be made up from a Provincial grant to offset the cost of building the schools at Hinton. Increases in teachers salaries had had a considerable effect on the budget, Mr. Lenz reported.

Superintendent John Fisher reported that pupil population in the Division had increased 60 since last June and now stood at 1841 and that 17 new teachers had been added to the staff to make a total of 193 in the Division.

Secretary Treasurer R. C. Gough, of the financial year, reported on the health and welfare committee outlining the expansion of the sewer connection in 1956 to the health department. Mr. Gough mentioned the deficit of the year that the Town is still not getting the full cooperation of citizens regarding service rates.

As reported for Committee on the health and welfare committee outlining the expansion of the sewer connection in 1956 to the health department. Mr. Gough mentioned the deficit of the year that the Town is still not getting the full cooperation of citizens regarding service rates.

Green Acres

By HEC ROBERTS
District Agriculturist

WHAT MAKES A SUCCESSFUL FARM?
After writing this heading and looking at it, I realize it may sound as if you will find in this about a minute's article a formula for farming — perhaps a formula along the lines of the old "Make Oats" which was a guaranteed cure for everything that could ail a human being.

That might be nice, but it isn't possible. There are no easy answers in this farming business. And even when you do find an answer it seems to bring up another question.

Many Activities Planned By Glenwood C.C.

Something for everyone was the theme of the Glenwood Community Club when they held their regular meeting Wednesday evening.

The Club hopes to have all types of sport and entertainment for children and adults in the future when funds are larger and they are working hard toward that goal.

A social evening for members and friends is to be held next month in the hall with the first one being held on Thursday, February 18.

Public school parties and dances are to be regular features of the Club. It was decided, after the Board's study, that the school parties should be held on a regular basis.

The next dance is to be held on Friday, February 18 and will take the form of an Old Time - Hard Time dance. This type of dance brings lots of fun for imagination and gets the spirit up.

Letter to Chris

Dear Chris:

I have noticed that you don't encourage "girl pressure" but this does not mean trouble.

I have seen him at several parties and although he does not say much, when the way he looks at me, you can't find a lady like way of making him feel me. Can you tell me?

Thanked

Dear Barbara:

Yes, it is a good thing to have a

Learn To Ski Weeks At Jasper For \$60

"Imagine, a week's skiing at Jasper for only sixty bucks." It will probably be the starkest expression of many skiers when they read of Jasper's Learn to Ski Weeks. The Jasper Ski Club Ltd., is now offering a package deal to visiting skiers that includes choice of hotel, board for all lessons, bus transportation to and from the hill and all lift privileges for an all-inclusive price of \$60. Sponsors of the five day learn to ski week is the Jasper Ski Club Ltd.

Some of the attractive features that the club has to offer to both the novice skier and the professional are a fine slope which is in excellent condition this year, both powder and rope tow, night skiing and organized entertainment for those taking part in the Learn to Ski Weeks.

Her Majesty Queen Barbara

BARBARA ALLEN
"Her Majesty"

Port, pretty 18 year Barbara Allen will be crowned "Her Majesty" for the season of February.

A grade 11 student at Jasper High School, Barbara Allen was elected Queen of the 1967 Jasper Winter Carnival and will continue her reign until a new Queen is elected at the end of this year's Carnival.

Unaffected by being in the limelight, Barbara Allen as she is known to her friends, is working hard at her studies this year and has had to give up one of her favorite sports - figure skating.

Last year she participated in some of the Carnival's fancy skating numbers but is trying to pass her grade 11 and is to receive her diploma in January. After finishing High School, Barbara Allen hopes to go into the teaching profession.

With the Churches

Study Window

By Rev. C. C. Armstrong
The church is a study window into the life of the community. It is a place where people can see the best of themselves and the best of their neighbors. It is a place where people can learn about themselves and their neighbors. It is a place where people can grow in their faith and their love for one another.

O.E.S. Hold Whist & Bridge

The O.E.S. Lodge sponsored a bridge and whist drive in the L.O.O.P. Hall on Wednesday evening of this week. Winners during the evening were, in bridge, Ladies: Mrs. J. Garvie, ladies: Mrs. W. Boyer; men: Mr. A. Karpov, men: Mr. E. D. Taylor.

Winners in the whist tournament were: Ladies: Mrs. W. Boyer; men: Mr. E. D. Taylor. A very enjoyable evening was spent by all who attended. The evening was brought to a close by a delicious luncheon served by the ladies of the lodge.

Hosp. Auxiliary Meeting Mar. 1

With the purpose of forming a Women's Auxiliary to St. John's Hospital to assist a group of spirited local ladies will hold a meeting in the St. John's Hospital on Friday, March 1st at 8 p.m. Everyone in Edson will district who are interested in this project are asked to attend. Their project is a hospital Auxiliary to be raised money in aid of nursing scholarships. They also are to be a library, visit sick, help with sewing, read and write letters for patients, provide magazines and fresh reading matter for patients who are unable to provide their own and many other similar things to help the patient feel better.

This type of organization will be set up for the good and welfare of Edson and district. Mrs. Charlotte Winkler, president of the Hospital Auxiliary for Alberta has been in Edson and given her approval to the plan to form a local Auxiliary. Anyone wishing to discuss this further please phone Mrs. J. Ross at 240 or Mrs. A. Goldschmidt, phone 225, Edson.

Jasper Agrees To Health Unit

Another town has indicated its intention to form a health unit for the area this week according to Dr. Clifford Smith who returned from a discussion of the subject with the Jasper Advisory Council. The unit would extend from Pelly to Jasper and it is necessary for most municipal authorities to act for the establishment of a unit before it can be put into operation. It is possible says Dr. Smith that the plan can be started this spring.

Best Wishes

Eleven friends and relatives called at the home of Mr and Mrs. Garvie today and Wednesday evening to extend their best wishes to the couple on their recent marriage.

During the evening a lamp and other gifts were presented and a lunch was served. Mrs. Eddy is the former Mrs. Louis Duffie.

Sister Superior Goes East

Sister Superior Knapp, who has been Superior of St. John's for the past 18 years and became Superior of the St. John's Sister Mary's in 1948, is leaving for the east to take up her new post.

Sister Knapp has been on the staff of St. John's for the past 18 years and became Superior of the St. John's Sister Mary's in 1948. She will be succeeded as Superior by Sister Beaudry who is also well known by the many people who have been in St. John's since she came here and one half year ago.

Mrs. Red Greg is in Edmonton this week visiting her parents, Mr. and Mrs. Thomas.

Indefinitely omitted from the list of donors to the Ladies' Hospital last week was Miss Pauline, who made a donation of \$10.00 toward the prize for the night.

Loyalty Dinner Sparks United Church Canvass

The Edson United Church was the start of their Canvass. The Canvass on Tuesday evening of this week with a Loyalty Dinner in the Ladies' Memorial Church. Many then 200 church members attended to hear various speakers during the evening in the hall and other churches.

Spruce Grove Rink Wins Grand Challenge

With colder weather making ice conditions perfect, the Ladies' Hospital was played off last weekend before, with an exciting rink taking and prize.

The Spruce Grove rink of Mrs. Ruth McNeil met the local rink of Mrs. Marie Robinson in the final of the top event. Sunday evening.

Other members of the winning rink were, Mrs. Mary Campbell, Mrs. Lora Sharp, last, the Robinson rink included Mrs. Marie McNeil, Mrs. Phyllis Phillips and Mrs. Mary McNeil.

TWO GOOSEBLOWS PROVE ON at Paul Marie Grand Hotel. Several weeks ago, Goldsmith was Marie Grand of Edson Lodge when Fred was initiated thirty years ago which makes something of a record. Mr. Goldsmith was recently honored by the Town of Edson. He is credited to have defeated "Crested" in his honor. This new record adds to his reputation for the creek north of South Angus Bay.

Crafters Going From Here To Show In City

There will probably be about 10 local Craft Centre artists on the P.M.A. Annual Exhibition '51 which is scheduled to be held in the Edmonton, Alberta, from March 1 to 10. The show will include a round table discussion, craft films, demonstrations, etc. An exhibit of Edmontonian artists from various districts will also be a feature of the exhibition.

Married In Wabamun Church

Miss Audrey Paquette and Mr. Raymond Johnson were married in the Catholic Church at Wabamun, Alberta, on Saturday, February 18. The bride was dressed in a beautiful white gown and wore pearls. Attendants were Florence Paquette and John to Paul, also Edna Jordan, Shirley Finley, Harold Loris and Jimmy Gaultier.

Funeral In Calgary

Mr. Bruce Farnold of Boston, Alberta, passed away at 62, on February 14, at the age of 62 years. He is survived by one brother, Charles Farnold, one nephew and one niece. Funeral services will be held in Calgary and interment in Mount Pleasant Memorial Cemetery. The family is in charge of funeral arrangements.

Pulpman Says Crews Not Big Enough For Fires

Mr. J. D. Chapman, vice president of the Alberta Forest Service, said that the crews of the Alberta Forest Service are not big enough for fires.

Mr. Chapman is reported to have said that his company is prepared to help the forest service in the event of a fire. He said that the forest service is not big enough for fires.

Former Coal Branch Boy Dies In South

Montana Park boy, who was killed last week when he became caught in the gears of the machine he was operating for James Construction Co. at Canmore.

Mr. Chapman is reported to have said that his company is prepared to help the forest service in the event of a fire. He said that the forest service is not big enough for fires.

Propane Agent Taking Over

Mr. A. W. Price, new branch manager of Canadian Propane Ltd., is taking over the work from Mr. J. D. Chapman.

Councillors To Be Sworn In At Early Meeting

Councillors P. W. Watson and A. E. Taylor who have been re-elected from the last council meeting.

The Deep End...

Yes - Edson Has Enough Water -

Your Edson and Kinross Club have really gone off the deep end and are going to get Edson a pool. They want an outdoor pool, a large number of people writing for the common good.

The pool we are after, swimming, will benefit the whole district but we won't get it unless we also have the pool of water.

We are asking for your help in the fact that you should be informed on the subject - hence this.

The company is prepared to provide the Alberta forest service with detail of the number and in the Canadian Institute of Forestry and the Alberta Forest Act.

Mr. Chapman is reported to have said that his company is prepared to help the forest service in the event of a fire. He said that the forest service is not big enough for fires.

Mr. Chapman is reported to have said that his company is prepared to help the forest service in the event of a fire. He said that the forest service is not big enough for fires.

Anybody Seen Del's Keys?

Del's keys stopped at the Ladies' Hospital last week. The keys were found in the paper. The keys were found in the paper.

Niton Central H&S Projector Fund Growing

The roll call showed 30 members in attendance when the Niton Central H&S and School Association held their regular meeting on Friday, March 1, in the Central school.

The stage jacket was played for with two people trying for the prize. Mr. W. Wigley of Hinton led, one of the winners named Mr. W. Wigley of Hinton. Mr. W. Wigley of Hinton was the winner of the prize over the projector fund. Through the kindness of Mr. W. Wigley of Hinton, we now have over fifty dollars for this fund.

We were very glad to welcome back Mrs. E. Kink, who has been absent for some time due to a serious illness. The president, Mr. Kink, also extended a warm welcome to all other visitors present. A new teacher, Mr. Hanson, was also introduced by Mr. Kink and thanked.

Peers Items

We wish to express our deep sympathy to the family of Mrs. M. Perre, who passed away at Edson last Thursday.

The district was alerted to hear of the untimely passing of another citizen of this district, Mr. Louis M. Perre, of Edson, B.C. His death was a great loss to the community.

Mr. M. Perre was a well-known and respected citizen of Edson. He was a member of the local church and was active in many community organizations.

The Edmonton Leader

The Voice of Edmonton

Vol. 5 Edmonton, Alberta, Thursday, March 14, 1937 No. 21

THE LADY AGREED to step for a coffin carrying the water running and the kids not to stand in the water. The hat was really brought.

Old Time Phonograph Not Up To HiFi

Many people stopped at the window of Frank's Radio Club Monday and Tuesday of this week to compare with interest the old time Edison phonograph that sat next to a stack new modern records.

We went in to have a look at it and Frank swung it up, placed the cylinder in position and we had music. The music was very clear and free from scratchy sounds and the record played for an amazing length of time. The machine wasn't one of the "real old ones". The sound box is the best under the table that holds the cylinder and the old style down to cover the work when it isn't in use.

The groupings is owned by Mrs. Verna Babin who lives up the North Road. She has had it for about two years and before that it belonged to Mr. and Mrs. Wm. Puff.

By way of completion, before we left Frank played back a tape recording he has, a sample of the very stereophonic sound, and we found that the comparison of the sound as it is.

Glenwood Volunteers For Swimming Pool Work

You don't have to be strictly a town resident to want to help to raise funds for Glenwood and district's community swimming pool.

This week the committee received the following letter from the Glenwood Community Club offering to help by people from the whole district surrounding Glenwood.

Swimming Pool Fund Committee, Edmonton, Alberta.

Dear Sirs:

The Glenwood Community Club would like to help raise funds for the proposed swimming pool for Glenwood, as we have heard that outside districts will be able to use the pool.

A benefit dance, with the proceeds going to your fund was suggested at our March meeting. We would appreciate it if you would let us know if this would be all right or of any other way we could be of help.

Any information on the proposed Swimming Pool would be appreciated also. Thanking you for your interest.

Thank you.

Mr. E. C. Martin, Secretary, Glenwood Community Club.

16 Club To Curl Sunday

Edmonton Curling Club are holding a 16 Club tournament this Sunday with local and outside clubs entered.

Every risk is guaranteed two games in the "pool" which is competing against from the Coal Branch, Hinton and east on Highway 16.

Mine Inspector Buried In City

Funeral services for Mr. Dave Miller were held in Edmonton on Wednesday. Mr. Miller was a mine inspector on the Coal Branch at one time, and had been living at the Coast.

He was an uncle of Mrs. Allen Miller. Mr. Miller, well known mine inspector as well, now lives in Calgary.

Hon. Norman Willmore Says Forest Protection To Include Aircraft

A stepped up program of forest protection was outlined in the legislative assembly by Hon. Norman Willmore, minister of lands and forests, but he warned that the woods will never be safe until the public learns to prevent fires.

Mr. Willmore said his department plans more use of aircraft, aerial tank vehicles for smothering and rough country travel, and landward towers and more fire-fighting crews.

He also revealed the survey and break of forest fires last spring and summer and revealed that 30 of the 235 fires were started deliberately. Some of these were started as brush or stubble fires which went out of control, while others were started for spite.

Thirty-eight of the fires were caused by "careless", 20 by campers, 20 by lightning and 23 by smokers, while intentional fires accounted for only eight.

Of the 235 fires, 70 covered areas of more than 400 acres, while 20 were between 100 and 400 acres and 20 were between 10 and 100 acres, the minister said.

Mr. Willmore said his department's forest protection program is being built around three factors: detection, communication and mobility.

The \$2,000,000 appropriation for forest protection in this year's budget is an increase over last year's figure.

He estimated \$80,000 will be spent on aircraft forestry patrol, part of it to purchase a Fleet Oiler aircraft to be based in Edmonton, and part of it to be charter aircraft for fire duty.

"In this day and age it seems imperative to use aircraft," the minister said, adding that in the past private and commercial fires have shown "excellent cooperation" in reporting fires to the department.

Another four forestry towers will be built this year to augment the 24 existing ones in the province. More communication equipment will be purchased.

Mr. Willmore said there will be further construction of access roads and fire trails, and his department is maintaining new types of truck vehicles for use over rough terrain and mud. He said there will be at least one and possibly two of the vehicles for each of the seven forest divisions.

The new aircraft, he said, will be used for reconnaissance and for carrying men and equipment. It will be suitable within minutes of any time it is needed, he said.

Funeral Service For Late Mr. Louis Ste. Marie

Mr. Louis Ste. Marie passed away at Edmonton, B.C. on March 4, April 24 years.

He is survived by his loving wife, Mrs. Irene Ste. Marie of Edmonton; one son, Jerry, and two daughters, Susan and Sadie; loving mother, Mrs. Sarah Ste. Marie, New Westminster; six brothers, Philip in Maryland, Tony, Joe, Jim and Pat, in New Westminster; John, Powell River, Oliver, Prince Rupert, four sisters, Ellen, and Mary, in New Westminster; Mildred in Calgary and Helen in Wexley, B.C.

Funeral services were held Monday, March 11, in Sacred Heart Church, Edmonton. Rev. J. C. Nadeau, C.S.C.R. officiated with interment being made in Glenwood Cemetery.

Floral tributes were received from: Loring Webb and Sons; Alma and Children; Mother, Ben and Betty; John Yule; Mr. and Mrs. Harry Neilson and Family; Mrs. W. H. Foster and Family; Mrs. Fred. Finlayson and Family; Mr. and Mrs. Bruce Shand and Family; Mr. and Mrs. Andy Shand and Family; M. and Mrs. Norman and Family; Ray, Mr. and Mrs. Jack Atwell; Mr. T. H. Carlson; Anne and Ed Hiding and Family; Eugene Family; Willie Garage; The Clarke; Franklin Martin; Ray and Anne and Will Rogers; Mary and Earl; Lester and Sadie; Hesters, Staff of Worthington Transport; Al and Amanda; Kwanan Family; Dad and Mary; Stewart's Home; Melville, B.C.; Carl Rose, Mary Ann and Family; Connelly-McKenley (Edson) Ltd. were in charge of arrangements.

Mill Signs Agreement With Mill Workers Union

North Western Pulp & Paper Ltd. and the International Brotherhood of Pulp, Sulphite and Paper Mill Workers, Local No. 825, jointly announced today that the first Labor Agreement for the first pulp mill in Alberta had been signed covering the plant operations at Union.

The two year Contract will be for the period of March 1st, 1937, to February 28th, 1939, and embodies many of the labor agreement benefits enjoyed by workers in this industry across Canada. A new base rate of \$1.65 per hour was established effective March 1st, 1937, with a 5 per cent general increase in all rates on May 1, 1937, and a further 5 per cent general increase effective May 1, 1938.

The contract also provides for Hopkins, D. Schram, H. Dahlstrom, union maintenance of membership. The negotiating committee for dues check off, grievance process, the Company consisted of Messrs. one, statutory holidays, paid up, W. H. Sawyer, Manager of Industrial relations, wire claims, credit time, etc.

The negotiating committee for the Union consisted of Messrs. F. Smith, Pulp Mill Superintendent; A. Barnea, International Vice; H. S. Welch, Chief Engineer; W. J. President; H. Bell and E. Ryan, C. Allen, Office Manager; H. J. International Representative; Alex Melanson, Director of Industrial Relations; and local 825, Relations for H. Regis Paper Co. W. Nowitz, Walter Johnston, D. party.

ADD A TOUCH OF MARMY

'Tis well to keep in touch with the war. For he was blind and mild. He was ever just and righteous. And kindly as a child. What a grand opportunity 'tis at that, to administer this grand occasion in the new Irish spirit. Regardless of whether we have our Irish in us or not, we can all get a kick out of wearing a "My Irish is Marmy".

We all love a party — so we give you some ideas with a green and white color scheme in place cards, serviettes, table cover and so on.

Shamrocks, clay pipe, and evergreen burl sprays can be used for table decorations, and—

Try creamed chicken and peas served on shamrock tarts. These make the best of having smaller family groups. Try a small amount of small Irish balls and place three together in a green velvet tin.

Or how about a good Irish new made-up of a mixture of lamb and horse chunks and lots of green peas? Top it with peas cut in shamrock shapes. Better omit the orange colored carrots at this meal, since Irishmen take their politics seriously and we fire out into the orange and the green.

Cup cakes made with white icing and topped with green colored coconut will give a final touch to the grand event.

Shamrock tarts (make-believe type) can be made by frosting cookies with icing and rolling them in chopped peanuts.

A dinner of Irish foods topped with whipped cream, and two omelets with green — parmesan cheese halves in shamrock shape will add to your theme.

For entertainment, provide each guest with a pencil and paper. Get them to complete a literary form a first line such as: "There was a man named O'Brien".

And don't forget to hold a sing song of good Irish tunes. Have a jolly time, and remember the ending line of a warm green United "cup of the morning" is on the table!

—

H & S To Hear Talk On Water Safety

With the growing interest in the Elancom sponsored swimming pool, the Edson House & School Association have something especially interesting to offer their readers on Wednesday, March 27.

Speakers will be Mr. Gilson and Mr. Safety Department, whose address will have to do with things close to the hearts of all parents and all who are interested in swimming and water safety.

This is a public meeting and all interested are urged to attend.

The Deep End...

Private Pools Popular South Of The Line

Swimming pool construction is racing to far more attention than ever before, since large numbers of homes are putting in private pools, particularly in the United States. These are not large, expensive pools. Twenty thousand were built in 1935 and it is estimated that 20,000 to 30,000 more will be built this year.

The demand for pools is increasing rapidly and a number of companies are going to the business of supplying equipment for pools. Some manufacturers consider non-slipable in pool buildings, and there is even a deluge of mail for a three glass estimating pool. They people have built their own pools. From many different types of material ranging through poured concrete, concrete blocks and sprayed concrete to plywood

and tarpaper. Prices vary greatly and it is difficult to quote exact figures, but it is obvious that the increased demand has lowered costs considerably as well as bringing out improvements in methods and equipment.

The most promising material is fibre glass, which does not rot or otherwise deteriorate, is quite so reliable and, most important of all in our climate, will give without cracking. It is also easily repaired if it should be damaged, though this is unlikely.

Cracks appear concrete, to be favored being damper and stronger than poured concrete, require no forms and is quickly done but does need frequent reinforcement with steel.

Your kitchen sink is illustrating the best construction methods in comparison with cost for use needs and you may be sure that the final plan that is used will be the result of thorough research into the question.

In reply to a question from Mr. Hinkleman concerning responsibility of grading, leveling and installation of utilities Mr. Ishibashi stated that construction of water and sewer connections with the North Western Pulp & Paper utility lines would mean that the present town of Mission would not have to build its own intake and outlet systems.

a permanent representative here. Brief addresses were heard from

There was a line in the front of the arena and a sign that only says "SPO" still to be serviced. A Mr. Beychuk invited some of the lighter members of the meeting.

Mr. Beychuk observed that the previous questioner had

Cutting Camps Going North Of Edson

Approximately 75 camp buildings are to be moved north of Edson for pulp making camps in the North Western Pulp & Paper area. It was revealed that plans for a permit to move the buildings through town this week. This will make for considerable activity in the town in an area which has been pretty well cut over for timber through the years, and will have the effect of bringing the pulp operations by the company, on a contract basis, closer to Edson.

Trucks loaded with pulp have been passing through Edson on several numbers of routes as a means to the lumber loads of the pulp lumber.

Wins Gun Two Years Running

"Lucky Bill" is what his friends call him now that Bill Smith has won the annual gun rally of Edson Branch of the Legion for two years.

This week Bill won the first prize 300 S&A rifle down on Saturday night and last year he held the lucky stick on the 31 gauge Higgins shot gun.

GMAC PLAN

Edson Motor Co.
PHONES 427 & 27 EDSON

Edson Locals

Miss L. Clark, daughter of Mrs. E. C. Brown of Threlk, is to spend several days visiting her mother, Mrs. John Carlson, and brother Art.

Mr. Sam Lachlan, married to Miss Michael for a few days last week, is to spend a few days in Threlk.

Miss Sheila Smith, accompanied by her grandparents, Mr. and Mrs. V. Smith, is to spend a few days in Threlk.

Mr. M. Hart, accompanied by Mrs. John Carlson to Edson on Tuesday. They returned on Thursday.

Mr. Frank Duffell and his wife, Mrs. Duffell, are visiting in the home of the parents, Mr. and Mrs. Fred Duffell.

Mr. & E. Lach who has spent the last month at his old home in Threlk, will be home next week.

Mrs. Irene Wardell, once party of Edson was a weekend guest at the home of her mother and brother-in-law, Mr. and Mrs. "Tom" Duffell.

Miss Elsie Smith of Edson was receiving acquaintances here last week.

**\$25 Cash Not
Picked Up**

The \$25 bill of No. 302 was not picked up by the well attended dance sponsored by the Edson Elks on Friday evening.

The dance, which was one of the well attended dances of the season was enjoyed by a large crowd of people for the night.

The name on the lucky draw prize looks like Jack Carroll and he may have his prize by applying to the Elks Secretary F. J. Tait.

Gas Tank Fire Put Out And On Way

Mr. and Mrs. Harry Nelson didn't attend to the fire which broke out on the underside of their car on Thursday evening.

The well known lumbering industry figures had been getting holes at Owen's Trench Service when flames broke out on the underside of their car.

The hole from Union Tractor must have started the fire, which had not been noticed before it did any damage, before the Edson Fire Dept. arrived.

And then Harry and Mrs. Nelson were on their way to their Bedford River Camp.

Mr. & E. Lach who has spent the last month at his old home in Threlk, will be home next week.

Mrs. Irene Wardell, once party of Edson was a weekend guest at the home of her mother and brother-in-law, Mr. and Mrs. "Tom" Duffell.

The Edison Leader

The Voice of Kanan Constituency

Vol. 5 Edmonton, Alberta, Thursday, March 26, 1937 No. 13

Familiar Figure Passes

The Edison district will miss a well known old timer in the passing of Nick Baker of Wolf Creek. Nick was a German by birth, but had travelled a large part of Europe and could speak seven languages, French and German included. He was an old cobbler and this brought about his arrival in Canada in 1908.

Nick went to work as a section hand in 1911 at Yoho for Tom Cooper, who was then section foreman.

He really travelled over a lot of the Edison district in the early days and was easily recognized by his prominent mustache. He played for a lot of dance teams with George Holman and Tommy Robinson. Nick had a variety of musical instruments and was very popular.

At daybreak Monday morning the rescue party was alerted that the skier had slipped and shortly after the body was found about a quarter of a mile away. It was estimated that the skier had fallen approximately 700 feet. The body was brought to Edison.

good in the realm of music which he often tried to hand down to the younger generation.

At one time he owned a shoe repair shop in Edison and was owner of a piece of property in the town of the House of the Future and the House of the Future.

Nick then took up a quarter land in the Wolf Creek road near the old school house. He was a partner in the business.

He really travelled over a lot of the Edison district in the early days and was easily recognized by his prominent mustache. He played for a lot of dance teams with George Holman and Tommy Robinson. Nick had a variety of musical instruments and was very popular.

At daybreak Monday morning the rescue party was alerted that the skier had slipped and shortly after the body was found about a quarter of a mile away. It was estimated that the skier had fallen approximately 700 feet. The body was brought to Edison.

They then intended to start market gardening, and selling the produce in Edison. To do so they needed a team of horses, and Nick Baker of all other things, took it upon himself to purchase a team of horses for the company.

He did this and got a bargain. Nick Baker, who is now known as "The Farmer," was a bargainer. Upon writing at the time and showing them to Nick Baker, they explained the bargain price, closely and some found that one horse was more kind and the other one better.

"Real bargains," Mike says. They also talked about this.

The market garden ended in right away of business, when at last of harvesting could not be started for the weeds. So the partnership broke up and Nick Baker went to work as a section hand again at Wolf Creek under Bill Baker, section foreman, who is now in the Edison yard.

Nick then went as a policeman for the C.N.R. and stayed until his hold this time. He was a very popular figure in the community and was a very popular figure in the community.

Diefenbaker Man Says Conservative Candidate

"I would like it to be known that I am a Diefenbaker man," says Mr. J. H. Diefenbaker, who is a member of the House of Commons.

Mr. Diefenbaker is the minister of national defence and is a member of the House of Commons.

Mr. Diefenbaker is the minister of national defence and is a member of the House of Commons.

Pool Group To Meet Leaders Monday Night

Over 100 of the many clubs and organizations in the city are being asked to contribute to the pool group.

The pool group is a committee of the city council and is responsible for the pool group.

Edison Pioneer Passes Away

Mr. J. H. Diefenbaker, who is a member of the House of Commons, has passed away.

Mr. Diefenbaker was a pioneer in the Edison district and was a member of the Edison Pioneer.

Kinsmen Pledge Dividends For Swimming Pool Funds

The Kinsmen club has pledged dividends for the swimming pool funds.

The Kinsmen club is a member of the city council and is responsible for the swimming pool funds.

Jasper Glee Club To Give Edison Concert

The Jasper Glee Club will give a concert in Edison.

The Jasper Glee Club is a member of the city council and is responsible for the concert.

Capitol Report

Edmonton Alberta members will be having more work to do in 1938 if the legislative process is full of activity. There is little doubt about it being so.

The bill would double the maximum amount of insurance payable for proof of financial responsibility under Alberta's plan of car insurance.

According to the bill, the new maximum amount would be \$1,000 coverage for property damage and \$20,000 for the two or more persons injured. Under the present act the maximum amounts are \$500, \$5,000 and \$1,000.

Mr. Gordon Taylor, minister of health, said the new minimum amount would come into force until July 1, 1938, because there are thousands of insurance policies in existence which would be inadequate if the bill was effective immediately.

The peak cap rate was introduced last year as a compromise measure between compensation insurance and holding at bay. There is no reason why the bill is not being passed, but it is involved in an accident and has a hard time to pass financial responsibility, but it is in jeopardy.

The law of the regulation and related events in the office of the speaker of the house to hand the government bill.

During study of the treasury department estimates by committee of the whole, Liberal Hugh L. Macdonald, "Vigilant," introduced a motion of censure over the handling of the case.

He criticized the government's handling of the case, saying that the speaker of the house should be paying his salary during a 15-day period, and for allowing him to receive an pension after his resignation by the provincial assembly under the irregularities.

The motion of censure was defeated after Premier Alexander Macdonald, who was in the house, said that the speaker of the house should be paid for his services, and that the speaker of the house should be paid for his services, and that the speaker of the house should be paid for his services.

The motion of censure was defeated after Premier Alexander Macdonald, who was in the house, said that the speaker of the house should be paid for his services, and that the speaker of the house should be paid for his services, and that the speaker of the house should be paid for his services.

A three day school for the instruction of Look-out Tower Operators has been held in Edson this week, for Tower men from the Edson, Whitecourt and Rocky Mountain House Divisions of the Department of Lands and Forests. The school was held at the Edson Hotel, and was directed by Mr. J. H. Macdonald, Chief of the Department's training and drillings was in charge of the school assisted by Miss Klumpke, while L. N. Donovan, Chief Radio Operator for the Department gave the radio instruction, helped by Whitecourt and Edson Operators.

Twenty Look-out men, 10 from Whitecourt, 8 from Edson and 2 from Rocky Mountain House Division received instruction in the evaluation of the Osborne Pin Indicators, the use of the aneroid barometer, Meteorological observations and Ground Observations. Simulated fires were indicated and reported on by the participants and photographs taken

from lower sizes, and the fire finders, in order to give to the lower men experience in spotting smokes and obtaining accurate bearings; then a mock-up of the radio in use in specs familiarized them with reporting those bearings in the standard method in use throughout the province.

All this activity and preparation brings to mind the fact that we are approaching another fire season. Although it appears impossible, a cancer's fire was found to have reached a size of thirty square feet just last week, and had a wind been blowing, it could easily have reached much greater

portants, even though a considerable amount of snow remained on the ground around. This camp had been on bare ground beneath a large spruce, and wind could easily have swept it up the tree and on to other trees nearby.

The number one cause of fires is still human carelessness, after last summer's experience that should still be fresh in our minds.

The Edson Leader

The Voice of Edson Constituency

Vol. 5 Edson, Alberta, Thursday, April 4, 1937 No. 14

Requisition Higher But Still Budget Divisional Deficit

The budget meeting last Thursday by trustees of the Edson school division decided that an increase of 8 mills over last year was necessary, in the requisition for taxing authorities in the division this coming year. This brings the requisition by the division to 25 mills for school purposes.

The requisition is 14 mills under the 1934 rate, 30 cents. Estimated revenue from the municipal millage (terms such as Edson and the Local Improvement Districts) amounts to \$105,021.61 while grants from the Provincial Government are expected to amount to \$57,702.30 giving a total estimated revenue of \$162,723.91.

Teachers salaries are estimated at \$248,168.20, up from \$240,000 last year. This takes into account a salary of \$24,000 for 70 additional teachers in the division. Van transportation is expected to amount to \$14,000 which is \$25,000 higher than last year.

Dues charges amount to \$197,000.00 which is \$40,000 up over the previous year. Plant operation (schools, etc.) is estimated at \$97,500 which will be \$20,000 higher than last year.

The total movement of the whole division for requisition purposes for the 1937 fiscal period amounts to \$550,540.00 which is an increase of \$63,041.00 over the year before.

The pulp mill at Hinton has not yet been added to the assessment on which the school division bases its requisition, but some of the property in the old and new town of Hinton has been put on the assessment rolls. The Provincial Government is still paying 70 per cent of the educational costs roughly, the higher requisition in the division have made necessary, the higher requisition in the municipal taxing authorities within the school division.

Pupils Getting Dividend Pledges Signed By Parents

Signal children are getting to come back to the Edson schools having over the Alberta oil dividend for the purpose of building a swimming pool in Edson this year.

Objective of the swimming pool committee is over a thousand pledges which would make a swimming pool really a reality this year.

Good luck kids.

Kodaks Honored Prior To Departure

Friends of Mr. and Mrs. Esther Kodak and Mr. Esquivel held a party Saturday night at the home of Mr. and Mrs. Gordon. About forty guests were present and spent the evening playing games and with a song song.

Mr. and Mrs. Kodak received a number of gifts which were much enjoyed by all.

During the evening they were presented with an armed basket chair by Mr. Red Gray who expressed the regret of all their friends at their leaving the Edson community.

Mr. Kodak will leave shortly for his new position in Calgary with Mrs. Kodak and family following later. Before setting in Calgary Mr. Esquivel is going to New York for a five months visit with his daughter.

Council Forced To Increase Taxes To 60 Mills

An extra \$18,519.05 requisition over last year from Edson school division made it necessary for Edson Town Council to raise the Edson mill rate ten mills at their regular meeting on Thursday evening.

Mill rate was set as follows:

Municipal	18 mills
Provincial	20 mills
School	40 mills
Business Tax	20 mills
	18 mills

This year's requisition for school purposes amounts to \$61,845.30 compared to \$43,326.30 last year and is the highest mill rate in Edson's history was struck in 1927 when 43 mills was necessary. This was not on a 100 per cent assessment basis, however, and this year's rate of 60 mills is actually higher.

The Council wish to emphasize that this increased mill rate is not because we sold our property plant, but strictly on account of the higher requisition from the school authorities. Council consider that the 18 mill rate for municipal purposes plus the 18 mill business tax will be sufficient to get our town adequate municipal services.

Local Son Dies Wednesday

Arthur W. Edwards, 71, died at the home of his daughter, Mrs. G. Edwards, on Wednesday evening after a lengthy illness.

Last fall Arthur was hit by a vehicle on the highway and had only recently returned from the Cal. Veterans Hospital in Redwood.

During World War II Arthur served with the Canadian Army and was injured in an accident at field, Alberta which was at that time an experimental station for service weapons.

Besides his mother he is survived by one sister, Mrs. Mona Edwards of Regina, S.C.

It is expected funeral services will be held from St. Catherine's Anglican Church at 2:30 Tuesday afternoon.

Latest Count Shows Edson More Than 3000

Edson's official census taken in 1926 has counted no less than 3062 more in this year's than on our town's population growth.

This is an increase over last year when the figure was 11 more of the 2000 mark, and includes the births and deaths right up to last week.

With the count of Edson proper over 3000 and somewhat over 1000 in the surrounding area of Edson, Grande Prairie Trail and East Cross, "Edson, Edson" will mean the doubling the 2000 mark.

No Mass Trial For Local Shoplifters

AN EDITORIAL

Two local ladies asked a man to go into the Provincial building this week, to pick up a car license for three as they didn't want to be seen coming out of the building. The morning the mass trial was being held.

"What mass trial?" "Oh the trial of all those people who were caught shop lifting."

This newspaper has been hearing the rumors and we checked with police and the magistrate and found that there had been NO charges laid for shop lifting, nor are there any pending.

I ask you, will the rumors we find that this is the case, or is it a mass trial consisting of being reported and suggested until it becomes a spectre that could do irreparable damage to the people living here and to business in our town generally.

What's the explanation? As far as we can find out one person was charged in a local store. No charges were laid and the person apologized and that's all that was the thing.

With the prevalence of shoplifting, it's all over, it's the rumors, and do our shopping in local stores, that are becoming increasingly modern without losing the small town, friendly atmosphere that has been an Edson trade mark.

Through the Study Window

By Rev. C. C. Armstrong

Among the articles in the Leader
you can read one calling atten-
tion to the fact that the young adults
of the United Church in the
Alberta, Sunday, April 7, at 8:00
p.m. it was a special day for
that you will place in mind.

A returned missionary from
China has written a small pas-
sage called "New China As We
See It". He has served from
1912 to 1942 and returned in
1943. His pamphlet has been
revised for presenting only the
bright side of New China, but it
is noteworthy that even those who
admit there is much to be said
about the new China about good
features of New China.

"China was indeed latent in
1943 throughout the country, es-
pecially in the South, and the prob-
lem of establishing a competent
government for the vast land was
a task to which many had set
their imagination. To get past
and maintain good order and good
among the five or six hundred
million here and able to a great
big order for any government.

The supreme necessity of good
will and good order of home making
China's situation with foreign
countries of having significant
bury their histories, the Chinese
felt forced to change as they
found closer with whom they
were and readiness to evaluate
those whom they felt in any way
be a threat to Chinese unity.
This explains, in some extent, the
anti-foreigner feelings of the last
revolutionary days.

One significant comment was
made by a Chinese Christian pastor
in Shanghai. He said "We are
not ready to give a positive man-
ifesto. The situation is uncertain
with original politics. We do
not try to mix Christianity with
politics."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

Alberta, Sunday, April 7, at 8:00
p.m. it was a special day for
that you will place in mind.

A returned missionary from
China has written a small pas-
sage called "New China As We
See It". He has served from
1912 to 1942 and returned in
1943. His pamphlet has been
revised for presenting only the
bright side of New China, but it
is noteworthy that even those who
admit there is much to be said
about the new China about good
features of New China.

"China was indeed latent in
1943 throughout the country, es-
pecially in the South, and the prob-
lem of establishing a competent
government for the vast land was
a task to which many had set
their imagination. To get past
and maintain good order and good
among the five or six hundred
million here and able to a great
big order for any government.

The supreme necessity of good
will and good order of home making
China's situation with foreign
countries of having significant
bury their histories, the Chinese
felt forced to change as they
found closer with whom they
were and readiness to evaluate
those whom they felt in any way
be a threat to Chinese unity.
This explains, in some extent, the
anti-foreigner feelings of the last
revolutionary days.

One significant comment was
made by a Chinese Christian pastor
in Shanghai. He said "We are
not ready to give a positive man-
ifesto. The situation is uncertain
with original politics. We do
not try to mix Christianity with
politics."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

THE Homemaker

By Rev. C. C. Armstrong

Among the articles in the Leader
you can read one calling atten-
tion to the fact that the young adults
of the United Church in the
Alberta, Sunday, April 7, at 8:00
p.m. it was a special day for
that you will place in mind.

A returned missionary from
China has written a small pas-
sage called "New China As We
See It". He has served from
1912 to 1942 and returned in
1943. His pamphlet has been
revised for presenting only the
bright side of New China, but it
is noteworthy that even those who
admit there is much to be said
about the new China about good
features of New China.

"China was indeed latent in
1943 throughout the country, es-
pecially in the South, and the prob-
lem of establishing a competent
government for the vast land was
a task to which many had set
their imagination. To get past
and maintain good order and good
among the five or six hundred
million here and able to a great
big order for any government.

The supreme necessity of good
will and good order of home making
China's situation with foreign
countries of having significant
bury their histories, the Chinese
felt forced to change as they
found closer with whom they
were and readiness to evaluate
those whom they felt in any way
be a threat to Chinese unity.
This explains, in some extent, the
anti-foreigner feelings of the last
revolutionary days.

One significant comment was
made by a Chinese Christian pastor
in Shanghai. He said "We are
not ready to give a positive man-
ifesto. The situation is uncertain
with original politics. We do
not try to mix Christianity with
politics."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

But it is enough to avoid "mix-
ing" Christianity with Marxism."

A Great Big Thanks

TO ALL OF YOU

EDMONTON — Municipal councils will have to get into the act if the provincial government's proposed new money facility when for young farmers is to be a success.

The whole scheme hinges on a - operation from municipalities. All towns would be made through Farm Purchase Bonds, which could be established only upon application to the provincial government from a municipal council.

It is not yet known whether money municipalities will want to take part in the program, although Provincial Treasurer E. W. Hume says the plan was discussed with executives of municipal corporations. A major feature is that any municipality which forms a bond would be responsible for 20 per cent of the amount.

The plan is a sort of compromise between a credit union and a straight government loan plan. Any applicant for a loan would have to make a down payment of 20 per cent of the price on the land he intends to buy.

When a transaction is completed, the borrower would make his payments in the form of a mortgage over a period of 20 years, and the bond would divide the money between the government and the lender owner of the farmland.

The bill submitted the government to have \$2,000,000 in a revolving fund to launch the plan. So far, there has been no discussion in the House of Commons on the legislation.

It is aimed primarily at taking care of areas where an offer of money to a farmer would be to him to his own to be another young farmer. Often, the prospective farmer would be able to raise enough money to make the purchase.

Loans won't be granted for any farm which costs more than \$25,000, and applicants will be required to make certain they have had three years farming experience and show average ability. There are safeguards in the bill against anyone taking a loan.

For example, a loan won't be granted unless the borrower feels the farmland involved will produce a return to pay off his debt in 20 years.

In the case of a farm developed along through management, the department of agriculture will not be asked to step in with aid on efficient farming methods. The borrower would be required to sign a statement saying he will follow any advice given.

Loans would be returned to the lender within 20 years, with a provision for the borrower to pay off the loan early.

We Laughed At These

He was laughing on the dangers of food, and with a dramatic flourish he pointed an emphatic finger at a rather harassed-looking audience member and demanded: "What is it? We all eat at some time or another, but it's the worst thing in the world for us. What is it, I say, you know?"

"This little man pondered for a while, then replied nervously: 'A wedding cake.'"

A man looked out the window to see his neighbor busy trying to get the dog to sit up.

"You aren't going to get any results from that animal," called the neighbor. "That's the latest dog I ever saw."

"Just how long is he," asked the neighbor.

"Why, he's a lay-out he would for another day to look and then he would be dead."

"Does your husband try up to the premises he made during his workday days?"

"No, she doesn't. She says he isn't good enough for me and she's been putting it over since."

Grandpa Morgan, a habitué of the office, had wandered into the room and failed to see the words and failed to see the words.

"You're not going to get any results from that animal," called the neighbor. "That's the latest dog I ever saw."

"Just how long is he," asked the neighbor.

GIVE to the Canadian Cancer Society

Letters to the Editor . .

Dear Mr. Editor,
A few comments please.

Why all the knock knock lines when was a \$20 bill just taken from me? I can't see why, since my government are giving away \$1,000,000 they could do it in my favor any other way they are doing.

"You're not going to get any results from that animal," called the neighbor. "That's the latest dog I ever saw."

"Just how long is he," asked the neighbor.

Busy Agenda For Niton H&S Meeting

Mrs. M. Knudsen, Correspondent

On Friday, April 5, the Niton Central Home and School Association held its monthly meeting.

After starting off the evening with a Whist game, the meeting was in order at about 8:00 P.M. with a Roll Call.

There was a discussion on the matter of what games being played before the meeting. An announcement was made on how to use the equipment fund is coming.

"You were very interesting and educational films were shown 'You are a good Citizen' and 'You and your Family'."

The meeting was adjourned at 11 p.m. after which a very delectable lunch was served by the Home Committee.

sent over Home & School of the H&S Convention this year.

An insurance plan for the school children was presented from the School District Board. The rate is 48 cents per child per year and would pay up to \$200 per accident for that child.

There was quite a lengthy discussion on the teachers participating more in such meetings. It was suggested that one different teacher undertake some project at each meeting there are nine teachers and for meetings a year.

The secretary read a letter from Mr. John's Hospital Auxiliary in Edmonton, asking if any of our members would like to join.

Cancer Fund Drive Starts This Week

A call to join forces against cancer was issued last week in Edmonton. Last year 41 projects were underway involving equipment and techniques against this killer. Last year, through the generosity of Albertans over \$200,000 was raised. This year the need is even greater to provide money for research. In new lines through public education; and to relieve the suffering of a cancer patient. During April, which is Cancer Month, everyone has the opportunity of fighting back at cancer with a check-up and a cheque.

While research will ultimately provide the cure, a cure for cancer is being moved into the public eye. People are going to their doctors for prompt diagnosis. Statistics estimate that 100,000 people are now being treated from the disease last year. But the sad fact is another 100,000 will have been treated in time if they had seen their doctors in time. The sad fact is that the majority of the deaths point to the fact that the cancer fund drive is a knowledge of the signs, symptoms and a thorough health examination. This year, the fund drive is carried by the public's knowledge of the signs, symptoms and a thorough health examination. This year, the fund drive is carried by the public's knowledge of the signs, symptoms and a thorough health examination.

Peers Briefs

Congratulations to Mr. and Mrs. John Young who are the proud parents of a baby boy born last Sunday.

A group of friends gathered at the home of Mr. and Mrs. Bill Kinnear who are having for George very shortly.

Mr. J. Adair had the misfortune to have his leg broken in a fall recently; we wish you the best.

We extend a hearty welcome to Mr. and Mrs. D. Townsend and family who have recently taken over the management of the Terra Hotel.

Most of the youngsters are back at school after a week with the flu and what not, leave for the week end.

Little Arthur Nelson visited at the home of his cousin, Mrs. Clark Wilson of Edmonton a few days ago.

Abraham, Egyptian, whom we have known for many years, has been thought to have been busy as a principal in the building field.

Radisson ponders the Pipeline

... der few know the service as the Radisson Bank of Nova Scotia. Whether and wherever your business may be, you will find your local Radisson manager can offer helpful counsel. His ability and training, and the wide and varied experience of the Bank's officers in Canada and abroad, are yours for the asking.

If you seek competent, financial counsel ... under information ... advice on personal savings, understanding of value, or travel funds—talk it over with your Radisson manager. He will be glad to see you.

THE BANK OF NOVA SCOTIA

your partner in helping Canada grow

Get to know the staff at our Edmonton Branch. You will find them helpful and friendly. A. Barr, Manager.

The Edson Leader

The Voice of Edson Community

Vol. 6 Edson, Alberta, Thursday, April 16, 1937 No. 16

The judging of the Teen Queens contest for the annual teen conference, to be held this year in Medicine Hat, took place in the Home Ec. room of the Edson High School, Wednesday, April 14 at 4:30 p.m.

The girls were judged on appearance, personality and activities. Judges included Mrs. H. R. Palfrey, Mrs. R. Mahon, Mrs. H. Palfrey, Mrs. R. Mahon, Mrs. J. Brown, Mrs. W. Wilson and Mrs. A. Adams.

At the speaker's hall held on Friday, April 15, in the high school auditorium, Miss Deanna Remondt was crowned as Edson Teen Queen.

Jasper Glee Club Well Received By Audience

Although the afternoon was far from crowded when the Jasper Glee Club presented their concert here last Friday evening, those who did go were very enthusiastic about the caliber of the entertainment presented.

Lead by their talented director, Mr. J. Hovley, the group of 14 men and 12 women took their audience on a journey to visit the Pyramids of Giza. With a perfect blending of voices in the choruses and quite outstanding performances as the solo members the whole program was thoroughly enjoyable with even the youngsters in the audience sitting still and listening enthusiastically about their favorite performers.

Out of sight but within greatly to the entertainment was Mrs. Janet Hovley who played the piano accompaniment for the concert and for the group of soloists that made up the first part of the program. Their selections were by the entire chorus with two solos and a duet rendered by the Don Combs and Miss Lela Kaye and a song sung by Mrs. Gladys Hovley.

Following the performance and very true to Jasper they were guests of the Edson Craft Center, who had sponsored the concert, in a luncheon in the Home Ec. room at the school.

Former Leader Editor Passes

Mr. C. R. Garrioch, who was editor of the Edson Leader in the past and after 1912, passed away recently in Winnipeg.

The late Mr. Garrioch, who was a well-known figure in the community, served as postmaster.

He was born at Portage la Prieure, Manitoba, and had established a career of prominence in the community of Edson.

Clearing Blocks To Assist In Street Cleaning

Signs are being put up warning vehicles not to park in certain blocks on thoroughfares between 7:00 and 8:00 a.m.

In addition to the signs in the middle of the blocks there will be signs on the road at each end of the blocks as well.

When the proper signs are put up the parking lot will be strictly enforced and the cars towed away when found parked in the prohibited zone during the designated hours.

Demand For Town Lots Forces New Borrowing

Demand for Town lots on water and sewer has forced the Council to arrange for borrowing \$10,000 to meet the continued heavy demand. It was decided at the next meeting on Tuesday evening.

At the present time there are only four Town lots on water and sewer that have not been applied for, for residential building lots.

The situation would be improved from the Provincial Government's revolving fund at 4 1/2 per cent and repayable in 20 years and will be largely self liquidating as the lots are sold and through the revenue from the frontage tax.

Councillors appeared reluctant to have Edson's "debt free" position so soon after the sale of our municipal light plant, but there is no getting around the need for serviced lots and the expenditure is too great to be handled in any year's current expenditures.

Included in the program would be water extensions to residents on the North Road. The bulk of the water and extensions would be in the road end of town north of 4th Avenue.

An order in council from the Provincial Government has been passed setting up a Health Unit for Edson and District.

Effective date of the order was April 1st. Edson member of the Health Unit Board.

The district is to be divided up into five wards with a member from each sitting on the Health Unit Board.

Glenwood And District Getting New Fire Truck

After negotiations with the Department of Municipal Affairs, the Glenwood and District Fire Department has been successful in securing a new fire truck.

It is understood that the new truck will not only be used for fire fighting but also for other "fire" services around Edson.

The people of Glenwood through their Community Club have undertaken to provide a building for the truck and to keep it in running condition and available for fire service.

It has been decided by the Club to have a special meeting in the Glenwood Community Hall to call together all taxpayers in the subdivisions to organize building of a fire hall, as the Department is applying the fire unit and the building is up to the subdivisions.

Any donations, labor or material would be greatly appreciated.

An open meeting will be held in the Glenwood Hall on Wednesday, April 16th at 8 p.m. Come and support your own interests.

PRESIDENT MELVIN SOLT, of the Glenwood and District Fire Department, stands beside the new fire truck, which was raised by members of the Community Club during the recent bottle pick-up campaign.

LAST YEAR 130 ALBERTA CHILDREN died as the result of accidents which could be attributed to neglect on the part of some adults. Building, self-defense, motor vehicle and boating accidents and drowning all added to the total. Above students of an Edmonton school provide a shocking commentary of the total number of children killed by adult neglect in this province last year.

The Alberta Department of Public Health is sponsoring a campaign in the Province to emphasize the necessity for public action by individuals and communities to check these preventable deaths. Cooperation in the campaign which opens on Child Safety Day, May 5, is a large number of community groups across the province.

H & S Convention For Alberta Being Held May 8

The Alberta Federation of Home and School Associations, Inc. and School Associations, Inc. will co-sponsor the annual convention of the H. & S. Association of Alberta, Inc. at the University of Alberta, Edmonton, May 8th to 10th. The convention will be held at the University of Alberta, Edmonton, May 8th to 10th. The convention will be held at the University of Alberta, Edmonton, May 8th to 10th. The convention will be held at the University of Alberta, Edmonton, May 8th to 10th.

Valley Businessmen Get Equal Vote On C. of C.

Members of the Hinton District Chamber of Commerce gave unanimous approval at a meeting held last Thursday in the Timberland Hotel, to a motion calling for equal representation of merchants from the A. V.C.C. shopping area on the Chamber's executive.

Members of the Valley Businessmen and Professional Association, an organization formed recently to represent merchants and professional men of the A. V.C.C. shopping area, attended the Chamber of Commerce meeting in a body.

Following the acceptance of the motion, a vote was taken on the matter. The motion was carried by a large majority.

Green Acres . . .

By DICK SOCCING

And rather and right from the time assembly for this type multi-purpose farm buildings have been "open houses" for the farmers. And all the while, the farmers all over the country are busy building and erecting them. They are a farmer's dream come true. Builders bring them to the farmer's door, and the farmer's dream is a reality.

In order, they compare very favorably with other types of buildings. Because of their freedom from pests and parasites, they are easy to maintain. For instance, the building may serve the purpose of poultry storage, hay storage and drying, grain storage or livestock housing. With a few additions, such as additional lighting, ventilation, etc., a dairy barn, long colony house, or poultry house emerges. Such a changeover may be just what is needed sometimes in the future.

One new building on a 30-acre farm is being worked on by Simpson's-Sears. It is about two weeks complete. It is about two weeks complete. It is about two weeks complete.

Vol. 5 *Edson, Alberta, Thursday April 25, 1962*

Y: _____

At the time of National Klammen Week which slipped by this month without too much fanfare in this area we were tempted to write a piece about what a fine job the Edison Klammen are doing in this community in the way of service work. But being a member of the outfit ourselves was a little modest about doing so.

The quotation below from the front page of a recent issue of the *Waldwright Star* Chronicle puts our thoughts into words and every bit of it would seem to apply here:

"Why have the Kamenen in Westmart been such an asset to the community?" "Why have they succeeded at everything they have started?" "Why have they been so successful?" "What a wonderful community service!" Here is the answer in a nutshell. The Kamenen family operates a business that gives the community leadership on community projects.

"At the meeting held on Monday evening there were 30 people present out of a possible 30. Most of those who were absent were more or less excused. The 30 who were present were more or less excited. And here's what they did. . . . Each one of the 30 who were present agreed to turn over his share of the \$50.00 oil royalty designated to turn over to the Kamenen Group Project. That's fine lead, folks. . . . The Kamenen group Project, which is the name of the fund, is a fund that is set up to put up a lot of the cash out of their own free support at least in the beginning. . . . The Kamenen group support at least in the beginning is a measure with which they are doing themselves."

"There's a lot of things that the Kamenen group will be doing. . . . A reality. Any support that the Kamenen group will be doing will not be wasted. They have started a lot of things. . . . They are a fine style themselves. When they call on you for your donation, they are not asking for anything. . . ."

"We have been asked to inform our readers that the above was written by the Editor of this paper and not by a Klansman. We'd like to say that we are proud to have as one of our worthy friends R. K. Klansman, Canadian, and offer to match the \$25.00 we receive from the provincial government with another \$25.00 from our own province's government to help pay the swimming pool at the swimming club. The amount collected for the Swimming Pool at this campus."

Eduard Klansman has pledged their dividends for the school fees. In addition the school children have been returning pledges signed by their parents. Over 300 pledges have been signed since last summer are expected.

Let's show our sister towns that we are even more economically minded than they are.

Nigro Family Honored Prior To Leaving For City

to their meeting on Tuesday of this week to make their home in Edmonton. Mr. and Mrs. Nigro were the honored guests at a number of get-togethers where their friends had a chance to say their farewells and to meet their new neighbors.

DOUG McKEITH

Local Son Receives Wings

Robert G. Bolton of Edson, Alberta, has been selected to receive his commission and Observer air interception wings on April 18.

Robert moved to Edson with his parents, Mr and Mrs. G. V. Bolton, several years back and finished his schooling here before going on to university.

He had been in the air cadets at Boyle and also the army cadets here at Edson. Congratulations.

Auxiliary Dance Well Attended

The last Monday dance sponsored by the Women's Auxiliary of John's Hospital was a decided success with around \$150 being realized towards welfare work and the scholarship fund. For the occasion the Legion Memorial Hall was beautifully decorated by Mrs. Nora Nakamichi with huge beehivebanded bouquets of pussy willows. Mrs. M. Burleigh acted as m.c.

Thanks are extended to everyone who helped to make the event a success.

for admitting breaking into a town garage here, two men were sentenced to one year's imprisonment by Magistrate Dupre at the police court last Thursday.

The two, Roger McDonald and John Garlock, were chased from the city by police who saw them carrying a set of town tools from a panel truck early March 28, 1934, and arrested them in the city.

Their sentences were to run concurrently with other sentences imposed by the city courts.

Heavy Year For Housing Indicated Again This Year

At the meeting of the Town Council held Tuesday April 16, is any indication this year will see another heavy construction record for residential housing. Due to four serviced residential lots, the Council had to do something about the problem and came up with a \$40,000 program for extending services in the east end of town above 4th Avenue.

Indicative of the potential demand for residential lots was one from a well-known "Tool push" for an earth-drilling company who is looking forward to permanent locating here. Watch Edson grow!

Influx Of Men Need Accommodation Here

Combination Here

With the building of the auxiliary pipe line along the route from the main line to the Fram Mountain, which was built three years ago, the main line is insured by transient workers who will be here for the winter. The company is now planning to build on the other and the progress made on the line.

All of these men will be looking for places in the four or five miles from the main line.

The biggest percentage will be single men who will be looking for rooms with or without board. Many of them will be looking for places to live, and their families or housekeeping rooms will be looking for houses, and their families.

The building of the married men arrive here the middle of the month, and the building of the married men will be working now in the Lumber office working if no other work is available.

Anyone having money to spend on a house to rent in the place may take advantage of the low cost in the lumber office. Let them know that they have available a house to rent. The building of the married men will be reduced before it even gets in the paper, but that just goes

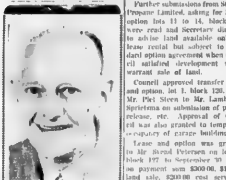

Looking Into Forming Highway 16 Ball League

A meeting of representatives from towns interested in forming Edson town baseball league is being held at the Edson town hall, 111 Main street, on Thursday, April 25, at 8 p.m. The league will be formed in the fall, and it is hoped that representatives from all towns in the area will be present. The league will be a new one, and it is hoped that it will be a success. The league will be a new one, and it is hoped that it will be a success.

Calling All Pony League Ballplayers

Edson town and North town pony league ball teams are being formed. All boys are invited to join. The teams will be formed in the fall, and it is hoped that they will be a success. The teams will be a new one, and it is hoped that they will be a success.

Although it is a doubtful whether a league can be formed, the teams are being formed. The teams will be a new one, and it is hoped that they will be a success. The teams will be a new one, and it is hoped that they will be a success.

RALPH GOULD

For Your NEAR BY THE IVY LEAFERS BY W. R. HINGSTON

W. R. Hingston will talk at 8 p.m. on Thursday, April 25, at the Edson town hall. He will talk about the Ivy Leafers, a new organization. The Ivy Leafers will be a new one, and it is hoped that they will be a success. The Ivy Leafers will be a new one, and it is hoped that they will be a success.

Edson town and North town pony league ball teams are being formed. All boys are invited to join. The teams will be formed in the fall, and it is hoped that they will be a success. The teams will be a new one, and it is hoped that they will be a success.

Letters to Chris . . .

Dear Chris:
I am 18 years old and dream
about in love with a wonderful
woman five years my senior (or
reverse she does not know my
name but many times I feel like

and to open my heart to her.
Don't you think that were love
and above were are not at
all important? Should I tell her
how I feel?
Romeo

Dear Chris:

Your love sounds strong enough
to wait a few years. By that time
maybe your Juliet will still be
in love with you.
Chris

Dear Chris:

If you are both making a man
out of something that is not possible
at all, what will it be when the
real problems of marriage come
along? Maybe that is why I feel
you are not serious. However, since
you are determined to be childless,
I think it should be the bride's
problem to get the groom to wait
a few years.
Chris

Dear Chris:

Ever since Jim and I were
very young, we have been in love.
I was very unhappy
being alone so much as I got a
job to be near my working and
when he comes home we spend
most of the time together. I feel
I should get his job and
find something that would take
him away almost every week. He
claims he likes his work and I
shouldn't be so selfish. Who is
right?
Mary Ann

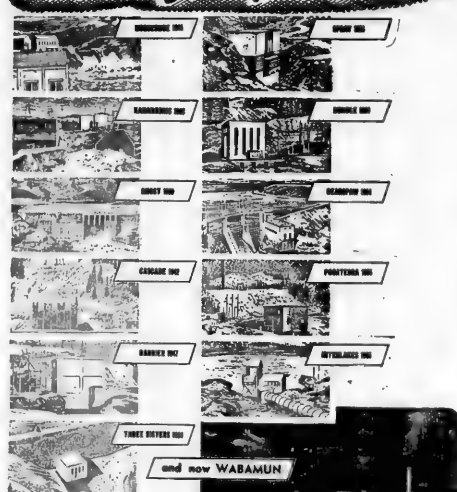

Dear Mary Ann:

Neither of you are right. Mar-
riage is a human partnership
where you have a certain feeling
and each other's responsibilities. A
husband and wife must be pre-
pared to give as well as take.
Perhaps if you take a part time
job that will not interfere at all
with your married life, she would
consider leaving for a job that
would let him spend more time
with you.

Dear Chris:

All letters to Chris should be
directed to Box 100, Mississauga.
Chris

In the Light of Progress

The new \$8,000,000 Wabamun Power Plant is the 17th built by the Company.
The initial unit, now operating, makes available another 88,000 h.p. to meet Alberta's rapidly growing electric power needs. It is capable of producing over 1,700,000 kilowatt hours per day.
The second unit, to be commissioned in 1938, will add another 88,000 h.p. The third and largest unit, scheduled for installation in 1940, will add a further 200,000 h.p.

CALGARY POWER LTD.
HELPING TO BUILD A BETTER ALBERTA

Tips on Touring

By Carol Lane

Material is a
necessary gadget
needed. To keep
these happy, the ac-
companying instructions
are here to help you
with new ideas just in time for
the summer tourist season.
The adjustable comfort cushion,
for driver or passenger, is designed
to help you relax more on a
trip. It is made of durable fabric
from rubber, is scientifically shaped
to fit your back and
drive in complete comfort for
hours. If you're a passenger, put
it behind your neck, back and
take a nap.
Come back home, you may welcome
shorter ferry trips and more
convenient. Their wonderful protection
for your car upholstery against
damp stains, stains, stains or
ferry's part. If you're planning
a trip (and who isn't these days?),
the map measure compass can be
a big help. Just roll the tape wheel
of the watch along gauge over the
map route, you're taking and it
automatically tells the exact mile-
age.

Since I travel over thousands of
miles each year, I recommend you
to make car travel more for the
woman and her family. I realize
that a few changes of my own.
One of them is a checkbook
that's available and made of heavy
rubber. For travelling on the
road, it is especially kind of a
disposable umbrella that serves a
double purpose. After you finish
your lunch with it, it quickly turns
it can be used as a towel.
There are but a few of the many
convenient items that I have
all designed to make your touring
more enjoyable and more con-
venient.

The first use of these in-
novations is the International
convenient and heavy travel kit
with assignment of each unit to
the "Car's" "Car's" "Car's" on
its daylight run from Chicago to
Toronto.

Wabamun Power Plant Helping to Meet Alberta's Increasing Power Needs

The \$8,000,000 Wabamun Power Plant is the first
new steam plant to be built and operated by Calgary
Power Ltd. It represents an important part of a con-
struction program being carried out by the Company to
meet the power demand in Alberta. The plant, in-
cluded 25 miles east of Edmonton on the shores of Lake
Wabamun, was completed in October 1936 and took two
and a half years to build. It has an initial generating
capacity of 88,000 kilowatts. By 1940, its capacity is
expected to be 166,000 kilowatts.

Plans for future plant extensions
are also being made. The \$1,750,
000 extension at the Grande Prairie
plant will double the output
from 18,000 kilowatts to 36,000 kilowatts.
Extension work scheduled
for completion in 1938, at the
Ferry and Bonanza plants, will
add another 12,000 kilowatts. The
total of 1938 the Company's hydro
capacity will be 120,000 kilowatts.
The Company's total generating
capacity will double in the next
five years.

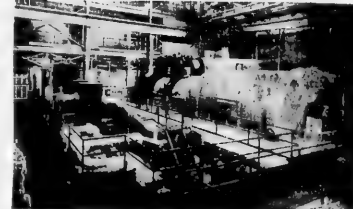

The Wabamun Power Plant
constructed to meet the base
load needs of the Company's ex-
isting stations where hydro
has been supplemented where the
demand of the Lake Oiler plant
is 1937. With the Wabamun
plant handling the base load,
hydro plants will be extended to
meet peak load demands. Hydro
plants are flexible in operation.
They can be brought on an off
the line within minutes without
significant loss of efficiency.
Thermal Plant Operations and
Wabamun

In recent years thermal plants
have become larger, more efficient
and more economical to operate,
particularly if low cost fuel is
available. As a result they are
well suited to handle the base load
requirements of both thermal and hydro
plants, into an integrated supply
system, power can be produced at
the lowest possible cost.
The fuel used in the plant, in
general, is natural gas from the
Alexander field, thirty miles
northwest of Wabamun. Every 24
hours 18,000,000 cubic feet of gas
(equal to 1,800 tons) is burned in the plant's
two very high steam generators.
The plant was located at Wabamun
because of the abundant
supply of cooling water from
Lake Wabamun and its proximity
to established power lines. It
has been built to accommodate
the equipment necessary for
conversion to coal.

The load growth on a power system is recognized as an ever-
present and growing problem. For
example, since 1906, the demand
for power on Calgary Power Ltd.'s
system has increased as follows:

	1906	1936	(Approx.) Increase
Coal Industry	15,327,762	28,645,686	89 per cent
Oil Industry	16,046,102	167,697,088	950 per cent
All Secondary and Manufacturing Industries	777,964,061	322,661,218	90 per cent
Total Industrial	202,338,926	498,328,886	146 per cent

The load growth for all industries
in the Edmonton area has increased
160 per cent since 1931, from 13,
462,000 kilowatt hours to 22,356,
488 kilowatt hours.
Another example of ever in-
creasing demand is the growth of
the electrical industry in the pro-
vinces. Since 1906 the power de-
mand for this industry has grown
from 18,000 kilowatt hours to
78,000 kilowatt hours in the
case of 328 per cent. In Alberta
the power demand in the province
in general, found it more econom-
ical to produce power than to im-
port it from elsewhere.
Alberta needs more industry
and more people if her coal re-
served resources are to be success-
fully developed to the advantage
of the province and to Canada
as a nation.
70 per cent of the crude oil
marketed in Canada comes from Al-
berta. The province's "black gold"
is estimated at forty-eight
thousand million barrels, or ap-
proximately 48 per cent of Canada's
total reserves. It is one of the
world's coal reserves. This pro-
vince is rich in hydroelectric natu-
ral resources and is a large natural
gas reserves in the world. The
hydro systems have a remaining
hydro potential estimated to be in
excess of 2,500,000 kilowatts.

Calgary Power Ltd. — Wabamun Power Plant
88,000 h.p. steam turbine and generator, weighing 350 tons, is capable of gener-
ating 71,000 kilowatts. Operating at 3600 r.p.m. the turbo generator changes
heat from the steam into electrical energy at the rate of 9700 k. v. h.p. per kilowatt
hour.

Calgary Power Ltd. — Wabamun Power Plant
The \$8,000,000 Wabamun Power Plant stands on a deposit of stippable coal that
is in excess of 80,000,000 tons. The plant burns natural gas at present, but is
designed for conversion to coal.

Coming Events

SATURDAY, MAY 4 — Father's Day. The Father's Day Group will hold a Mother's Day tea and baby sale.

MONDAY, MAY 6 — Ladies Auxiliary to the Canadian Legion will hold their regular meeting starting at 8 p.m. All members are requested to attend.

TUESDAY, MAY 7 — Edson PTA Local 589 will hold their regular monthly meeting in the 1033 1/2 st. starting at 8 p.m.

WEDNESDAY, MAY 8 — The

Red Cross Blood Donor Clinic will be at the Legion Memorial Centre from 2 to 5 in the afternoon and from 7 to 9 in the evening. All who are able to donate are urged to make an effort to do so.

WEDNESDAY, MAY 8 — Mother's Day. The Mother's Day Group will hold their regular meeting starting at 8 p.m. All members are requested to attend.

THURSDAY, MAY 9 — The

Edson PTA Local 589 will hold their regular monthly meeting in the 1033 1/2 st. starting at 8 p.m.

WEDNESDAY, MAY 8 — The

McLeod Valley 4-H Grain Club

PAUL MALCOLM, Reporter
The McLeod Valley 4-H Grain Club held their regular meeting on Friday, April 26 at the home of Paul Malcom with twelve members present.

Mr. Tom Haddock acted as chairman for the evening.

The meeting was opened by the members reciting the 4-H pledge.

After a long discussion it was decided to hold a dinner at Paul's home on May 15th and that evening and pay for the members.

After a few games of bridge much was said to close the evening.

The next meeting will be held at the Hamilton home on Friday, May 17.

THE Homemakers

JOAN MORGAN, Reporter
The Homemakers held their regular meeting on Friday, April 26 at the home of Joan Morgan with twelve members present.

Mr. Tom Haddock acted as chairman for the evening.

The meeting was opened by the members reciting the 4-H pledge.

After a long discussion it was decided to hold a dinner at Joan's home on May 15th and that evening and pay for the members.

After a few games of bridge much was said to close the evening.

The next meeting will be held at the Hamilton home on Friday, May 17.

Green Acres . . .

By DICK DOCKING
Much more barley is being raised in the Green Acres section of the province than in any other section. The reason for this is that the soil is so fertile and the climate is so favorable that the crop grows so well. The Green Acres section is the best place to raise barley in the province. The soil is so fertile that the crop grows so well. The climate is so favorable that the crop grows so well. The Green Acres section is the best place to raise barley in the province.

Mercurial fungicides are highly recommended for the control of rust or covered areas of wheat, from severe winter wheat attacks. In applying seed dressings in a very low rate that time and rate factor be considered. When rain falls, the seed will be washed away and that may be treated at least 10 hours before it is sown, and barley 8 days before it is sown. There are also a number of non-mercurial compounds on the market today as seed treatments but these are recommended only for treatment of wheat or standing wheat. For example, the use of fungicides is still recommended, but it is not recommended as it is likely to reduce germination, particularly in the case of wheat. Where winter wheat is a problem, seed dressings may be used. These compounds are available in a number of forms to control seed-borne diseases and bacteria or adults as well as to control seed-borne diseases. The seed dressings will provide protection for the seed and the plant. The seed dressings will provide protection for the seed and the plant. The seed dressings will provide protection for the seed and the plant.

FERTILIZER TIPS from 'EARNIE'

BUYING HAY IS EXPENSIVE... BUT I HAVEN'T ENOUGH GRASSLAND TO CARRY ALL MY STOCK.

ELEPHANT BRAND WATER SOLUBLE FERTILIZER WILL GROW MORE FORAGE!

People Outside Town Need Permit For Fires

The clean-up and trash burning further: "Any person who during the close season sets out fire for the purpose of disposing of waste or debris—otherwise than in accordance with this Act—shall be guilty of an offense and liable on conviction to a penalty of not less than Twenty-Five Dollars and not more than Three Hundred Dollars and costs, and in default of payment to imprisonment for not more than sixty days."

Part of the job of a Forest Officer is the enforcement of these Regulations. If, as required, a farmer obtains a Fire Permit before burning, the location on which the burning is to be carried out is notified to all Look-out towers that will be able to spot the smoke. Then, in the event that the smoke is sighted, all personnel concerned, Ranger, Edson Office and Look-out men know that this fire does not need to be investigated. Of course, in the event that the fire appears to be getting out of hand, it may be necessary to take action in order to prevent loss of timber or buildings.

"The land on which the fire is burned must be completely surrounded by a fire-guard consisting of land covered with snow or water, or ploughed land—not less than thirty feet in width. Such fire must be guarded during the whole period—by three adult persons provided with proper appliances for extinguishing fire." And

Red Cross Clinic Here May 7

The Red Cross blood donor clinic will again be calling on Edson on Wednesday, May 8 and the local branch are asking Edson citizens to be sure and be in attendance to donate some of their life giving blood.

The need becomes greater as the time for blood plasma runs low. Many of our own boys and district people have been able to take advantage of this free blood service and know the true worth of the blood donor clinic.

Be sure to be at the Legion Memorial Centre next Wednesday afternoon from 2 to 5 or in the evening from 7 to 9 and give a donation of blood to save a life that could be your own or that of a member of your family.

Mr. and Mrs. Orel Thompson have returned from an Easter week trip that included visits to Eastern Canada, the States.

Mr. and Mrs. Ken England are the parents of a baby daughter, born last Friday in St. Edmond's hospital.

RALPH GOULD says
Sparkling
NEW FOR SPRING
LUSTRE TONES

Yes, there is something new in fabric for Spring. Lustre tones add a new dash and flare to your new Spring suit. They are featured in the W. R. Johnston range in a wide selection of brilliant, long patterns overlaid on smooth, rich weaves. Let us show you a real thrill in selecting and design. Lustre tones have the glowing effect that adds the final touch to a well cut, well designed garment. Come in and see them today. You'll be convinced with what has been done with fabrics this Spring.

The Edson Leader

The Voice of Edson Constituency

Vol. 5 Edson, Alberta, Thursday May 10, 1951 No. 10

Fire Chief Has A Fire

One for the books was the call answered Wednesday afternoon in Fire Chief Ted Samson's residence on 4th Ave. E.

The blaze apparently started in the upper shelves in the kitchen and caused considerable smoke damage to the Samson's newly decorated home.

Firemen's Ball Huge Success To Help Pool

The proceeds from the annual Firemen's Ball were turned over to the Swimming Pool Fund this year and thanks a corporate work by all concerned will be more where in the neighborhood of \$400.

One of the events of the late winter must mean, the Firemen's "do" usually goes toward the Swimming Pool for Edson's Fire Co. 1, however, which has, within brief time to help firemen, but more frequently has gone to other fire victims.

Elsewhere in this time the firemen officials, thank the ticket sellers for their time and the ladies for the ball.

Another example of how every one in the community has made its mind up having a swimming pool in this district is the verified pool sale moment.

"UNCLE LOUIS" returned to the place where he started to counter the role of the latterly grandsons in all of Canada on Monday afternoon when the Prime Minister climbed down from his coach behind the 4th Ave. with a good representative crowd of Edmonstons and especially the head children who crowded around him to the exclusion of more senior citizens.

as the Leader photo shows clearly shown.

Speaking from the midst of the pressing crowd, Prime Minister St. Laurent gave an "impromptu" talk on how democratic people change who shall govern their country.

Laibing 30 and fairly Mr. St. Laurent gave every indication of being able to carry the head of the chief minister's office for another five years.

Little Calvert Meade (lower) shown being held up for the camera by Mr. St. Laurent, presented him with a bouquet from Edson and Miss Betty Shindler managed to get through to him with a gift.

There was no indication of the representatives the P.M. apparently experienced at Edson where a teacher made the head

Robert Clark Wins Fine Arts Course

"HIGHER EDUCATION" These students took place in a speaking contest sponsored by the I.O.O.F. and the local ladies for North in Alberta held on following last week.

Clark will win a \$100 prize which will be given to him by the I.O.O.F. and the local ladies for North in Alberta held on following last week.

Eliminations were held in Edson last month and runner-up Miss Olga Paschuk also went to Edmonton with the future contestants and received honorable mention for speaking ability.

Contestants were chosen for their interest in community and world affairs, scholarship, cooperation and leadership.

The chairman, Mrs. Cameron stated the contest was to help promote world-wide peace through a belief in a universal brotherhood. Contest judges were Mrs. A. H. Ashberg, minister of education in Alberta, Dr. Oliver Fisher of Calgary and Chief Constable M. F. E. Sullivan.

ROBERT CLARK who won second place in a public speaking contest sponsored by the I.O.O.F. and Edmonstons ladies in Edmonston last week.

Jury Returns 'Open Verdict'

An item of in the death of Mr. John Donald near Fort, held in the Court House in the Provincial building on Wednesday returned an open verdict that the deceased had come to his death from a "fall" or wound.

Foreman of the jury was W. J. Thorne, with M. Crossman, E. J. Houlden, C. H. Taylor, J. Snow and A. J. Smith as members.

As a result of the shuffling of the two components of the jury, the two components of the jury were consisted of about 100 on Sunday and one of them was consisted of holding out of court.

There was no indication of the representatives the P.M. apparently experienced at Edson where a teacher made the head

there with the statement that children should not be forced to see a man who is just another political candidate.

To see the words of Council for R. D. Meade, a former CCF candidate and principal at Edson High School as quoted by the pressman on the train. We thought the children should have a chance to see their Prime Minister regardless of politics.

TOWN OF EDMONTON Notice Of Local Improvement

TAKE NOTICE that the Council of the Town of Edmonton intends to undertake a local improvement project consisting of the construction of a sewer main, manholes, etc., and that the cost thereof is to be charged as a local improvement on the property benefited. The property benefited is shown on the plan filed for record in the office of the City Clerk of Edmonton, Alberta, under the name of the said improvement project at an annual cost per foot of frontage of 15 cents per foot to be payable for a period of 10 years.

BEAUTIFULLY BRIGHT and yet radically recent, the interior of the new Christian Reformed Church (107) is a startling example of what a determined congregation can do to build a place of worship in a matter of months. One of the most colorful from Edmonton, the Rev. J. R. Plummer is caught in the midst of this "revival" for which, in the new look, finished in clear natural plywood, something the inside of the building gives the effect of airy modernism, complemented by the clear finished pews and modern lighting.

Building committee chairman H. Greenwood (bottom) presented this key for the new church to the Rev. J. Plummer as part of the ceremony of dedication which took place on Wednesday evening, May 1.

Through The Study Window

By Rev. C. C. Armstrong
The Prime Minister passed through our lives the other day. He was a bit longer than we expected, due to the delayed arrival of the "Westminster" train for such a notable dignitary, in marked contrast to the practice in a totalitarian country, the regular train schedule were maintained. It helps us to keep faith in democracy when all and sundry are governed by the discipline and in the interests of public safety.

Of course, after a time we had a servant called a valet, hence the name "the man in a livery to his valet." The great and good all demand in this time or so approach to them. "A valet is not without honour except in his own country, and among his own kin, and to his own house."

The valet, though for me, serves as that much of this shirk age is due to faulty observation rather than the defects of the personality being scrutinized. Now become better, because they have certain qualifications for that position, and every time they meet them, who "know them too well" and stand afar off, or, at least, just to keep proper perspective.

When John Gunkle returned Albert Schweitzer he noted certain indications of the human frailties of this great man. But it is a tribute to Gunkle that he was away, profoundly impressed by his personal close-at-hand to service with one of the greatest souls of our generation. Wolf gang Lindbergh was captured at his death but multitudes of men and women have been delighted by his example, melody. Distance reveals enthusiasm quite as often as it leads to the view.

Leader Sports Review

EDSON LEADER — page 12 By Ken McKee

What Is The EAAA?

The Edson Amateur Athletic Association is incorporated under the Societies Act of the Province. The only purpose of this Association is, as stated in its Charter: "Promotion of amateur sport in Edson and district."

None of the officers or directors of this organization receive remuneration of any kind at any time. Each serves with one idea in mind — to help promote amateur sport to the best of his ability.

The Association can get along without your support but it can do a better job with your help. Financially the Association does not wish to make a profit, and for that reason is turning everything others operating exclusively in the Edson Swimming Pool Fund after the daily first sports day — always the Association's big first promotion.

Yes, the Association can get along without you, but the question is can you get along without the Association? If you take part in, or watch any amateur sport locally, the answer is no!

Membership in the Association will cost you \$1.00 if you are over 21, \$0.50 if under 21. That is not what counts. Anyone can afford a dollar, and in any event it will be turned over to the Swimming Pool Fund. What really counts is that joining the Association will give you a voice and a vote in amateur athletics in Edson.

It is true — too many — to list back and criticize the people who are running things. But if criticism is to be constructive it must be accompanied by action. None of the Edson Amateur Athletic Association's officers or directors in Edson doing anything about amateur sport, with the exception of the Ladies' Boys' Bowling Club, is logical in assuming that any action to better amateur sport can best be handled by and through that organization. No it follows that you can't afford not to be a member.

Mr. Peter Nordink in the Town Office or Ken McKee in the Provincial Building for your membership, and you will be doing yourself and amateur sport a favor.

EAAA Executive Plan Big July First Sports

The Edson Amateur Athletic Association will take planning, organization, and execution of the first sports day, work and money, preliminary planning work.

In previous years, the bulk of the work has been shouldered by a few willing souls while the rest sat back and watched the show without lifting a finger. The same thing may happen again this year, and if it does the sailing will probably carry on as usual.

With the Kinsmen agreeing to make the EAAA plans to make this year's sports day bigger and better than ever. This is a new thing, but doing it is another thing.

Unsolicited Donation Swells Swimming Pool Fund

A cheque for \$25.00 towards the Swimming Pool Fund came in, unsolicited, from Mr. R. Parton, of 2155-9, 32nd, Vancouver, this week.

This is the type of donation that really heartens the volunteers of the volunteer committee. Many people are getting behind the community project.

Flowers of Alberta Old Drivers are still looking in through the schools and direct to the Kinsmen committee.

For those who have been wondering — there is no such thing as a free lunch. It is a fact that it would be nice to know they are in and on life, are the committee.

The donation committee are planning a house-to-house campaign for old drivers and those who have not yet donated will be having from the fundraising members of the swimming pool fund.

Letters to the Editor . .

Editor, Edson Leader.

Re Ladies' Mirror

A reward offered through the medium of The Leader would be in order and presumably prove

side in appreciating the verbal skills of the writers, who have been offered by a lot of time and a hope of reward by breaking into and smashing windows.

This letter is a disclaimer in evaluation and a reflection on this letter as well as a reflection on the day in a great holiday and

and all.

This is an unusual policy and a writer was to participate on their own initiative. An injury to all, especially a financial one. Many of these writers have been given up by that they feel the special conditions of being physically defective and have no other means of making a living. If they suffer other ailments, refrain from taking it out on their financial situation, but perhaps not knock on their door.

Patience, George Griggs

April 27, 1967

Dear Editor,

Seventeen years ago, when we moved up on the Grande Prairie Trail, it was indeed a great only and remained so for quite a number of years.

Mr. George Griggs told later, as we approached the town limits, by the way the road was, worse, and so it proved.

Just take a trip up the Trail. If your car is new and clean, you won't get as far as further than New Grange and it will change to what is a nice muddy one.

By following the Trail shop in town, so why don't you town fathers make up to the fact that we like a road to drive on instead of walking to one like has every time we hit the town limits.

An old resident

Edson Girls Win Awards In Swim Classes

Two Edson girls, Misses Joyce Griggs and Rose Marie (Dumais) were among the many Northern Alberta young people who attended the Red Cross instruction in swimming and water safety which took place during Easter week in Edmonton.

The participants in the course were kept busy every day with a heavy schedule of instruction that started at 8 a.m. and went right through a busy day until 8 p.m.

The results of the course for our Edson girls were that they received crests and pins for their participation in the course and at the Edson H&S Centre Night held on May 2 were awarded their certificates. Certificates for the president Mrs. Mae Parton.

The girls were sponsored for the week of instruction by Dr. H. J. J.

will be held at Bear Lake this summer. At the time an instructor will be in attendance from Red Cross House in Edmonton, who will be assisted by Joyce and Rose-Marie.

Craft Centre Sponsoring Art Show

Friday the 17th will be a lucky night for children or young youngsters who will be taking part in the Art Competition, to be sponsored by the Edson CCA.

The children's art will be displayed along with the adult entries, ceramic, pottery, copper and leather work.

We hope the evening will be both entertaining and educational.

There will be a drawing of a prize (a set of tools) for the best entry.

One of our own men will act as an on the spot water color. If you have ever this before for you will be anxious to see it again.

Mostly numbers and there are plans to round up the evening. Let us see your program will be the presentation of prizes to the winners of the art competition.

Cartier copper and Canada

As Jacques Cartier sailed into the welcome, quiet waters of Baie des Chaleurs in 1534, he and his men caught their first sight of Indians on the shore . . . and their hands involuntarily clasped the copper-glittered weapons at their sides.

The gesture was symbolic, though they knew it not. For some 400 years later, amid the vast virgin forest, was to rise the Cape Copper smelter

. . . a new source of work and wealth for Canadians.

L. B. Pearson Not Coming

Even disappointment is being expressed this week at the word that Minister of Exterior Affairs, the Hon. Lester B. Pearson is not coming to visit in Edson as scheduled on May 28.

An afternoon meeting had been arranged where they will begin a seven month internship in a hospital there.

Mrs. Frank Burrier and children are visiting at the home of her parents, Mr. and Mrs. F. Doherty.

Interning In Coast Hospital

Miss Evelyn Giesler and Miss Nancy Truett of Vancouver who had been spending a few days in Edson with Giesler's parents, Mr. and Mrs. George Giesler, received word last Friday that they had both passed their exams in physician therapy at the University of Alberta.

The girls left Saturday for Vancouver where they will begin a seven month internship in a hospital there.

Mrs. Frank Burrier and children are visiting at the home of her parents, Mr. and Mrs. F. Doherty.

Edson Locals

Mr. and Mrs. Stanley Chapman and family of Edmonton spent the weekend at the home of Mr. and Mrs. J. B. Brown. Also at the home were Mr. and Mrs. Brown's mother, Mrs. George Brown, from Edmonton, who will be here for an extended visit.

Mr. Stan Brown has been held during in Toronto for the past two weeks.

Miss Freda Brown is in the hospital at the home of Mr. and Mrs. A. B. Brown. Mr. Brown is a brother. Mr. John Brown, wife and baby, from Kimberley, B.C.

Mr. and Mrs. L. Halliday and family were accompanied by Mrs. L. Cullen and children when they returned to Edmonton last Saturday.

Mr. and Mrs. A. E. Johnson of Halkirk and Mr. and Mrs. Gordon Johnson of Edmonton visited at the Gordon Johnsons in Edson this week.

Mr. and Mrs. J. E. Johnson (Mrs. Giesler) of Red Deer, are the proud parents of a baby son, born May 5.

P.C. Leader To Stop Here

The national leader of the Progressive Conservative Party, Mr. John Diefenbaker will be stopping for a few minutes in Edson on his way through at 11:00 a.m. Saturday, May 28.

The local Conservatives are anxious that on many people as possible get to see the national leader and representatives similar to those for the Prime Minister are being planned.

The Edson Conservative Association headed by President Ed Diefenbaker are the first to open campaign headquarters here. Their rooms are situated in the 1000 hall and others are welcome.

Your garden will be a showplace of beauty — your lawn a thick, rich green carpet. RX-15 will work this magic for you right now even if your soil is undernourished.

MAKE THIS 7-DAY TEST — Satisfaction Guaranteed Or Your Money Back

Double a package of RX-15 to garden of lawn and sprinkle the leaves of your lawn right on your lawn. It will take you only 10 minutes — it's so easy! It actually will take you only 10 minutes, as the RX-15 does it for you. It will make your lawn grow green and thick in 7 days.

RX-15 Miracle Applicator

A simple attachment for your lawnmower. It is used to apply RX-15 to your lawn. It is used to apply RX-15 to your lawn. It is used to apply RX-15 to your lawn.

Get RX-15 today!

Run as right, treated with RX-15 blossomed 2 1/2 times larger — 4 1/2 weeks earlier than untreated lawn.

Edson Hardware & Builders Supplies

You, I want a richer, greener lawn and thousands of beautiful flowers in my garden this season. Be first to try the RX-15 product for 7-DAY TEST. If not completely satisfied I can return any of them at anytime within 30 days for full purchase price refund.

MAY NEWS

Murray's Super Drug

A message from RANDALL MURRAY, "Your Pharmacist"

MOTHERS ARE LOVED all year long, but one day each year is always singled out to remind everyone of her importance.

THIS YEAR MAY 12th is Mother's Day. That is when she truly becomes everybody's "Queen for a Day."

"GOD COULD NOT BE EVERYWHERE, and therefore He made Mothers," and old saying tells us. Napoleon said, "The future destiny of the child is always the work of the mother."

WE TOO, WANT TO ADD OUR TRIBUTE TO MOTHERS. We know them well. When they visit our pharmacy it is usually to obtain something for the better health or comfort of their loved ones. We can truly be Mother's constant devotion.

OUR PHARMACY IS REALLY one of Mother's helpers. We are proud of the fact that she often calls on us for information about the health products we supply.

Foothills Mine Wins Three Safety Awards This Year

An event of some of the best interest took place at 11 a.m. on Saturday, May 15, when the Hon. George Paulson, Minister of Mines and Technical Surveys in the Dominion Government and other prominent visitors were on hand to present the Ryan Safety Trophies to the Foothills Coal Division of the Canadian Collieries Resources Ltd., who had won three separate safety awards this year.

The Ryan Trophies are safety awards made annually to the several divisions of the mining industry for the individual mine making the best safety record. There are regional trophies and a Dominion Trophy for each division. The awards won by Foothills Coal Division are for underground coal mines. The trophies are made one by the Mine Safety Appliances Company, Mr. John T. Ryan, and the other by the Dominion Coal Division of Mining and Metallurgy.

Both the Dominion and the regional trophies are made one by the Dominion Coal Division of Mining and Metallurgy. Both the Dominion and the regional trophies are made one by the Dominion Coal Division of Mining and Metallurgy.

Council Expedite Plans For New Town Hall

At their regular meeting on Tuesday, May 7, Edson Town Council got off a resolution to have an early meeting with Patrick Campbell Beyer, architect of Edson's new town hall, which is to be built on the north east corner of sixth and Main.

The tender of Cleaveland Bros of \$133 per cubic yard for 8,000 yards of gravel was awarded from among five bidders. The undershrinking of Asbestos Construction of Vermilion was looked on with favor and the contract was to be prepared for the 1937 sewer and water rates when program.

Present were Mayor Kankowski and Councilmen Kortman, MacDonald, Wilson, Wolfe, Tucker and Wolfe.

Mr. P. Cote addressed Council. It was moved that items and again on late last 13 and 14, March 18 to May 1. Cote is expected to leave June 20th, 1937.

Mr. E. Brown addressed Council asking approval of sewer extension to North end of Town and was advised that would be prohibitive at present time.

Mr. Tom Hatten addressed Council. It was moved that the sewer half of lot 2, block 100, be sold to Mr. R. Hatten for \$100,000, on undertaking to erect attached garage.

GRAVEL TENDERS The secretary was directed to open gravel tenders, and the following were read: H. Gold et al, \$1.00 per yard; L. Spierman and the firm P. A. Glatfelter, \$1.40 per yard; H. Peterson, \$1.40 per yard; Cleaveland Bros, \$1.33 per yard; J. E. Lough, \$1.30 per yard.

It was moved that tender of tea and coffee if necessary. Cont. on page 4

Yellowhead Caravan Set For June 1

Boards of Trade and Chambers of Commerce all along Highway 16 are planning to take part in the Yellowhead Caravan which leaves Edmonton for Mount Robson early June 1st.

Depending upon where attended, the cars will be taking up with the official caravan along the route. Edson is planning a tour at about 11:30 o'clock, while Hinton is planning a reception at about 3:00 p.m.

The program at Mount Robson starts at 12:00 noon Sunday, June 2, with children's and senior sports, softball, tag-war, etc.

Guest speaker at Robson will be the Hon. P. A. Glatfelter, Minister of Highways for British Columbia.

Bring your own lunch and a little extra for the committee advice and they will provide the tea and coffee if necessary.

Dreams Do Come True

There is one family in town who really believes that dreams come true.

A while ago Eddie LaRue had his dream. An ad was duly inserted in the Leader classified page and the family set back to await the expected result.

On Tuesday three different members of the family, at different times, discovered they had each had a very real dream the night before in which the baby was found.

Tuesday evening the oldest son came home to say it had been found, and he had found Underhill Street.

For the baby was found and at least three members of the LaRue family will tell you it was not from that particular dream. DO come true.

IMPRESSED BY THE SMARTNESS of Edson's Army Cadet Corps was Lieutenant J. Collingswood, Army Command Cadet Officer for Northern Alberta, as he conducted the annual inspection of the Corps on Monday evening. Collingswood is thought to be the only one to have seen over back and front. Accompanying Lt. Collingswood in the dark dress uniform is Captain L. Gerald Chapman as his platoon is inspected, Lt. Cy Smith, Officer Commanding, the Edson Corps, (third from left) and President Charles Sample (left) of the Edson Branch of the Canadian Legion which sponsors the Corps. Sample is a high state of military smartness by these former Officer Commanding, Mr. T. B. Boulton, the Edson boys have been carrying on while Mr. Smith goes accustomed to wearing a uniform cap. Accompanying the command officer were Sgt. Major B. Crookes and Staff Sgt. J. Schmalz, who are Army instructors in dress uniform with crests all over northern Alberta. Photo Photo

Turn Sod For New United Church Manse

Mr. H. A. Baker, one of the charter members of the congregation, turned the first sod for the new manse to be built by the congregation of Edson, United Church.

The ceremony took place following the morning worship on Sunday, May 12. The minister, Rev. C. C. Vanebo, offered the prayer of invocation and followed by the Rev. J. J. Papp, R.C. chaplain, who, in turn, blessed the sod. The sod was turned by Mr. H. A. Baker, one of the charter members of the congregation, in the presence of the congregation, the Rev. C. C. Vanebo, the Rev. J. J. Papp, R.C. chaplain, and the Rev. H. A. Baker.

The ceremony took place following the morning worship on Sunday, May 12. The minister, Rev. C. C. Vanebo, offered the prayer of invocation and followed by the Rev. J. J. Papp, R.C. chaplain, who, in turn, blessed the sod. The sod was turned by Mr. H. A. Baker, one of the charter members of the congregation, in the presence of the congregation, the Rev. C. C. Vanebo, the Rev. J. J. Papp, R.C. chaplain, and the Rev. H. A. Baker.

Vanebo, the Rev. J. J. Papp, R.C. chaplain, and the Rev. H. A. Baker.

Ken McKay, P.C.; Doug McKinn, L.B.; Gen. Munroe, chairman; Mrs. Minnie Harris, C.C.F.; Chas. Yell, E.C.

The C.C.F. would like to see a comprehensive deficit crop insurance which would replace the Liberal record on farm issues was good, and that farm income was in fact rising. He felt confident that the farm population of this country would agree with the present Federal policies, and would show their agreement on June 10th, 1935. Mr. Yell, closing remarks, was a close by the closing of "Edson Leader" which I have served.

The ceremony took place following the morning worship on Sunday, May 12. The minister, Rev. C. C. Vanebo, offered the prayer of invocation and followed by the Rev. J. J. May We Have Your Help

We are moving next week to our New Quarters across the Street. We have a thousand things to do and so many things to move across the street. Here is a great deal of cleaning to hand and would greatly appreciate it if you could come and pick up your cleaning early next week or give us a hand and will gladly deliver it for you. Some articles have been on hand for a number of months. Thank you so much. We appreciate your kindness and co-operation.

You well know Edson men,
Walter Fowler and Carl Baluch,
are to be associated in the operation
of Edson's newest service
station, Fowler's North Star Ser-
vice on the southeast corner of
4th Avenue and 51st Street in
Edson.

Walter, who in the midst of
many has always been thought of
as a technician, has many years of
experience with heavy and

light vehicles both in his ac-
tivity with the Canadian Army
during the Second World War
and the years immediately follow-
ing the war.

Carl has always wanted to put
his mechanical hand to practical
use and is now certainly going to
get his chance.

Best wishes follow!

Attention Anglers ...Fingerlings Planted **Edson To Go Ahead With 21st Annual Sportsday**

Spring is planting time and Game Officer "Rocky" states —

The meeting, in case you haven't heard, was made necessary by a request from the Chamber of Commerce in Hinton, asking Edson to postpone their Annual Sports Day.

The flaggings, which are by tank truck, are hatched in the hatchery operated by the Provincial Government at Calgary and distributed in lakes and streams throughout the Province.

30,000 of the youngsters have been placed in Miller's Lake and an additional 12,000 in the CNR dam and Rocky reports that they are in excellent condition after their long drive. "Because of this day in favour of Hinton it would mark the beginning of the end in so far as the prestige and standing of Edson in this area is concerned."

Further, we would be giving up the main source of revenue with which the EAAA is enabled to carry on amateur sporting activities, and, of course, this loss of revenue would indirectly affect the Kinsmen. *Submitted by*

It is necessary to restock at intervals since the trout need running water to spawn successfully, appears. Winter kill and snow

lucky anglers remove the old fish in the course of about two or three seasons, so that fingerlings can be placed in the lake without severe loss from cannibalism.

\$315,481.75 in contracts for this year's building program were awarded at the regular meeting of the Edison School Division on May 8 with Lincoln Community College.

\$315,481.75 in contracts for this year's building program were awarded at the regular meeting of the Edison School Division on May 9, with Universal Construction getting the general contract and the local firms of Mahon-Petersen Ltd., a mechanical contract and Mahon Electric an electrical contract.

Salary negotiations with the teachers in the Division resulted in the following salary schedule being adopted, (minimum salary is \$2400 with maximum \$6000 with yearly increases as shown in the table. In addition there are extras for room supervision (for principals):

The Alberta Scene
KEN MASON

Edmonton Alberta farmers should think this year is in a somewhat better financial position. In the last three months of the year they have had a good crop.

The Alberta Bureau of Statistics in its first quarterly report of 1957 shows a substantial boost in the cash income of farmers and points a way to a better future for the province's economy in general.

Farm earnings from crops and livestock sales increased by a total of \$22,380,000 during January-March over the same period for 1956. The main reasons appear to be a considerable rise in grain prices and a higher wheat board adjustment payment.

But whatever the reason farmers earned \$26,201,000 more in the last three months of this year than they did in the same months of last year. Livestock sales were \$20,122,000, an increase of \$7,581,000.

Combined with income from dairy and poultry products, farmers earned a combined \$41,000,000 in the period under review, against \$33,419,000 for the same period a year ago.

It could be the first glimmering of a brighter road in the farm economy. At this point it would certainly seem that indications point to better days for those who work in Alberta's primary industry.

Certainly all other phases of the economy are remaining buoyant. Alberta's purchased more auto mobiles and trucks during the first three months of 1957 than ever before, and wholesale and retail trade hit new highs for the period, according to the bureau's report.

SECRETARY BLAY WINS—The top man of Social Credit proved his prowess by drawing cards that the Prime Minister of Canada at a month-end rally in the capital city last week.

Approximately 2,500 persons all but packed the Northern Alberta Trades and Commerce building when the speaker, Robert Blay, drew the card that named him as the next leader of the party.

It was Robert Blay's second card, after the first had named him as the next leader of the party.

A Blow For Freedom
An obscure English village has been granted a license to sell beer. It is a long way from the nearest pub. What were the reasons for this? It has been made available to all in the village and the surrounding area.

We like the idea. But because we want to live here at the end of the road, but because we think the village should be able to buy beer.

The village fathers can now be reassured that they have been granted a license to sell beer.

Boy Scout Activities

The recently formed Boy Scout group which have been active for the past weeks under the leadership of Scoutmaster Jim Ross visited the Trans Mountain Pumping Station west of town at their last meeting night on Thursday.

There, they were shown around the station by Bob Anderson and saw the equipment and method of moving oil across great distances by pipe line.

They were accompanied by Assistant Scout Master Ed Hender and Mr. C. Edson.

Edson Locals

Mr. and Mrs. Wm. Hauck of Edmonton spent the weekend at the home of Mr. and Mrs. Fred Bailey.

Mr. and Mrs. Wm. Davidge left Wednesday for the States where they will visit their daughter Mildred and family in Minnesota.

Lorraine Hinde was home for the weekend from Edmonton. He has been in the Canadian Light Infantry since February of this year and will now be taking four months leave training at Wainwright Army camp.

Mr. and Mrs. David Peterson and three year old son, Paul and daughter Lisa, left Saturday morning for an extended trip to the U.S. and Eastern Canada.

Mr. and Mrs. Dick Holmes and Mr. and Mrs. Nina Chiu attended the Kinross District Convention at Lethbridge over the weekend.

Mr. and Mrs. Martin Duggan and family arrived home on Wednesday from a few day holiday spent in Saskatchewan.

Thanks Folks!

Thanks to the people of Edson and District for their generous support in our Florence Nightingale Tag Day. A special thank you to the Explorer group and all the girls who helped make it such a success.

Coverseer Mrs. Ruby Switzer (Florence Auxiliary)

her May 20 wedding day quickly approached.

A fair representation of the treachery of our three town schools down in refresh themselves with an after school coffee.

Mr. Shirley McLaughlin saying she had had a flying visit with her mother in Calgary between trailer hinds but that study and Joe had been able to visit with their grandpa for a little longer.

**WHY THE
WOMEN OF ALBERTA
ARE VOTING
LIBERAL
IN THIS FEDERAL ELECTION**

FAMILY SECURITY
As women, we know that the Liberal government, through family allowances, old age pensions, veterans' payments, blind and disabled persons pensions, National Housing Act, has done more to safeguard our homes and families than any other party.

HOSPITAL INSURANCE
As women, we are voting Liberal in support of the national hospital insurance program.

WORLD LEADERSHIP
As women, we are supporting the Liberal party which has produced one of the outstanding characters and ability, and whose efforts have contributed greatly to peace in our world.

RECOGNITION OF WOMEN
As women, we approve of progress by the Liberal government in sponsoring legislation to provide equal pay for equal work by women in federal agencies.

SPLINTER PARTIES
As women, we are practical. We realize our nation cannot be united while there are quarrelling local splinter parties. We are voting Liberal, the only truly national party from coast to coast. The only party that can give us effective government.

Send your Liberal candidate to Ottawa
to continue this good work.

ABOUT OUR NEW MACHINERY

The fully automatic Ultramatic 'New Yorker' air press in-
sures uniform quality—the same cleaning time, same pressure,
same drying time.

It eliminates lifting the hands to operate hand steam and
pressure—no small paid starts and completes the entire cycle
—absolute safety for our help.

The Freeway Press absolutely assures no mauls, no skins,
no steam marks, no hand or steam scalds, no steam, hotness
or slapper imparts.

Frequently fully automatic synthetic cleaning units are the
presence of quality cleaners everywhere. Come and look over
ours. Its non-market, reversing cylinder continually opens all
fields of garments for penetrating saturation and provides maxi-
mum drag—essential to faster, cleaner, cleaning.

Our Clean form finisher steams-dries and cuts off auto-
matically—no guess work.

Our pattern that insure that 'smoke' look no matter what the

material.

IN FACT WE'VE JUST GONE ALL OUT TO GET MACHIN-
ERY THAT WOULD ENABLE US TO GIVE YOU THE BEST
DRY CLEANING POSSIBLE.

Our new equipment is designed exactly the same as the
large city plants.

Packhouse systems - All leading cleaners in Canada and the
United States use Packhouse systems - the miracle solvent. Lab-
oratory reports state that this solvent guarantees 50 per cent
longer life for your clothes.

Why we will be able to give you one hour number service.
Because perchloroethylene cleans 5 times MORE cleaning in 40
minutes and because we have purchased a synthetic cleaning
unit designed specifically for the use of this solvent.

Average cost of the standard cleaning solvent per gallon is
\$1.30 cents. Perchloroethylene is \$2.50 per gallon.

**Bits About Our
New Building**

The overall length of the new
building is 487 1/2 feet with an L
for office space or store room in-
cluded. The building is of con-
crete block, with black vinylene
and brick making a smart entry.

Fluorescent bar lighting against
tiled ceiling and 8 side windows
admit a good deal of light.

French and ivory marble (the
way chosen especially for the
smart appearance and ease of up-
keep.

We have chosen comfortable
chairs for your comfort and pleas-
ure for your pleasure.

Come and see our delivery rack.
Clothes are picked up and deliv-
ered from individual compartments
accessible by a side door. This
facilitates the time to speed
and efficiency when handling your
dry cleaning.

With the warmth of the spring sunshine and the fresh green growth of nature, there's an urge in everyone to be out-of-doors as much as possible these days. Your family will enjoy eating outside, so plan to do it as often as possible. Have you ever noticed how everyone pitches in and goes at a picnic? There's a cue for you to lessen your load at real things.

are Spanish Noodles or Italian Spaghetti. These and Beef Stew, barbecued Spare ribs, Chop Suey or fried chicken can be prepared ahead of time, or right at the party.

Try coating the fish in crumbs for a change.

I got tired of cold ham and pot
into salad too on picnics. One day
I made a meat loaf instead of
the ham, and served it cold. It
inspired up a new recipe for a
salad and came across one made
up of macaroni. What a chance!
But everyone enjoyed the meal.
Happy you enjoy these Picnics!

With the opening of Fentler's North Star Service last week in Edison (the annual meeting of the North Star Oil Limited held in Winnipeg is of interest.

Company activities in the Peace River country, where a 2,500 barrel a day refinery has been completed, will be increased progressively. The new refinery is already in start-up production.

For the year just completed

At the annual meeting the board of directors elected the following officers: President, E. C. March; two presidents, A. Haverly and W. L. MacArthur; secretary-treasurer, R. Patterson; C. A. Head, officer for the company in 272 Main Street, Wingham; North Star Oil Co. is an independent company.

A GENERAL MOTOR VALUE

BUSIEST TRUCKS *in the business!*

Wherever big jobs are being done, Chevrolet trucks are there, putting their mightier kind of muscle to work. Chevrolets are Canada's busiest trucks by a wide margin... because they're the unbeatable champs of every weight class!

Next time you're out, check the trucks you see at work. It won't be long before you get the message... truck after truck, from Chevy pick-up to giant hauler, is a Chevrolet.

And that's not hard to understand. Because truck buyers who know their

Business. Know that Chevrolet trucks give more on-the-job hours, more operating economy, more hauling efficiency than any other trucks, bar none. Look at the facts: Engines... their 6's or mighty V-8's, every great dependable Chevy engine delivers the right horsepower, the usable horsepower for your job... gets the most out of every gallon of gas.

Transmissions... only Chevrolet has revolutionary new Powermatic that gives you easy, efficient automatic shifting through 4 forward speeds with direct-drive crabbing economy. Or take

your pick of Hydra-Mats, Powerglide or Chevrolet's famous synchromesh transmissions.

Saying Chevy has modern Work-Styled that fits the job gives you more efficient handling, longer life. Hand-on Work-Styled calls home your point, automatic, compressed air, 51 Steps High-Cut ventilation and other big advantages.

Get the whole impressive story from your Chevrolet dealer right now. Have him show you why no truck can meet your needs half as well as Chevrolet.

Legion Service For A. C. Hexter Monday, May 23

Mr. Arthur Thomas Hexter, who
passed away in his 78th year, on
May 18, was buried Monday after-
noon from St. Catherine's Angli-
can Church with full Legion hon-
ors.

Surrounded his loving wife in
service by one adopted son,
Lawrie, Chilliwack, B.C.; two step
sons, Ted, Edson, hotel of super,
and James of Edson, one step
daughter, Mrs. Kathleen Hexter,
Hobb, Alberta, Mrs. Bonnie Hexter,
Port Alberni, B.C., Mrs. Alice
Gardner, Edmon, and Mrs.
Janis Lindes, Edmon; 2 sisters,
both in Vancouver, England and
21 grandchildren.

The funeral services were at
St. Catherine's Anglican Church
at 2:30 p.m. Monday, May 23. Rev.
Canon H. W. Buckner officiated
and interment was in the family
plot in Glenwood Cemetery.

Legion services were by Cap-
tain Doug Cullen, House Chaplain
under command of Colonel
Wm. T. Cullen, and Color Bearer
Party under command of Colonel
Lester, Donald Fraser. Pallbearers
were Comrades Jim Cole, Clara
Bennett, G. H. Smith, Jim Hester,
Jim McEwen and Bert Div-
idge.

Final tributes were received
from Loving Wife and Family;
Fred and Mary Smith; Florence
and Gilda; Leo, Mita and Betty;
Mr. and Mrs. C. M. Hunt, Hazel,
Ralph and Car Dept. C.B. of B.E.
Edmon Branch, A.E.O.U., Canadian
Legion; The Fowler Family; Com-
rades Hester and Staff; Hester
Ford Market; Chief of Police and
Mrs. J. MacDonald and Family;
The Settler Family; Blair and
Roy Stevens; Ladies of the Cana-
dian Legion.

Rev. Bishop, Mr. and Mrs. Bill
Baker and Family; Mr. and Mrs.
Jack Daniel, Margaret and Kurt;
Mr. and Mrs. H. Brown; Mr. and
Mrs. Charles Pratt and Family;
Mr. and Mrs. Carl Balch, The
Malheur; Mr. and Mrs. Hester and
Mr. and Mrs. A. W. Smith; The
McDonald Family; Mr. and Mrs.
B. Cooper; Ross and Barbara Win-
nipeg; Thomas, Betty Fricker;

Amie Alice and Uncle Bert; Mr.
McLennan and Family. Tributes
were received from the Jasper
Legion No. 11, Banff, Edmon and
Family of Victoria.

Further listings of messages of
sympathy and memorial donations
will appear in next week's Leader.
Comrade McKelvey (Edmon) Ltd.
were in charge of funeral arrange-
ments.

CARD OF THANKS

We wish to express our thanks
and appreciation to our many
friends for their kind acts, mes-
sages of sympathy and criticism
during our recent bereavement.
Special thanks to Jim Cole, The
Canadian Legion, Edmon Branch,
Ladies Auxiliary to the Legion
and Canon Buckner.

Mrs. A. C. Hexter and Family
Hester refers a very short com-
miser to his own without making any
it is necessary for the next time it
is needed. With it with soap or
detergent and in cool water. It
is mentioned that hot water is
not necessary because the soap
serves to wash germs and bacteria
away.

School Division

Vote from page 1
bury and Edmon, \$15,730.00; for
Nine Auditories to Nelson Ther-
rie, \$2,721.00.

It was moved that estimates be
created as stated above and that
work be commenced as soon as
possible.

WINTON SEPARATE SCHOOL

Members of the Winton
Separate School Board, including
Father Lynch and Mr. Hart
and Parent, discussed with the Ed-
mon Board the various plans con-
cerned with the formation of a
separate district within the Winton
school district. The discussion
was very general and a further
meeting was obtained into the
weekings of the two boards in
one district.

BOLSHAKOV RESOLUTION

Moved that the Division borrow

the sum of Two Hundred and Ninety
Thousand Dollars (\$250,000.00),
secured by debentures and grants
in connection with By-Law No. 8
in order that the building pro-
gram may be commenced.

Other matters discussed were
return of Leaman Community As-
sociation money. Brief annual
report; that the next regu-
lar meeting be set ahead to June
8, 1937, transportation allowance;
discussion with Mr. Hester, con-
sideration of business of indus-
trial trustees, janitors' salaries,
telephone service in Winton school,
acceptance of exhaust fan tender
for removal after hard rain;
sale of P. L. Levin school site; re-
painting of auditor, re-ordering
of Winton school building
and also; teachers' rentals, medi-
cines equipment and payment of
expenses.

MURRAY'S Super DRUG

"The Sign of Jupiter"

The ancient alchemists placed this sign at the head
of a compound mixture as a protection to the distil-
lative for fever and healing. In Murray's modern
Pharmacy of antibiotics and "wonder drugs" the
superiority has gone out of vogue and has been re-
placed by a scientific approach to the modern prob-
lems which confront us each day. However, as a
pleasant reminder of our ancient traditions we still
rethink the "Sign of Jupiter" as a prefix to our pre-
scriptions. When you see this sign — think of

Murray's SUPER Drug

The Edson Leader

The Voice of Edson Constituency

Vol. 5 Edson, Alberta, Thursday, May 24, 1967 No. 22

HE MUST HAVE BEEN SLIM to get through that little hole, says Doc Kay, favored on the ground by the narrow hole cut in the ceiling of Murray's Super Drug sometime during Monday night by a thief or thieves who don't seem to mind doing things the hard way to pick up a few odds and ends and a little cash.

Breaking into last business premises in a short time last night, they really kept moving. First they got into the Edson General Supply through a trap door above the launch at the back and cut their first hole in the ceiling just minutes after Jack Weynath left the store, cut a hole in the ceiling and dropped into the store to steal a gun and ammunition and tools to continue their night's work.

They also converted the safe and back sword through the hinges before deciding to move on.

At Murray's they first cut a hole in the roof and then the one in the ceiling above where to make off with \$40 in the till and other odds and ends. He or they next moved into Galloway's General Store through the joining door as they had not been able to get through the roof. Here the thief had a look and changed into new duds, leaving his old shoes, pants and coat behind.

Moving on to Wilson's Furniture Store he came up through the floor for variety and managed to net \$100 out of the till.

—Lester Photo

CONSERVATIVE KEN MCKAY gets in among the kids with Mrs. Diefenbaker while Richard John gives a short talk to the Edsonites who met him at the train Saturday morning on his way out for further speaking engagements. Mr. Diefenbaker (center right) was able to meet many prominent members of the Conservative organization.

SEE PAGE 7
for Special Yellowhead Section

Lost Tot Wrings District Hearts

Tragedy struck a local farm home this week, when little Todd Francis, 10, of 5, wandered away from home and has not been found. Todd, son of William and Margaret Francis who live 11 miles north east of Edson on the West Coast road, was last seen about 11:20 a.m. Wednesday, playing in the yard. He did not come when a call for lunch and his parents commenced looking for him. Todd's mother put a warning net for his father to the McLeod River, about 10 miles from 100 yards from the house. The boy's body was not found in a bush at the edge of the road, and after other rushed to Edson to call the help of the RCMP.

A preliminary search was commenced Monday afternoon, with a report of the boy at the head of a stream at an edge, but no sign of him. In fact, the boy's mother was advised by a hunter to search the area thoroughly. The reasons for the boy's disappearance, but the boy's mother said that he was a healthy, well-adjusted child and was not likely to be in any danger.

William Francis, a member of the Westcoast branch of the T.C.M. (Theodora's Children's Movement) and he is a T.C.M. member, said that he was not sure of the boy's whereabouts. He said that he was not sure of the boy's whereabouts. He said that he was not sure of the boy's whereabouts.

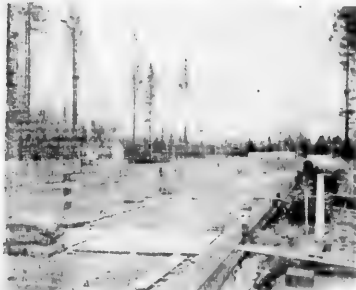

At the same time, the searchers were also concerned, and this was the first time in the history of the T.C.M. that a search party was organized. The search party was organized by the T.C.M. and the RCMP. The search party was organized by the T.C.M. and the RCMP.

By Thursday search operations had moved on the river, which at this time of year has a freshet and depths with poles. The sympathy of the whole area went to the parents of little Todd, and has been expressed by the volunteer searchers who planned into the morning in the early morning hours, knowing it was the best they could do for a toddler.

In Edson fare to face. Only seemed to be on the way to a friend down to meet Mrs. Diefenbaker, who was on the way to meet Mr. Diefenbaker. During the short stay Mr. Diefenbaker was met by little Miss Jean Hunter.

EDSON WELCOMES THE YELLOWHEAD CARAVAN SATURDAY

This is not the first time that Edson has welcomed Yellowhead caravans, and the way the railroad route through the community is shaping up, it will not be the last time.

A series of two, looking at a picture of what was probably the first Yellowhead caravan which went through the town in many years, is currently about 1921. The picture shows the caravan, but it does seem to point up the fact that there is no more of it as a new thing.

We hope the Yellowhead caravan, the new railway, one hospital, and our drive to the Yellowhead and are improved by their grand tour through town.

Long time and more recent 1921 caravans are the only ones who appreciate the possibilities of the Yellowhead Caravan, which happens to be part of Highway 16, is getting much and service stations at a rate that shows more than a sentimental attachment to a legend through the years.

May the rest of your trip be pleasant and sunny.

Jasper Rodeo Said Best Amateur Show

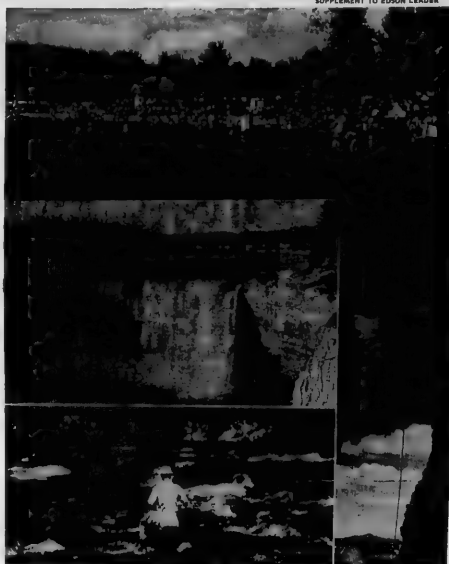

Jasper—The Jasper Rodeo and Tied Club will start working at the grounds this week. The work days will be Mondays and Thursdays from 6:30 am until dark and any help will be appreciated as there is considerable work to be done in getting the grounds in shape again.

The gas convention at the Jasper Park Lodge are getting the run of the grounds in shape a prize rodeo on the 28th of June. The regular rodeo dates are set for August 2 and 3 (two days). This date were long the name of the biggest amateur show in Alberta. Mr. Alta Andrew presented a beautiful trophy to the R. & T. Club along with a cash prize for the winner in the barrel race event. This trophy is known as the Alta Andrew Shield Trophy and can be seen above the fireplace in the Alta Andrew Hotel outside at any time.

Now Mr. Andrew has informed Mr. Alta Andrew, president of the R. & T. Club that the Rodeo Committee are making considerable progress in the Jasper Rodeo and the trophy will be placed for competition at this year's rodeo. The R. & T. Committee will decide the event for its use.

The president pays tribute to the very splendid support of Mr. Alta Andrew to the Club. He has encouraged the Rodeo Committee to enlarge the show in every respect and as a Jasper citizen he has done his part to host the two big days held in Jasper.

This year the Club is expecting to contact Cliff Coleman, famous Parkville mounteer to put over the show.

FROM RELAXATION, FROM SPORT TO ENTERTAINMENT VIRTUALLY EVERY TYPE OF HOLIDAY ATTRACTION IS AVAILABLE TO THE VACATIONER IN ALBERTA. THOUSANDS OF ALBERTANS WHO HAVE NOT PREVIOUSLY enjoyed the facilities of their own province are now doing so. Examples of the attractions to be found in Alberta are shown above, with the fine beach at Elk Island Park, top, representative of the hundreds of other lakes and beaches in the province enjoyed by vacationers and skiers alike. Right, a portion of the Jasper Rodeo grounds.

Council held its weekly meeting this year at the home of Mrs. J. H. McVey, 24 N. 2d and also formally opened the annual campaign for the time to elect a new council and water board. The meeting was held at 8 o'clock and watered by Mrs. McVey.

May 25, 1914, was called "Clean-up Week" in Fergus Falls and the city fathers took part and centers were set up in the city to promote the cause.

The city is now in a fine shape and the streets are clean and the water is pure.

Council's chairman, Macdonald, Mahon, Meeker and Wells.

In the absence of Mayor Rankin, Council member Tucker took the chair.

Mr. Paul Kinkaid addressed the Council with regard to alley block 160.

There was no other business and the meeting was adjourned.

Approved by Works Department.

Approval of Council was granted to placing of overhead sign at Edison Printers 1st & 3rd Sts. on alley; proper standards under the law and option held by the city.

Lease and α , from 1941 to 1947, to Dr. Douglas C. Begg on lots 4, 18 and 20, block 143, to September 5th, 1947, on payment servicing and undertaking to erect home, value \$15,000.00.

Leaseholder's phone was called by Donald R. Jones, lot 15, block 127, to September 1967 and a mortgage of \$1,000 was paid and the \$200 to cost of system, and undertaking to build house value of \$6,000.

Lease and option be granted to Donald E. Pearce on lot 10, block 76, on payment sum \$200.00. Land sale \$100.00, cost servicing \$100.00 and in underlizing to build home value \$5100.00 and we con-
dition that seller not available and
no street improvement.

Moved that lot 14, block 12, be sold to Mr. J. Nadurak on payment of \$200.00 and sale of \$100.00 to rest to cash.

Approval of Council was granted to extend to 12:30 P.M. 12:55 P.M. as submitted May 14 by Mayor Bennett.

Application of Mr. M. Richert on rendition of 341 Street was referred to Council and placed in list of Works Department for consideration.

Authorization was granted for

Secretary was directed to get firm price for moving and garage building to block 19.

Page 20 — EDSON LEADER
Thursday, May 30, 1957

It was moved that Bylaw No. 835, a bylaw providing for ten per cent discount within 30 days of notice and five per cent within 90 days of notice be now read a first, second and third times and passed.

Monday Jan the 3rd and an attempt is to be made to get representative from the Board of Trade.

town undertake to send trainees on home salary and travel plus 50 per cent subsistence.

Mayor and Secretary were authorized to sign contract with Ackerman Construction Limited for trenching and laying pipe, etc., for water and sewer lines.

EDSON BOARD OF TRADE GIVES THE MEMBERS OF THE YELLOWHEAD CARAVAN AN OFFICIAL WELCOME AT GLENWOOD DRIVE IN SATURDAY MORNING

The Edson Leader

The Voice of Edson Constituency

Vol. 5 Edson, Alberta, Thursday, June 6, 1935 No. 22

Where to Vote

177 Edson N.W. (north of 4th Ave. and West of St. John's Baptist Hall).
180 Edson N.E. (south of 4th Ave. and East of St. John's Baptist Hall).
181 Edson S.E. (south of 4th Ave. and East of St. John's Baptist Hall).
182 Edson S.W. (south of 4th Ave. and West of St. John's Baptist Hall).

The above includes those parts of the riding adjacent to the 18th Avenue quarter corner, as indicated by an Edson councillor.

Little Teddy Panchuk Found In The River

After an eight day search by RCMP, RCMP, several crews and hundreds of volunteers, the body of three-year-old Teddy Panchuk was found late Tuesday afternoon, by Mr. John Babcock and Mr. Albert Blum, about six miles down river from where he had fallen in near the farm home of his parents, Mr. and Mrs. William Panchuk on the Redland River east of the town of Ferry.

After covering every possible bit of the area surrounding his home, it seemed inevitable to the searchers that he had fallen in the river and though the extensive search by the many volunteers who had gone to the river, the children's parents were called off, despite the fact that the search was continued by RCMP and several crews.

Neighbors of Mr. and Mrs. Panchuk also continued their search along the river and it was two of these neighbors who found today's body where it had become lodged against a log at water level. Rescuing water had left it visible to the men.

The sympathy of the district now sent to Teddy's parents in the tragic loss of their little son.

S.C. Answer To Balance Economy Says Yuill

"Neither the Liberals or the Conservatives have ever been able to balance the Canadian economy in peacetime," stated Charles Yuill, present member for the Jasper-Edson constituency by the federal government who is seeking reelection on the Social Credit ticket. The Hon. Norman A. Wells, Minister of Lands and Forests, spoke in support of Mr. Yuill's candidacy.

Mr. Yuill predicted that the party could eventually form Canada's Federal Government since no other party has anything to offer that will provide Canadians with a balanced economy. The Social Credit plan of a Monetary Control Board and a "New price system" would solve this problem. Touching on the Liberal record

the candidate stated that although 16 per cent of Canada's population are farmers, they receive only 7 per cent of the national income during the "Hungry Thirties" the farmers got 22 cents for wheat that cost 41 cents to produce, but when war came and the farmer stood to make half some of these losses the Liberal Government clamped on price controls, which prevented the farmer from making his loss.

Mr. Yuill said that the Federal Government takes \$72 million dollars annually from the Treasury, most of it to balance losses, but pays only \$12 million back in the form of pensions and grants. The Federal surplus last year

was \$100 million. He stated that the Liberal party was the only truly national party with no other parties in the country. He stated that the Liberal party was the only party that was not a party of the few, but a party of the many. He stated that the Liberal party was the only party that was not a party of the few, but a party of the many.

McKay Says Splinter Parties Will Disappear

The splinter parties will disappear and two parties will emerge as they did in Canada's younger years when there were no less than seven parties seeking the approval of the voters and Ken McKay at his meeting in the Parish Hall on Tuesday evening.

Speaking for the benefit of the young people in the audience Mr. McKay pointed out that the Conservative party was not a young party and had been established with Canada's history since Sir John A. Macdonald was Canada's first prime minister. There was a tremendous swing to John Diefenbaker and the Conservative party from west to east, paid Mr. McKay. In dealing with the swing in this country he said that he has been told by

Not Mad At Anyone But Vote Anyway

AN EDITORIAL

This campaign has been one of the wildest on record as far as forgeries is concerned. But nonetheless the voting population is concerned more aware that there is an election set for Thursday June 10.

About one third of the voters in this country don't bother to cast their ballot. Probably a larger percentage are so stupid they don't bother, but in the particular party that logic and common sense has no place in their thinking.

So it is the few who are not aligned with any party and who weigh the claims and counter claims of the various candidates who actually decide who shall govern this country.

In this vast riding of mixed interests which is due to become a federal constituency in the next few years, it is essential that we have a representative who can make himself heard in party congresses in Ottawa that divide policy.

Let's not let this country be run by members from Ontario and Quebec who never hear the point of view of their western party colleagues because there are not enough Alberta men sitting alongside them when legislation is being hammered out.

Get out and vote. It's your right to be heard in Ottawa!

McKeen Makes Two Election Promises

Don McKeen told his audience Tuesday night on the Legion stage that he had two promises to make to the voters if elected as the member for the riding of Jasper-Edson.

First he would come back and see the voters frequently and secondly that he would work for a 100 per cent party.

Mr. McKeen told his listeners that the Liberal party was the only truly national party with no other parties in the country. He stated that the Liberal party was the only party that was not a party of the few, but a party of the many. He stated that the Liberal party was the only party that was not a party of the few, but a party of the many.

The Alberta Scene

By KEN MASON

Edmonton—Could it be a coin, chance, this particular time to measure the largest single political debt reduction in Alberta's history?

Surely the forthcoming federal election and the fact that some of the big debt payments will be for debt owed had nothing to do with the timing of the announcement.

Whether there are political implications or not, the fact remains that Alberta is set at last to reduce its \$151,000,000 debt in the form of \$151,000,000 in interest-free money any time it wishes.

The action leaves Alberta with a total debt of only \$36,000,000, which is more than balanced by cash reserves, liquor assets and its treasury worth well over \$200,000,000. More than ever before, Alberta can claim debt-free status.

According to the premier, the debt-free status of the province was achieved June 1, and another day before the end of the year. From the province's present investment fund.

Debt-free was even able to make a profit out of this, which, without monetary transactions at the time of purchase, the bonds were worth \$147,000, leaving a profit of \$4,000,000 in cash, then in hand.

The economic independence, made up of \$21,200,000 in national debt reduction, and \$24,800,000 in treasury bills owned in the federal government. The province has had a policy of reducing the public debt annually, but this is the biggest reduction in any year.

Premier Manning would not say at the hall when asked if this was any particular reason for making the announcement at this particular time. He said only that the money was available for the government, and this is as good a time as any.

What, the premier is at odds with the Liberal credit rating it also is all possible in reaction for opposition political parties, although it is a political decision that has been made.

But opponents of Manning can never be sure that the Liberal government is not in a position to do so.

Edmonton May 29th, 1957. The premier, who is at the hall, has been asked to say that the money was available for the government, and this is as good a time as any.

Edmonton May 29th, 1957. The premier, who is at the hall, has been asked to say that the money was available for the government, and this is as good a time as any.

THE CASE OF THE RELUCTANT VOTER

The Election Campaign

In a country where the government consists of the elected party and the official opposition, the latter is just as important as the former. Here all that results in the election of the party in power is the election of the party in power.

These two provinces have a similar financial responsibility. The province has a similar financial responsibility. The province has a similar financial responsibility.

WHY ALBERTA FARMERS ARE VOTING LIBERAL

FARM REPRESENTATION

Our farmers need more members on the government side of the Commons supporting our interests. All present there is not one practicing Alberta farmer at Ottawa!

PRICE SUPPORTS

Liberal price supports on hogs, eggs, butter extended to poultry this year.

WHEAT MARKETS

As farmers, we know the Liberal government achievements:

(1) Wheat Board the sole marketing agency.

(2) Record wheat sales, growth of markets in Japan, Germany, etc.

(3) Wheat storage bill, already paying \$40,000,000 on carryover.

FARM CREDIT

Special farm credit, more Canadian Farm Loan Board, Farm Improvement Loans Act, Public Credit Programme, Interim Financing Act, amounting to \$179,500,000 to Alberta farmers alone.

OTHER ASSISTANCE

• P.F.A.A. \$40,000,000 to Alberta farmers.

• P.F.A.A. \$40,000,000 spent in Alberta.

• Research. Experimentation farms, science labs, new programs of soil research this year, and nation-wide land use study.

Sewing Hints
 When stitching fabric made of synthetic fibers, the thread should also be of a man-made fiber. Otherwise the result may be disappointing. For instance, sewing will

perforate the fabric if the thread is too strong and the thread is too coarse. It will pull the fabric apart. A recent arrival at the apical counter is sewing thread of "Terylene". It is a synthetic thread, does not shrink, and at the same time has the advantage of stretching very little. If thread stretches like elastic as it passes through the needle, it springs back to its original length as soon as tension is released, making an ugly pucker mark. When sewing with "Terylene" thread, use the same sewing machine tension as used for cotton.

To The People OF JASPER-EDSON

In a few days you will cast a vote that will decide who will represent you in the Parliament of Canada. This is an important moment for all of us and before casting that ballot stop and think, ask yourself these questions!

HAVE WE HAD the kind of Representation the last few years that we should have had?
CAN WE AFFORD to have an Opposition Member for another term?

The Liberal party has provided us with stable, efficient and honest government. Has given us a welfare program that is second to none in the world. Has brought about the greatest prosperity that we have ever known. They will be returned to office June 10 and we ask you to consider seriously the two questions above, and if you do, I would ask

you to vote for Doug McKee, the candidate who if elected will be back to visit you, to listen to your problems and try to do something about them.

Remember these words, we produce more, we care more, we spend more, we have more, it has only been under this Liberal government that these words were true.

FOR BETTER REPRESENTATION

Come out and give me your Support

DOUG McKEEN

This man HAS NOT switched from FRANK'S. Why Switch? Our improved methods, fine equipment and careful, thorough work guarantee satisfaction on every job. Also, our prices are so low you feel like you're standing in a hole when you read the bill.

JOHN DIEFENBAKER, leader of the Progressive Conservative Party in shown having a chat with Mr. Ken R. McKay, the Conservative candidate in Jasper-Edson. Mr. McKay was one of the Northern Alberta candidates on hand to greet Diefenbaker at Edmonton during his recent tour of the Western Provinces. (Photo by Victor)

A Strong Mandate

One thing, the election in this riding and the province as a whole showed conclusively is that there are still plenty of citizens voting the straight Social Credit ticket.

In this constituency, our re-elected member can certainly be sure that the support for the majority of his constituents is heavier than he gets elsewhere for the same reason. Where Mr. Vail is best known his majority was the greatest with his 10,000 of a rural riding really going all out as can be seen in the full-fledged by polls carried on the front page this week.

Congratulations Mr. Vail and don't forget to speak in a loud clear voice for the nine thousand odd eager Canadians who have sent you back to Canada's capital.

Edmonton: The federal election has become heated, but thousands of Albertans can look forward to at least two more trips in the full fall before the year is out.

Sometimes in the fall, all sides over the top of 21 will be added to vote in a public to determine whether they want to have liquor laws, permitting establishment of such things as cocktail bars and drinks with meals.

And around the same time there are of public pressure will call for a decision whether a person who is found to be guilty of a crime should be sentenced to life or to a term of years.

The government announced that it has decided to hold a referendum on the constitution of the province.

The constitution of the province will be only a matter of time, while the constitution of the province will be only a matter of time.

It is of which those who are in the federal election will have to face a choice between the federal election and the provincial election.

The liquor issue in particular should generate a lot of new activity, though it will originate mainly from one source and be aimed at a single objective.

The liquor issue in particular should generate a lot of new activity, though it will originate mainly from one source and be aimed at a single objective.

Even though they represent a minority, the days will be long when the liquor issue will be a major factor in the election.

The Voice of Reason and Conscience

Vol. 5 Edition, Alberta, Thursday, June 20, 1937 No. 25

TO GET INTO TOWN AND DO her own shopping, Mrs. E. M. Beck of Wall Creek decided it was high time she learned to drive. Shown in the center's stream of her driving lesson with some of her youngsters to help out, Mrs. Beck proved to the neighbors that she's not feeble.

Council Adopts 1956 Tax Assessment For This Year

Council considered the changed assessment by Provincial Government assessors which radically changed the tax basis for the town at its regular meeting in the Town Hall on Thursday evening. Pending some clarification of the responsibility of the new assessment and the established mill rate of 40 cents it was decided to adopt the 1956 assessment for tax purposes this year.

Chief difference between the old and the new assessment is that farm property was valued for land value by its distance from the corner of Main and 4th Avenue. The new land value takes the acreage value.

A delegation asking for water service on 4th street was told the petition would be referred to the works committee in the project would cost approximately \$5000 for a couple of houses.

The application of the new Town Hall on East 4th Avenue has a business license recommendation.

Council was informed that the Department of Municipal Affairs proposes to establish interim development control for the fringe areas up to five and ten miles around Edson. Council are recommended.

Beer Parties Making Air Strip Unsafe

Beer drinking parties parked on the Edson air strip are making the field unsafe for aircraft landing and taking off from now on, according to the police.

This week a heavily loaded aircraft crashed in take-off from the field when they came to a

stop while attempting to make a get out and landed on their wheels on the ground of broken beer bottles.

While authorities realize the air field provides an emergency escape in the way of watching for the interruption of the beer parties, parked cars.

They are being taken to make the officers less pleasant we are told. Surely no thought has been given to the consequences of a traffic accident fire being caused by a beer party.

Thoughtfully persons from the that survey parties should be

Entries Assure First Rate Ball For July First

Edson's 21st Annual Sportsday and Baseball Tournament is shaping up to be one of the best seen in this local history. Under sponsorship of the Edson Amateur Athletic Association plans are going ahead to really put on a show for residents of Edson and the surrounding district.

Baseball action will commence Monday afternoon, June 20th, with two games scheduled. Also a feature of that day will be a boys' relay race with cash prizes to the winners. All commencing will be open Sunday afternoon.

Monday will commence with a plant parade headed by the Junior Band with entries from local manufacturers and buyers. This parade should really be something to see from all the different ideas for entries that are being.

There will be five baseball games Monday, as the balance of the eight teams battle it out for the \$5000 first prize money.

Teams entered include members of the North Western League and such notable entries as Warburg, Champion Pipelines and Stony Plain. McKay and Wilkison are joining forces to enter the Highway Hi All Stars.

There will also be a girls' softball tournament taking place and they say it will be moved to the High School Grounds in order to get a more "open" playing area and to give the girls a better chance to play in the sun of all ages and a few games of "soft" for the gamblers.

The Edson cattle race will afford its climax with the heavy winner of this summer being held on a road have called a cattle race. First year's winner came from Beach. Who's the lucky person this year? Proceeds are for the number one project—our community swimming pool.

There will also be a full program of children's races, complete with prizes for 1st, 2nd and 3rd place winners. A dance in the Legion Hall and special picture shows in the three Edson theatres will help round out the day.

Kinsmen Give Local Firm Go Ahead On Pool Start

At a special meeting of the Kinsmen Swimming Pool project on Tuesday evening the local contracting firm of Chisholm Construction was given the go ahead to start work on the pool.

The project is a \$10,000 pool for the club's use of bath and building.

It was felt by the committee members that though money was not at hand to make a start on construction of the pool in the next two weeks.

Other contracting firms were interviewed and estimates received for the several types of contract which the committee wished to negotiate.

With the prospect of voluntary labor and material it was essential that the contractor submit a bid.

Frank Lovell, now of Edson, has been operating some time at his home here recovering from a knee injury.

REA Line Route Check Calgary Power Making

E. G. Brown of the survey department for the firm, Calgary Power Ltd., has been in the district making a check on route lines in the various farms on the area.

The route plan will be set up and the Provincial Government and if approved it is expected that the survey parties should be

working in this district in the next few days.

Provision is being made on the construction of Road 130-intersecting on route throughout the district and farmers not signed up previously are urged to get in touch with their neighbors and join in the scheme to moderate district farming.

Invitation To Enjoyment

HERB JOHNSON of the Dance Hall Cafe, Minton, has a spot that should become a travelers' rendezvous. Open everyday from 6 a.m.

Next door to Althebeaux Sisters located on the west side of Wilson, has Gordon Langer as chef. Former steak man at Althebeaux Hotel, Edmonton, he really knows how to serve up tasty steaks, barbecue ribs, chills can come with cubed Fllet Mignon and other dishes that are really delicious.

The Edson Leader

The Voice of Edson Community

Vol. 4 Edson, Alberta, Thursday, June 27, 1937 No. 26

EDSON PUBLIC LIBRARY got a ride on a Leitch truck Monday to make room for the new town hall when it was moved from its Main Street location over to 4th Avenue. The building built as a school about 1922, later became a school even in its early history and about eight years ago began its life as a library building and general meeting place for craft workers and other community organizations. —Leader Photo

EDSON'S NEW TOWN HALL is to be built on this site at the North East corner of 4th and Main where all the trees and ground are cleared. The new hall is to include administrative offices for the Town clerk, council chambers, public library facilities, police department and fire department in a multi-purpose building. The newly demolished fire hall can be seen in the right rear, while Citizens Bess McElroy is caught briefly stepping down the street (right center). —Leader Photo

Square Dancing Starts Timber Festival

Cigarade parade, log sawing championships, midway rides, canoe lifting demonstrations, basketball games, Indian and children's games, night-time games, are only a few of the entertainment events in store for the people of Edson during the three-day Timber Festival which starts on Friday night of this week with a square dance jamboree and continues through to the night of July 1st.

Specialty contest for the square dance is an open air grandstand with capacity for 1,000 people, located opposite the pulp mill on the corner of 4th and Main. Scheduled on three sides by about 100 trees, the spot will be used for log sawing competitions.

Nightly grandstand shows will feature the famous log rolling exhibition of world champion Bill Farnham from Fort Frances, Ont. Bill will be the delight of sports

Athabasca, St. Mary's and St. John's Junior and Senior basketball teams.

Other competitions on the grounds in the afternoon will be log sawing, wood chopping, child log races, horse pulling and tug-of-war. The Woodlands Department of the Pulp Mill claimed that they have an unbeatable team, but show making the standard five-minute time limit.

Ball games to be held each afternoon will include football, basketball, volleyball, soccer, polo and hockey. Many football teams from the Pulp Mill, Athabasca, St. Mary's and St. John's Junior and Senior basketball teams.

Bigger Parade More Entries For Edson's First

Under the sponsorship of an energetic E.A.A.A. things are shaping up for an outstanding July First celebration. As usual for the past number of years the actual 1st of July sports will have a preview on the day before when the entries in the baseball and this year indoor softball tournaments will begin to play off their games so that everything can be finished up before the big parade which always ends the Canadian Birthday celebration in Edson.

This year promises to be even better than in the past. There are more entries in both baseball and the indoor softball for the sponsored children. There will be more for the kiddies with sack races and ribbons for the first three winners in each class and booths where they will be able to spend the money on the refreshments that always help to make a celebration complete for the kids. For the drowsy, there is to be games of chance and a place to read and enjoy a game of kings for the fans of this popular game.

To start the day off in proper fashion a parade of floats will follow a route from 1st Street, up Main to the Memorial Park there in the softball diamond where they will be judged for best entries. The parade for the parade will be provided by the Edson Park Band who will march in three waves. We understand that there is a greater number of very original ideas to be seen when the parade starts up Main at 10:00 a.m. Monday.

ENTRIES
Commercial entries will form up on 1st Avenue between 1st St. and Main Street at 8:30. Children's entries will form up at the corner of 7th Ave and 4th St. in the school at 9:00. The parade is to commence at 10 a.m.

The parade will be headed by an open convertible carrying Mayor W. H. Kinsman and two council members. It will include the 25-piece Edson Park Band, the Edson Army Cadets, local troops of Boy Scouts and Cubs and local drum majorettes.

A small truck will be provided by Mayor Kinsman.

PRIZES
Each child entering, provided in costume or with decorated bicycle, 25 cents. Other prizes will be given only to decorated entries. Clowns are provided for decorated floats, wagons and bicycles; decorated bicycles up to 10 years, decorated horses over 10 years, the first 4 classes will receive \$2 for 1st, \$1 for 2nd and \$0.50 for 3rd; the first 4 classes will receive \$2 for 1st, \$1 for 2nd and \$0.50 for 3rd; if desecrated. Decorated bicycles over 10 years will receive \$2 for 1st, \$1 for 2nd and \$1 for 3rd if desecrated.

There will also be prizes for fancy, original and clever costumes and for the most original. All prizes will be awarded according to the number of entries. All prizes will be awarded according to the number of entries.

Commercial classes ribbons only will be awarded with the winners writing publicity in local papers in addition. Clowns for most original costumes and best all-around entries will be awarded.

PARADE ROUTE
Parade will start from 1st and Main at 10:00 a.m. 1st Street and North 1st Street to the corner of 7th Ave and up to the school. Parade continues up 4th St. to 1st St., then turns East to 1st St. and enters the sports grounds. It then proceeds around the grounds, crossing 1st St. and back to the softball diamond for judging.

Jasper National Park A Mecca For Tourists

Jasper National Park, established in 1907, is one of the largest national parks in the North American continent. It contains an area of 4,500 square miles extending along the eastern slopes of the Canadian Rockies in Alberta.

In contrast with Banff, Jasper town which is the centre of administration, lies in a wide fertile valley. The town is a wide fertile valley which is the mecca for the tourists. It is accessible by road or by footpath. They attract visitors fishing and are kept well stocked with trout. Jasper is reached by a paved highway from Edmonton on the east, and by the Banff-Jasper highway from the south. A construction road extends from Jasper through Vermilion Pass to Banff and Medicine Hat, but motorists are warned not to use this road unless they have obtained immediate information about its condition from the administration office in Jasper.

Bathing and swimming. Those who prefer cool water for summer swimming frequently use some of the lakes in the Jasper region. There is a heated pool at Jasper Park Lodge for the use of the guests and bathing in the natural waters of this hot spring. A modern bathhouse and swimming pool are located at the Hot Springs. In addition to the main bathhouse there are several small, heated pools for the use of the guests. The public heated outdoor pool at Jasper is unique, with swimming rooms and a changing room. It is located at the Hot Springs.

Queen Elizabeth Range. It is reached by motor road to the east of Medicine Lake, thence by road from Medicine Lake, about five miles, to a portage by bus, about ten miles, to the lower end of Medicine Lake. Accommodations there consist of two lodges, a number of bungalows and cabins, and a number of tent cabins.

There are complete facilities, and it is possible for those who wish to have their own camping equipment to make arrangements for transportation with either of the two companies — Melrose Travel Ltd. or P. Beverley's Rocky Mountain Camps — to guide across to the lake. At the lower end of the lake there are complete facilities for 25 tents. Two outdoor stoves are available, as well as outdoor type facilities. There are also camping sites at Site No. 4, No. 7, and No. 11 toward the upper end of the lake. Camping permits must be taken out and can be obtained from the district warden. The trip to Medicine Lake can be made in one day, approximately 10 hours, and includes a scenic five-mile boat trip over Medicine Lake, and a slender cruise on Medicine Lake with time for a full-course lunch and tea. However, it is much more enjoyable to take at least two days for the trip, enter into the lake in the morning and returning the following afternoon. It is impossible to remain for a longer period. For accommodations, reservations, transportation rates, etc., write either of the above companies, address Jasper, Alberta, or call at their office while in Jasper.

Fishing. The Jasper fish hatchery located east of the townsite, is maintained by the Canadian Government and is one of the best in Canada. It supplies bass, rainbow trout, and brook trout. The hatchery is open to the public, and the value of all national parks. National Park fishing license is required to fish in Jasper and all national parks. Information about open season, how to fish, and even where to fish, should be obtained from the administration office or information bureau.

Self. — The 100-mile self-courtesy is combined with Jasper Park Lodge. It is one of the most pleasure in the world. It is the home of the "Three Pole" Permanent residential community. The view for \$1.00 per day. There are over 100 miles of trails of Jasper as well as more than 90 miles of fine and spectacular roads. Ask for a copy of "Trail Notes at Jasper" which may be obtained at the town information bureau.

Jasper Lodge
Telegraph Office
Now Open
Consistent with the official opening of Jasper Park Lodge, the Jasper Telegraph Office is now open for the summer season on June 24 with a staff consisting of the following: Mr. N. E. Scott, of Jasper town office; Miss Fay Elsie of Edmonton, and Miss Shirley Worsfold, a Jasper Water-Tender's daughter with the C.N.R. telegraph. Information. Miss Anne Worsfold of Edmonton is taking the position at the Jasper town office for the summer months.

Medical services have few alternatives, except in the event that the complex of public a disease which has caused untold suffering and suffering. Public health services in the area that contains malnutrition, tuberculosis, and other diseases that, through services can be prevented. — Larchmont (Larchmont) Warden.

Invitation To Enjoyment
HERE JOHNSON at the Dance Hall Cafe, Hinton, has a spot that should become a tradition. Open everyday from 8 a.m. to 10 p.m., lots of parking space and coffee that is really good.

ANOTHER MILESTONE FOR CANADA

Now pulp and paper markets in Canada and the United States are assured of a constant, on-the-continent supply of top-quality bleached sulphate pulp ... produced in Canada. This special pulp—Alberta Hi-Brite—will be turned out at the rate of 430 tons a day by our mill at Hinton, Alberta.

Much of the credit for this project must go to the government of Alberta. It set aside six thousand square miles of territory for the mill and for the spruce and lodgepole pine forests that feed it. The land is managed on a sustained-yield basis. This provides that the amount of wood cut will never exceed the rate of wood growth. Thus, while the mill turns out its large quantities of Alberta Hi-Brite, Alberta's fertile forest acres will be continually replenished for the future.

Alberta Hi-Brite, produced from trees with fibres that give outstanding strength and formation, is used wherever a new whiteness and brightness is needed in paper or paper products. The mill was jointly financed and is owned by St. Regis Paper Company (Canada) Ltd. and North Canadian Oak Ltd. and was constructed and is managed by St. Regis Paper Company, who join us in bringing to Alberta, and to Canada, another important contribution to the pulp and paper industry.

Edson Health Unit To Open In July

The Edson Health Unit officially opens its doors on July 1st. The new staff members to report for duty will be Mrs. Dora Wilkie, the nurse, technician and secretary, treasurer to the board, and Mr. Kitchin, the sanitary inspector. Each of these appointments are effective July 1st.

The Senior Public Health Nurse, Mrs. Dora Wilkie, reports for duty on July 1st. She will be stationed at Edson. Mrs. Andrews, who is coming from British Columbia will start work in the Drayman Office in the first part of August. The appointment of a third nurse, who will be based at Hinton, has not yet been made.

Drayman Valley and L.I.D. 77 have been part of the Hazy Hills for Mrs. Anne Health Unit, but are now being transferred to this Health Unit. The Baby Clinic in Drayman Valley will be carried on as usual, as this there will be no interruption of service.

With the exception of nine or ten years, the whole of the population of Alberta is now served by Health Units. Some have been in operation for many years, others are just recently organized. The number of staff in any Health Unit depends entirely on the number of its population, regardless of the geographical area covered.

A million of 20,000 people is required before a Health Unit can be started, and to obtain this minimum population, Edson extending from the Park Centre on the west to the eastern boundary of L.I.D. 77, and covering the "Coal" George Collins and Mrs. Collins.

branch, which the area served by Highway 16 and its side roads east to Edmonton, 12 miles and L.I.D. 77 which includes Drayman Valley, Valley Grove and Loderdale. Your Health Unit will serve an area of approximately 6,000 square miles. It includes L.I.D.'s 77, 78, 79 and 80.

On the basis of this population, Edson Health Unit is destined to one medical officer of health (not appointed to date), three Public Health Nurses, one sanitary inspector and one stenographer. A very small staff for a very large area.

The method of financing a Health Unit and the services which its residents can expect will be dealt with in a further series of articles.

Patricia Bagg Wins Essay Contest

It takes a brave girl to write an essay on farm safety. This was proved when Miss Patricia Bagg was a first prize for her essay in the Edson Division. Besides winning a plaque to hang in her special room, Patricia also gets a personal award to commemorate her winning the contest. She is the daughter of Mr. and Mrs. W. Ed- dy.

Wife of the Coal Branch School Division came on from Safety was taught by Mrs. Bagg whose teacher is Mr. Harrod.

Mrs. Florence Harris of Lloydminster is visiting her brother, Mr. Harrod.

The draw for a 21 inch Westinghouse TV set being sponsored by the Kingdom of Siam has, Edson, will be made on Saturday, July 1, at 7:30 p.m. at Memorial Park.

Athletics Win Own Tournament For Second Straight Year

BY KEN SMITH

Edson Athletics Baseball team played some of the best baseball that has been seen around these parts in taking the final game from Champion Fighters by the score of margin—3-2 on a last of the ninth tally. Although the day was far from ideal, there was a good crowd on hand for the final which commenced at 7:00 p.m. and was the only game of the day that did not have to stop for rain.

Edson won their way into the finals with an easy 6-0 victory over Union Hill before the game commenced, prevailing the final, while in the game young aggregation needed a Homer Run in the lead of the in the other word final. In all three one hit games went into the records, and almost all encounters were real thrillers for the fans.

Edson, who had played two games in Champion's 1st round, couldn't make a play because of the rain. The runner advanced to go with Best Zelnick, who has been an all season with his 2 and 0 record in league play. Champion's choice was left, lefty John Deane, who was an excellent choice, but suffered a bit from rain in the late stages. Both pitchers performed well when the 50 degree weather is taken into account. How anyone can pitch effectively in that temperature is beyond us. Deane gave up only 4 hits in the nine innings—three of them to Edson's receiver, Frank Brown. He struck out 10 and walked 4. Best gave up 8 hits, but kept them scattered and struck out four, and gave up 5 walks. Champion opened the inning with a run in the first inning on two walks and a single by Dennis Johnson, their catcher. Edson replied with two in the second on two walks, an error and George Congrave's 1st hit single. George who hit 3 for four and played like a shortstop, drove in all the Edson runs. In the fifth Lefty Mark's error brought a grand slam, and the crowd remained excited until the winning rally in the last of the ninth. The Fighters really threw a scare into local fans in the 8th inning when Edson's drive up a lead-off double to Ed Heston. Two more field out timely, but the first hit to shoot and Congrave

Youthful Oilman Wins Kinamen Summer Cottage

Art Kinnamen of Spruce Lake, 24, winning last month's Edson was the lucky winner of the Kinamen Summer Cottage, raffish on July First. Art, who says he never has anything in his life, bought his ticket over the summer in Workington's Clothing Store, and seemed to have forgotten that he had a single ticket on the cash-regs. Being single and having no particular plans to put the cottage for any he will spend the best cash after now 17000. He can be reached at phone 224.

Large Contingent Army Cadets Going To Vernon

Twelve cadets of the Edson Army Cadet Corps leave on Saturday for a seven week course with the Canadian Army at Vernon, B.C. These army cadets will leave on July 24 for a two-week course. Chief Instructor Cy Smith and instructor Alvin Laperre are also scheduled to take a course at the instruction of provincial army men. Together with 200 other Army cadets they will spend the summer taking their various courses under the instruction of provincial army men. Successful marks for the cadets in any qualification course entitles them to a bonus of \$100 to \$200 money toward the camp and the remaining \$800 on his return home. Full hospital supervised recreational, chaplain and other facilities are available for the late in their training. Brigadier J. W. Bishop, R.C. area commander, will arrive in Vernon for the summer and will command the camp. He will be assisted by Major C. M. Rehill, Edmonton, as chief instructor, and Major D. K. Brown, Vancouver, as senior administrative officer. Cadets going the seven week course are: Murray Thompson, Gerald Chapman, Doug Taylor, Dwight Peters, Lee Armstrong, John Falk, John Allen, Teddy McLane, Ronald Johnson, and Vernon Thompson. Cadets Harold Peters, Jeff Paul and Peter Thompson are scheduled to go on the two-week course July 24.

Cottage All His

CIVIC BLOCK NOT YET AWARDED

The general contract for the construction of Edson's new civic block has not yet been awarded. It is the first contract submitted to the special meeting of the Edson Council on Tuesday.

Apparently the low bidder, discredited an error in his estimating for the general contract and awarded new work to proceed with construction of the building on the basis of the tender he submitted. This does not affect the contract for the block, which is awarded to the plumbing, heating and electrical contract.

Toronto Man Dies On Robb Visit

Mr. Andrew Edward Andrews, 65, died suddenly while on a trip to visit his sister, Mrs. Paul J. Andrews, at Robb, last week. He is survived by his wife. Funeral services were conducted from St. James Church on Wednesday morning.

First Six Months Building Permits Over Half Million Dollars

If the first months of this year be indicative what to expect for the rest of 1937, this will be a record building year for the town.

Totalling \$549,000 to the end of June, against \$505,500 for the whole of 1936, the record building approvals mainly of smaller commercial enterprises and 70 new houses.

Not included in the total are 10 older houses, being moved into Edson for the remodeling jobs, which are taking place all over town. Not also the total includes the new Edson civic block which will run around \$150,000 and the new Alberta Gas regional telephone building which is scheduled for starting this year.

The first six months of 1937 showed a total of \$549,000 while the first half of 1936 totalled \$490,000. The \$549,000 was for the new federal building.

The first half figures for 1937 include only one big commercial structure, the 8 room addition to the A. H. Stebbins hotel.

While Edson is not the only town in Alberta to be piling up record building activity there appears to be no indication either that the population for growth is going to slacken off in the immediate future.

Demand has been high this year for the lots being serviced with water and sewer in the east end of town and the rate at which they are being taken up would indicate more lots will have to be opened up next year as well.

TWELVE ARMY CADETS FROM EDSON'S ACTIVE CORPS left last Saturday morning for Edmonton on the first of their trip to the Vernon, B.C. summer training grounds. The six week courses offered at Vernon. At Edmonton the boys were joined by cadets from other northern Alberta centres at Calgary, Grande Prairie, and other centres.

The group from Edson, who on the last night attended the social at the Edson Hotel, are from left to right: Charles Reynolds, John Fink, Ronald Johnson, John Allen, Les Armstrong, Bruce Peterson, Douglas MacLennan, Gordon Carter, Teddy McLeod, Lyle Langer, and Marcel. Lawrence Patchell of Harcourt, Delmer Peterson of Harcourt, and Gerald Chapman.

The Alberta Scene
KEN HADSON

Education surveys and planning are going on behind the scenes that may be one of Alberta's biggest hydroelectric projects.

The site of the proposed development is on the little town of Riverbank, about 100 miles southwest of Edmonton and a few miles upstream from the place where it flows into the North Saskatchewan River.

No announcement has been made, and the official word is that nothing has been decided. But Calgary Power Ltd. is certainly interested in the possibility of building a dam in the area and has conducted extensive surveys.

An announcement may or may not be made in the near future, but it is certain that the dam will be a very important one.

If the dam is built it will be the first of its kind in the province and will be a very important one.

The most important result of the study of the dam is that it will be a very important one.

The dam will be a very important one and will be a very important one.

The dam will be a very important one and will be a very important one.

The dam will be a very important one and will be a very important one.

Is There Water Under Us?

The obvious reply by a town would easily be: "No, there isn't. But the town sure seems to be plenty in the clouds above us."

We do have in town one citizen, Mr. Soren Madsen, who is certain that there is plenty of water a few hundred feet down and has just drilled his well hole behind the Commercial Hotel in town and town. Last year Mr. Madsen had a hole drilled just east of the Stewart Hotel and found a steady flow of water at around the two hundred foot mark.

The well is now being drilled to a depth of 300 feet and it is hoped that it will be found that there is a steady flow of water at around the two hundred foot mark.

The well is now being drilled to a depth of 300 feet and it is hoped that it will be found that there is a steady flow of water at around the two hundred foot mark.

Elks Tournament Features Baseball and Big Midway

Elks -

Last Thursday evening at the regular session of the Elks Lodge No. 423 plans were laid for a tournament to be held on July 27-28. Committee members were selected for the various jobs and arrangements are now well under way.

Feature of the tournament will be the baseball game between the Elks and the local team. The game will be held on July 27 at 8:00 p.m.

In addition to the baseball game, there will be a big midway and a variety of other amusements. The tournament is expected to be a very successful one.

The tournament is expected to be a very successful one and will be a very successful one.

Leader Sports Review

By Ken McKee

Athletic Win The League Leadership

Blues Athletics took two straight wins against the Hawks today to take over top spot by a full game from Andy Shandy's boys, who dropped to second place. Jumper scored last from the lefty hitting 10-10 to stay right in contention 3 games back of Edson and two behind Hawks.

Blues scores were 12 to 0 in the first encounter and 10 to 7 in the second. Jumper scores were 12 to 0 in the first and 10 to 7 in the second. Jumper scores were 12 to 0 in the first and 10 to 7 in the second.

Blues started fast, racking up 4 in the second and they led 10-0 before the Hawks could get going. Jumper scored a large part in the first three as Athletics 12 scores came on only two hits off the Blues' back and Jumper scored three more runs, but were slower combined with two walks were given out (free and Edson put them to good use).

Free Jumper was in command all the way in racking up 12 runs, 10 hits, and he received perfect support in the field as Athletics

EDSON ATHLETICS TEAM AVERAGES

With 14 games of the St. John's North Western League behind them in the recent weeks, the following are the team batting and pitching records for the Edson Athletics, current League leaders. Pitchers earned run averages are based on 7 innings pitched.

AB	R	H	E	SO	BB	AVG

The two-year-old in his play-pen is fascinated by his animal pals. The longer he pulls the tail feathers out of every chicken in his father's flock. He has no idea at all how a farmer's son should behave, but he'll find out, later, when his brothers initiate him into the land 4-H club.

Here he'll learn by doing, adapted to his own head, hands and heart in the best possible way.

4-H Clubs were started with one simple idea in mind: to have rural young people do a worthwhile piece of work at home, voluntarily, and do it better than ever before. Plant a garden plot, perhaps, or raise a calf, make a dress, knobby a stove.

There are about 75,000 4-H members in Canada. Many will graduate into farm organizations in which are the progressive young farmers who—by using modern machinery and farm techniques—help to keep all Canadians well fed.

Safe Swimming

DON'T swim alone.
DON'T swim in unsupervised swimming places.
DON'T swim in unknown water. Rocks and branches may be hidden.
DON'T swim after eating. Wait at least two hours.
DON'T swim when overcast. Cool off gradually first.
DON'T swim when overcast.
DON'T swim too far from shore. Swim parallel to the shore.
DON'T swim until you become exhausted particularly if the water is cold.
DON'T swim after 4 or 5 miles, though by familiar with the swimming area, have it to be safe, and be accompanied by a "buddy".
STAY CLOSE TO SHORE.
DON'T panic if you should get into difficulties. You must think clearly if you are to do the right thing.
DON'T duck or push others in to water. PLAYFULNESS MAY COST A LIFE.

Tips on Touring

By Carol Lane

Woman's Travel Advisor

This summer really can be the "good, old vacation" if you spend as much of it as possible in the country. And your travel agent will be doubled if you know how to make the most of your vacation.

Car trouble is no fun in any time, but it's particularly aggravating on vacation time. Some of the following "tips" may help you avoid trouble and reach your fun on your next trip.

To avoid flat tires and blowouts, the most frequent summer troubles, keep your tires properly inflated. Have them checked frequently for air, tread and pressure.

In case of a blowout, keep calm, steer onto the shoulder and let your accelerator, engine stall and as a brake. When the car is under control, pump down on the brake and pull off to the side.

Car stalling is occasionally caused by vapor lock — overheated gas above evaporating and blocking the fuel passage. You can handle this stalling by turning off the ignition, lifting the hood to aid air circulation around the engine and waiting for three or four minutes. As the engine cools, the vapor lock will be dissipated.

You can prevent your engine from overheating at the start by a few simple tricks. Use low gear only when necessary. Don't turn off your engine during constant stop-and-go driving. During such long waits, speed up your motor for about 30 seconds at two-minute intervals to make the fan turn faster. Shift into neutral during infrequent idling periods.

Intermittent radiator trouble can be stopped by having your anti-freeze solution drained off, the cooling system flushed, and then filled with water containing a radiator inhibitor. And remember that your oil must be maintained at a proper level to do a thorough job throughout the engine. Do have it measured on the dipstick under the hood and changed at required intervals.

mother, Mrs. Rebecca Whidden, who will visit here for a few weeks.

Miss Lou Radcliffe is on an extended holiday in Vancouver, Canada.

Mr. and Mrs. Ben Gale and family are holidaying in various Manitoba centres for two weeks.

Mr. and Mrs. Steve Cradlock and family left this week for a holiday motor trip to B.C. and the western United States. They were accompanied on the trip by Miss Donna Wyndham.

Mr. and Mrs. K. D. Whidden are on holiday, part of which will be spent at Jasper, Alberta, where they will visit relatives.

On their return they will be accompanied by Mr. Whidden's

"Mabel," said the kennel owner to the happy apartment. "I offer you this thoroughbred bloodhound."

"How do I know it's a bloodhound?" she asked doubtfully.

"Hector," the owner ordered the dog, "bark for the lady."

"Bully," the young man exclaimed.

"No danger and catch," announced the judge.

The defendant said the first and then asked, "Hector, Your Honor, may I have several specimens of the coat of arms made to take back and show my friends?"

Applying for work in a machine shop the next-daylight job under struggled with the application blank until he reached the question: "Please be ready to take of and down."

He hesitated a few seconds and then wrote "Anybody is right."

IRENE CHALKIN OPERATING THE COMPANY switchboard. On her left is the new automatic board proprietary to being installed.

News from North Western

Irene - The Voice Of North Western

A few of the employees have noted the fact that with the advent of the automatic switchboard we will be losing our attractive operator, Irene Chalkin.

However, no piece of machinery could completely replace Irene. She has a certain magnetic nature that engineers have not been able to duplicate in the thousands of combinations that are taking the place of female operators.

You, her friendly voice, her part manner, have done as much for development and public relations as thousands of words.

Under the new automatic switchboard system an operator will be necessary to transfer outgoing and incoming calls and there will be provision to serve that position.

Irene was no stranger to telephone switchboards. She came to North Western, she began as a night relief operator in the town of Redversville, Alberta, and when her father bought the Hinton Hotel four years ago, she took over the town switchboard which at that time was in the lobby of the hotel.

After her father sold the hotel just for one North Western loan, she returned to Hinton, where she stayed on nights, the responsibility of the telephone plug and jacks of North Western in October, 1956.

Automatic Switchboard

The Alberta Government Telephone is now in the act of installing automatic dial systems in the town and for the Company. If all goes as planned, a female operator will be able to place the desired number. A call to an office number will be handled the same way but there will be no charge to the caller.

The automatic switchboard at North Western's administrative building will handle all Company calls, but a call outside of the Company will have to go through from Chalkin, the Company switchboard operator.

Free Chest X-Rays For All Employees

BY GLEN MATTHEWS

The Alberta Tuberculosis Association will be conducting a free chest x-ray clinic for North Western employees on the site, commencing July 26. Schedules for the clinic will be posted shortly. X-rays will be made available to all employees of North Western including the special clinics at the bush camps and mill site.

The clinic is to be set up for a period of two days and arrangements are being made for day and evening hours so that there will be no little interference with regular work schedules as possible. X-ray services will be held during the morning at Camp 10 which will also include local lumber camps in that area.

The Alberta Tuberculosis Association conducts these x-ray services for the good and welfare of the community and it is expected that everyone will attend the free clinic. It has been emphasized that no disturbing is necessary for this x-ray, however, no jewelry should be worn and all

Break Ground For New \$148,000 Edson Civic Block

Workers and a lot of dirt were digging into the hole on the North and Centre streets and Main this week for the ground for the building, the Edson Civic Block.

In house the Town office, the public library, the fire department, police department and the Edson Health Unit, should be placed in one. It is designed by the architects to accommodate town workers for the foreseeable future.

The block will be of concrete block and brick construction with steel frame, and one story high with varying roof height for the various departments. The roof for the fire department will be on the north side with a driveway for the engine to come out onto Main. The police department will have its main entrance on the alley in the inside the garage.

General contract for the construction of the block which will stretch from 5th Avenue to the Anglican Parish Hall, has been awarded to R. V. Coombs Construction Co., of Edmonton, for \$148,000.

The local firm of Kowal Co. Ltd., have been awarded the mechanical plumbing, heating, ventilating and gas fitting contract for \$21,000. The electrical contract was also awarded to the tenderer Kowal Co. Ltd., for \$2,000.

Other firms for the general contract were received from: Potts Construction Co., Edmonton \$119,261.00; New West Construction Co., Edmonton \$2,136.00; Clouston Builders Ltd., Edmonton \$14,900.00; Bishop Construction Co., Ltd., Edmonton \$62,232.23; Edmonson Construction Co., Ltd., Edmonton \$12,748.00; Universal Construction Co., Edmonton \$7,760.00.

Mechanical tender, Kowal Co. Ltd. were: \$22,010.00; Mahon-Peterson Ltd., Edson \$2,200.00; Arthur & Brown, Edmonton \$2,200.00; Potts Construction, Edmonton \$2,200.00.

Electrical tender, Kowal Co. Ltd. were received from: Mahon-Peterson Ltd., Edson \$14,346.00; Potts Construction Co., Edmonton \$1,755.00.

The Potts Construction Co. had included the electrical work and the Edmonson Construction Co. had included the mechanical work.

Total of the contract for the new building will run to approximately \$170,000.00 including inspection fees by the City. This shows the building of the new building on which no estimate is yet available.

Good Representation Out To Organize T.B. X-Rays

An excellent representation of the town attended the previous evening's meeting held in the Town Council Chamber on Tuesday evening.

Presented locally by the Women's Auxiliary to St. John's Hospital, the T.B. X-Ray will visit Edson in the near future. Mr. C. E. Pugh, Director of Alberta Tuberculosis Association is in the district making preliminary arrangements for the first Chest X-Ray survey and spoke to the gathering. A home is being

examined will be conducted in the town very early in Edson and the survey will be held in the town. If you are not contacted personally in the town please register at the Edson District Health Unit, 101 Main Street, or at the Town Hall in Edson. Your family is

invited to be taken particularly in the town. At either of these two places, although, residents will be contacted on page 12

Edson Released Pigeons Take 14 Hours To Victoria

A pigeon released by the CN Express, staff at Edson made the flight to their home hole in Victoria, B.C., in less than 14 hours of flying time last week.

Released for pigeon races in Victoria, the birds have done the flight in one or more races and their flying time has only been estimated previously for the more than 700 mile flight.

One of the birds was owned by 86-year-old Mr. Charles Welling and arrived home in time to make it for his tomorrow's race. It was dark at 8:30 p.m. when the pigeon got home in its loft but a light had been left burning and the owner made it easily.

Two other birds released later made it home at 5:00 and 7:00 a.m. respectively. The remainder of the 30 pigeons released must have stopped off to rest as they made it later.

Mr. and Mrs. Henry Korte (nee Elaine Cullen) were operating consultations this week on the birth of a son in the University Hospital on Sunday, July 21.

Oatmeal Savages Invade Our Town

Wheat and oatmeal savages paraded to the historical corner of every building along Main Street last evening, creating midnight at the beginning of this week.

A killed female wearing the costume of her rival star and a big male counterpart played the well known scene, making themselves carried in battle and played for amusement by several generations of their followers.

At all which takes some doing on the top of a moving stage.

ONE PART OF THE DEMONSTRATION showed the women safety and how to swim. They also demonstrated the method of righting a boat and getting into it safely. Here a group have captured their boat and are showing how an overturned boat will support itself. Photo by Grant

Sorred Heart

Pastor F. A. C. HANSEN, C.B.E.
Phone 407—4th Ave. East, Edmon
Sunday School 7 a.m. and 9:30 a.m.
Evening Service 7:30 p.m.
Wednesday Service 7 a.m.
Holy Day Services 7 a.m. and
7:30 p.m.
Heads and Intercession 7:30
p.m. Sunday Prayers
Catholics—8:00 p.m. Saturday
Evening

Individuals and groups from
Edmon and other areas are invited
to attend any of the missions, if we
will be able to do so. The program
will be for the small children, but
Mothers with small children will
welcome the free out-of-pocket
service provided during class hours.
Mothers' program, July 28, has
been postponed, followed by a
reception and ice. A tour of the
missions continues the afternoon.
Mrs. Van Houten, a traveling
lecturer from the Netherlands will
present "Life in the Netherlands"
that evening. Handicrafts are to
be demonstrated and on display.
Inquiries or program items are
to be sent every woman. "Fabrics
and Water in the Tropics" are the
topics of Miss Houten's address.
A group of women and
"Lectures for the Home."
"Where Will You Live?"
"Make the Most of Your Home"
"Family Happiness"
and sewing demonstrations are on
Thursday features "Your Money's
worth in Small Kitchen Equip-
ment," "Kitchen Counter Dis-
posal," "Electric Cooking," and
"Cupboards from a Lawyer."
Handicrafts are invited to attend
the Thursday afternoon program
and the largest at 8:00 p.m. with
Rev. Dr. Kenneth Pyle as guest
speaker.
For more detailed programs and
application forms, contact any of
them. This is a "Hobby Day"
homework work for the ladies
which is very in place.

Individuals and groups from
Edmon and other areas are invited
to attend any of the missions, if we
will be able to do so. The program
will be for the small children, but
Mothers with small children will
welcome the free out-of-pocket
service provided during class hours.
Mothers' program, July 28, has
been postponed, followed by a
reception and ice. A tour of the
missions continues the afternoon.
Mrs. Van Houten, a traveling
lecturer from the Netherlands will
present "Life in the Netherlands"
that evening. Handicrafts are to
be demonstrated and on display.
Inquiries or program items are
to be sent every woman. "Fabrics
and Water in the Tropics" are the
topics of Miss Houten's address.
A group of women and
"Lectures for the Home."
"Where Will You Live?"
"Make the Most of Your Home"
"Family Happiness"
and sewing demonstrations are on
Thursday features "Your Money's
worth in Small Kitchen Equip-
ment," "Kitchen Counter Dis-
posal," "Electric Cooking," and
"Cupboards from a Lawyer."
Handicrafts are invited to attend
the Thursday afternoon program
and the largest at 8:00 p.m. with
Rev. Dr. Kenneth Pyle as guest
speaker.
For more detailed programs and
application forms, contact any of
them. This is a "Hobby Day"
homework work for the ladies
which is very in place.

EDMONTON ALBERTA

To Mr. Hans Faass and His Associates

We extend our sincere best wishes to their operation of our old business known as

ANNE'S DUTCH MILL

Our grateful thanks go out to the people of Edson and District for their support in the past. It was a real pleasure to work with you and for old service to you. For Mr. Faass and his associates we do speak the same support and friendly relationship.

Anne and Lib Joy

OPERATING MANAGER of the new restaurant which holds the grand opening this week to Mr. Hans Faass and his associates was manager of the Canadian Railway News Restaurant. Mr. Hans Faass and his associates, S. Hermann made a flying trip home to Germany earlier this month to visit their parents before starting in full time in their new business.

Old Mill Brings New Faces To Main

The new company, Old Mill Restaurant Ltd., bring new faces to the business scene on Main Street with the new restaurant group taking over from Mr. and Mrs. Lib Joy in the building formerly known as Anne's Dutch Mill.

President of the company is Mr. Hans Faass, with Mrs. Faass as Secretary-Treasurer. A well known Edson businessman, Mr. Chas. Stead, is vice-president of the company. Mr. Faass brother, Mr. H. H. Faass, is a director, and will be actively connected with the operation of the new venture.

Members of the firm have many years of experience in catering to the food needs of the travelling public in both Canada and Europe. A special feature of the new restaurant will be catering meals for families "eating out."

Congratulations To The

Old Mill Restaurant

A Message From "Your Pharmacist"

IT IS AMAZING HOW MANY PEOPLE use a store that only a pharmacist is qualified to give. They must tell him and make the choice wisely required to choose an illness.

"THE BUTTER THE BARKER THE CANNISTERS' MARK" are all words to remember when you choose a store. They have a pharmacist — and that's why they have a favorite remedy for your ailment.

SOMETIMES THEY HELP but when they don't the delay in using proper treatment can give a virus or infection a foothold that is much harder to overcome.

DON'T GAMBLE WITH YOUR HEALTH When you are sick let your physician choose the cause and prevent the particular medicine that will help you most.

MORE THAN HALF of the important medicines in present day prescriptions were unknown less than five years ago. This is why you can always depend on a pharmacist recommended especially for your particular ailment, to help you most.

Filling your prescription is my most important job. YOUR PHARMACIST.

RANDALL MURRAY

The products sold at MURRAY'S are Nationally known brand names and assure you of satisfaction.

MURRAY'S SUPER DRUG

YOUR EDSON PRESCRIPTION CENTRE

hot water for twice the job!

Days & Nights English water heaters are economical and convenient. Plenty of hot, clean water for washing clothes, dishes, soap and more. Enough hot water to supply every hot water need in your home at all times.

Minister Hurt In Fall From Tree

Friends of Rev. A. J. Norquay of St. James United Church, Edmonton, will be sorry to hear of an accident suffered by him during a holiday on Manitowish Island, Ontario.

Rev. Norquay, who is well known throughout the district for the work he and Mrs. Norquay have done at the United Church Camp at Torpeter Lake east of Edmonton, fell from a tree while attempting to provide steel practice.

He is in hospital in Sault Ste. Marie where his condition is reported as "fair."

Lost Flyer Out Of Jasper Not So Lost

A twenty-year-old pilot from Edmonton is probably one of the luckiest young fellows around after his experiences of last week end. It was operating a weekend at Jasper with the Edmonton Flying Club Fleet Cessna and took off on the seven flight without a hitch.

Although he has given several stories of what happened, it seems he became lost and ran out of fuel. The next morning near Victor Lake, four miles west of the bank settlement of Grand Coulee, and through back had picked about the only spot in that part of the country that a safe landing could be accomplished—the meadows of Victor Lake.

Also through back, two Rangers and the Forest Department were on a port trip and arrived at Grand Coulee that evening.

They found the pilot, Ross, who had never ridden any horse, and with some one out that day caught or ridden. We'll bet that wings clipped for a while.

His story was that he had been flying over the mountains and was lost. He had no idea where he was and was very scared.

He was very lucky to find the meadows of Victor Lake. He had no idea where he was and was very scared.

He was very lucky to find the meadows of Victor Lake. He had no idea where he was and was very scared.

BOAT FANS IN EDSON DISTRICT are looking forward to the first regatta ever to be staged in this part of the country when the Edson Legion sponsored boat regatta is staged at Bear Lake, Sunday, September 1st. Over 25 racing boats from Edmonton, Poncha, and other districts are listed as the fastest boats in Western Canada. (The Regatta will be held Sunday if rainout on Sunday.)

The best from the city club played soccer in a friendly match in the middle of an exciting heat that kept spectators on their feet from start to finish. Knocked by Edson Legionist Elmer

Edson Steno Wins Kinmen Newspaper Bingo

The \$1,000 first prize for full card in the Edson Kinmen Club sponsored Newspaper Bingo was won August 1st by a new resident of Edson, Miss Belle Foster, who came from Edmonton and had started work with same day, was the lone winner, making her prize the full \$1,000.

The Newspaper Bingo started February 17 and created a wide interest with cards being sold in Jasper, Hinton and as far west as Edmonton as well as Edson and district. Besides the \$1,000 first prize card there were ten prizes of \$50 each given for a variety of things all of which were won game time.

Proved of the Bingo was to increase business a promising pool in Edson. This worthy fund sponsored by the Kinmen Club in Edson and backed up by almost every organization in town is growing all the time.

As well as donations from private citizens, a campaign was promoted last spring where local citizens were asked to pledge their \$20 or more from the Government lottery providing their children and themselves with a retirement fund by the end of the summer or next autumn at the latest. At this date approximately \$1,000 in pledges have been made and they are still tracking in.

A large part of the work done on the pool to date has been done by the Kinmen and other citizens. The large group of their time and energy to clear the city, at least the pool, or to date the pool has been done by the Kinmen and other citizens. At different times during the history of Edson, a start has been

School Trustees In Middle Of Teacher - Taxpayer War

If ever School Trustees had a doubt about the need for teacher salaries, they certainly cannot entertain that doubt any longer. The fact that school trustees have taken this turn of mind is shown by the fact that they have taken the step of increasing the salaries of their teachers.

School Division Orders Pupil Census At Hinton

At their regular meeting on Thursday, August 18, members of the Hinton School Division Board ordered that a canvasser be sent to take the pupil census in the town of Hinton.

Purpose of the resolution will be to determine as accurately as possible how many pupils for the public schools will be expected to be accommodated in the term.

The problem has arisen due to the fact that, though some of the Hinton Catholic Catholics voted for a separate school, they are now in a position to prevent such starting a new school and have petitioned the school division to educate their children until such time as they are able to get separate school accommodation.

Present at the meeting were: J. H. Lewis, R. G. Williams, Messrs. R. Campbell, W. Williams, Messrs. A. W. Leonard, Trustees, Superintendent J. H. Fisher, Assistant Superintendent C. Rogers and Secretary Treasurer D. S. Blundell.

Report for Hinton. The report on Hinton, Alberta, submitted by P. F. Duggan, Assistant Superintendent, was adopted in principle. Moved that a salary schedule for teachers be adopted as submitted. A lot of interest was shown in the report on the consolidation of the principals and residents of the division.

Insurance. Moved that the most money for the 1937 building program be expended on the school building. The building, however, the school. The building, however, the school. The building, however, the school.

Miss Teacher. Moved that the most money for the 1937 building program be expended on the school building. The building, however, the school. The building, however, the school.

Although Worthing Trucks have won their way into the men's softball league, the other half of the season between Edson Motors and Kinsmen has been held up pending settlement of an ineligible player protest.

Worthing took their action two straight nights on a 9-0 record over the men's softball league after taking the option of a 2-2 tie. Motors also took their first game—a thriller—by a 5-0 margin.

Both runs were scored in the second inning on a clean sheet by Edson Adams who came in on George Lindgren's safety. The second round of the best of three series went in Kinsmen on the strength of a seven-run rally in the sixth inning.

The first of the rally was a two-run home run off the bat of Ken Hays who also came up with some sparkling catches in the outfield. Kinsmen trailed 8 to 2 going into the sixth and scored every one of the runs for the 8 to 2 victory.

The final played Wednesday evening had about the biggest crowd of the season on hand to cheer. Kinsmen scored single runs in the sixth and seventh to win a close 9 to 8 victory, but the game has been protested on the grounds that ineligible players were used. A meeting to settle this protest is scheduled for Friday evening, and if a replay of the final is necessary, it will be on Sunday afternoon.

A grizzled old teacher in a rural home has been interviewed on his successful career.

Interviewer: "How did you get started in the teaching business?"

Old teacher: "It was simple. I put up a sign saying 'Teach'. A man came in and gave me \$100. Another came in and gave me \$200. By that time my confidence reached such a point that I put in \$500 of my own money and I was in business."

PRESCRIPTIONS and DRUGS are my most important job! - Let us fill your prescription

MURRAY'S Independent Drug store is not affiliated with any pharmaceutical organization. Your guarantee of choice of selection.

MORE PRECIOUS THAN GEMS

When a loved one is ill or in pain, you wait eagerly for the medicine which your doctor has prescribed to your distress or bring back health again. Can you measure the worth of relief that flows from the prescription bottle?

Today, Murray Drugs are here to give. The medicines they give save months or years of loss and hospital care, expensive surgery, a long period of suffering, sometimes give more than rubies or pearls!

Remember too that some medicines cost millions of dollars to develop... in research, laboratory, trial, and error. But with all of these millions spent to bring modern drugs into the world, the price of prescription drugs has come up less than half of other consumer items since 1914. There all remember how blessed is the comfort these medicines give, and what would be a without them.

Relentlessly honest brands sold at MURRAY'S are your guarantee of choice of selection, finest quality at the lowest price.

Labor Day Festivities to Include Softball Tourney

The Edson Amateur Athletic Association and the Men's Softball League are combining their efforts to put on a Labor Day and Softball Tournament on Monday, September 2nd. Softball men in Edson have been generous in their donations to help further this event and give the kids a last fling before they settle down to books and teachers.

There will be lots of free fruit, raffle, decorated bikes and prizes will be given prizes, and the parents can enjoy some street-fair softball at the same time.

Locally Grown Tomatoes Weigh More Than 2 Lbs.

Mr. William Wilson Sr. can be justifiably proud of his green thumb this summer.

Mr. Wilson, whose hobby is gardening, has been displaying a few of his best grown green tomatoes in the window of the Highway Grocery, and they have been catching the eye of many passers by.

Bigger than the average large tomatoes that we are able to buy in the stores, the three largest had a combined weight of two pounds or better.

Stores Closed On Labor Day

Edson stores will be closed for the Labor Day holiday on Monday with various exceptions, and operate on a service basis for the expected rush of foot holiday of the summer months.

Entertainment for the weekend (free and above traditional places in the woods) include the Ladies' Luncheon, which day in Edson on Monday. A dance in the Ladies' Memorial Centre will follow the rock and roll set.

DABLENE LANGER was the Commercial Hotel scholarship for Grade 12 student.

THE MAMMOTH fifth which Mrs. Lloyd Spreckle of Haddock is Land Street on page 26. The overland well-eyed who topped the scales at 7 pounds 3 ounces, and was 27 1/2 inches long and 1 1/2 inches in girth. When Mrs. Spreckle is her granddaughter, little Ode Haddock who was lost about as proud of this grumpy caught as if she had done it herself.

To Assist At Mobile T.B. X-Ray Clinic

Below is the list of helpers who will assist during the 12 X-ray campaign from August 28 to September 4. All helpers are asked to bring their own pens and to be there promptly. If for some reason you are unable to be there, please let Mrs. Ross, phone 302, be made as possible.

August 28th—Ladies' Hall from 8:00 to 6:00 p.m.: Mrs. A. Heston and Mrs. W. Spill.

August 29th—Ladies' Hall from 8:00 to 12:00 noon: Mrs. G. Hall, Mrs. W. Hartmann and Mrs. J. Chab; 2:00 to 6:00 p.m.: Mrs. J. McVie and Mrs. A. Grant.

August 30th—Ladies' Hall from 8:00 to 12:00 noon: Mrs. S. Perkins and Mrs. C. Thibault; 2:00 to 6:00 p.m.: Mrs. J. McVie and Mrs. T. Hendricks.

September 1st—Ladies' Hall from 8:00 to 12:00 noon: Mrs. G. Thibault and Mrs. S. Perkins; 2:00 to 6:00 p.m.: Mrs. C. A. Courty and Mrs. T. Hendricks.

September 2nd—Ladies' Hall from 8:00 to 12:00 noon: Mrs. K. McVie and Mrs. J. McVie; 2:00 to 6:00 p.m.: Mrs. K. McVie and Mrs. J. McVie.

Dynamite On The Loose

The Edson detachment RCMP report that 125 pounds of dynamite has been stolen from a dump site in the Edson district.

The explosion is made up of cardboard cylinders, two and one half inches in diameter and thirty inches long, some stamped on one end. They are labeled "Dynamite 50 lbs."

There is a possibility that youngsters may have removed the explosives and persons are requested to report the finding of any dynamite to the RCMP so it is highly dangerous.

LORDSHIRES ARE HOPING the present rainy weather will last over the weekend for their first snowed last report, being held at their Lake on Sunday, September 1st. The air will be blowing with southeast to west wind of the lake across over the country over Lake.

Anyone and having transportation will be able to go out on the bus driven by Mr. Ross. Highway for only 20 cents, round trip. Plans for the last snowed weather long weekend of the year should include the snowed last report at Snow Lake.

Dzuris Probable Winner Of Edson Leader Trophy

With only two games of the season remaining to go, the record book of the Edson Leader Trophy which has been donated to the local league in North Western Baseball League. Fred has a 22 point lead over his closest competitor, Tom Maxwell, who of Hinton who has 377. In third place, not quite up to the mark, is Ken Williams of Hinton who is winning the stick at a healthy 200 dip. Winner of the N.W. League is the leading pitcher for the season, but only if he gets in the minimum number of innings pitched—40. At present he is leading with a mark of 207, but the trophy will go to Gertie if 184 or 190, or 200, or 210, or 220, or 230, or 240, or 250, or 260, or 270, or 280, or 290, or 300, or 310, or 320, or 330, or 340, or 350, or 360, or 370, or 380, or 390, or 400, or 410, or 420, or 430, or 440, or 450, or 460, or 470, or 480, or 490, or 500, or 510, or 520, or 530, or 540, or 550, or 560, or 570, or 580, or 590, or 600, or 610, or 620, or 630, or 640, or 650, or 660, or 670, or 680, or 690, or 700, or 710, or 720, or 730, or 740, or 750, or 760, or 770, or 780, or 790, or 800, or 810, or 820, or DENNIS LEONARD of the Klondike Swimming Pool committee informed his figures a bit last week when constructive Chubbey poured the main walls. With the floor being poured this week, the pool should be ready in the next few days. Only condition is that the community come through with enough money and only to pay for the work currently being done, but to make sure that there will be enough to lay the foundation for the structure about to be built next spring and for the bath house. In addition to over two thousand dollars in donations, hours and hours of volunteer work has gone into the pool. The club, during the week, holding the great, etc. A truly community effort for a fine recreational asset.

I got this right from the horse's mouth

And I'm giving it on to you. When it comes to buying something you want, pay cash for it. If you haven't the ready cash, simply open a Savings Account at Imperial Bank of Canada, and deposit regularly until you've saved enough to pay cash, at the regular retail price—no over loan. Because you are paying cash, you are not involved with carrying charges and, Imperial pays you interest, while you save.

Remember—when you buy on time, you pay interest. When you save at Imperial, you pay interest.

Use Of Forestry Aircraft
Simplifies Tower Servicing

What happens when a Forestry Look-out tower goes off the air? That's easy, you say, somebody goes up there to see what's wrong. Sometimes it is that easy, but this week one of the most formidable towers, located, west of the air.

A lot of things could be wrong. Radio or engine trouble, sickness or accident, and even the possibility that the towerman was "bushy" or could not hear the radio. When the towerman was "bushy" or could not hear the radio, the towerman was "bushy" or could not hear the radio.

An aircraft exists about 4 miles from the tower, but its position after the above-mentioned radio was unknown.

But, aircraft, either of rescue or helicopter type was the obvious answer. Since the Department's tower was at Grand Prairie and there could reach the tower rather, a call was put in for it.

The Center is a four motor, capable of the kind of performance needed in such trips of unknown who to send.

Only two men could go with the pilot, since space must be allowed for the possibility of sickness or accident, in which case the towerman would have to be flown out.

Obviously, the two men to go should have knowledge of both radio and engine to carry these men and mechanic were not familiar with the tower, and a four trip to tower was necessary.

In the knowledge and experience of these familiar with this area was posted in the form of a map, given to the two men and off they went.

Well, everything turned out fine. When the aircraft made a pass over the tower, there was a white point was the message "Greensboro Tower!" as at least there would be no corpse or skeleton case to remove.

The trip was in reasonably good shape considering recent precipitation, as a reasonably "wet" job was completed in quick time and British Tower was back on the air. Easy! Yet! But only because several men used. A remarkable achievement every day hours.

4H Club News
McLEOD VALLEY 4H GRASS CLUB

The McLeod Valley 4H Grass Club held their regular meeting at the Vets. Home on Friday, August 18, with 12 members present.

After a discussion it was decided to have a dance on September 7th at the North Elementary School. After a few games of horse ranch was served to close the picnic.

September Bride
Shower Guest

A magnificent bridal shower was held in Glenwood (canton) Hall Wednesday evening for Miss Karen Jacobson bride-elect of September.

The ladies of the Glenwood Community Club played bridge to about twenty-five guests. In addition to evening of fun, Miss Jacobson and her bridesmaids, dressed as brides and groom, attended to a large gaily decorated as pink and blue while Mrs. W. Newman played the Wedding March.

Karen made the customary wish to each guest as she opened the gifts, which proved hilarious. The evening was brought to a close by the serving of a delicious luncheon.

News from North Western

A CHANCE for old buddies to get together. Ralph Wainwright from New York and John McCarty from North Western who attended grade school and university together came again for the third time in two years.

SERIOUS COMPLAINT. Stan Hart, Bobbie Smith and Ted Palmer sampling the show on the road.

The original nitwit was the boy. If you can't get away for a job who played his mother and in 1955, you can get the her, they played for money on some feeding for playing home and the grounds he was an orphan. Hopping every third person you see.

BUNNY LADIES AND RICE TUMBLER to whom the party and public was a debt of gratitude for a wonderful meal. From left to right: Mary and William, Sheila (Sharon), Doris, Marjorie, Gladys, Margaret, Ruth, Frankie, Rita, Edna, Julia, Wainwright, Mrs. Arnold, Selmer.

A FEW OF THE 100 GUESTS AND GUIDES DURING THE TOUR

North Western Host To Pulp Consumers

The pictures on this page were taken at the time that a representation of pulp consumers and their wives — over eighty people in all — were touring North Western's mill and number one camp.

Exactly two years ago, North Western was host to these same people who came to see "the mill that wasn't there" and left with the decision to return when the mill was completed.

Along with demonstrations by the Woodlands Department which was the only operating department in the Company in those days, was a live group of the Woodlands by the wives of the employees. An interesting aspect is that, the housewife at that year's time, which was held in the new Athabasca Valley Hotel were comprised of the same ladies who did the honors in August of 1955.

The special section of the national train which was carrying the group's home and by at 2:15 on August 22nd giving them a final look at the mill they had come so far to see.

Wayne Smith Return Home Guy Dempsey On Holidays

Wayne Smith, 31, Maple Trading director left last Saturday afternoon with Mrs. Smith and daughter Vicki for their home in Pensacola, Florida. Wayne, who through long association was beginning to look like a North Westerner, will be greatly missed by Company people from every department. Industrial training coordination will now come under the Department of Public Relations.

Looking on August 22nd, Guy Dempsey of Woodlands and Mrs. Dempsey will be visiting friends and relatives in the east. They expect to be driving back in a new "Buick".

— "Don't, don't be so downhearted. I have never heard of anyone dying at work." — "Vance, right, don't tell me that. It's only the hope of dying that has kept me alive so long."

Vol. 5 Edson, Alberta, Thursday, September 5, 1937 No. 2

MARCO TOMICH of Texaco Courtesy Service presents Mrs. Yellor Gustafson, of Edison, with the lovely portable radio she won as the door prize at Courtesy's opening last week. **Marco** and his two brothers, **Emil** and **Bill**, are former Coal Branch lads and make a smiling addition to Edison's service station lane. A Leader Photo.

EDSON FLYER IN EUROPE—Based at Marville, France, with the RCAP's No. 445 All-Weather Squadron is Flying Officer R. L. Richardson (r) son of Mrs. A. E. Richardson, Edson, Navigator for one of the CF-106 interceptors which provide night fighter strength for the RCAP's NATO Air

Division overseas, F/O Richardson is shown here with his pilot, Flight Lieutenant K. R. Johnson of Brampton, Ont., just before a flight. No. 423 was the first of four CF-100 squadrons to be transferred to Europe and now forms a part of the RCAF's No. 1 Fighter Wing there.

Cancer Drive Brings \$857.48 From Citizens

By MRS. JAMES C. HARRIS

The local canvass for the Canadian Cancer Society in Edson and district was very successful. Thanks to the Leader for their splendid write-ups on cancer during our local campaign.

Thanks to the voluntary canvassers for their good work, to the spirit! Edson groups who gave us generous donations and to all donors, large and small. Thanks also to the Nova Theatre manager.

men and staff for a successful Sunday show.

Thanks to Mrs. Nicholson for the hand cradled work for a draw. It all adds up to \$857.48.

Anyone who has not been canvassed for a donation, or anyone wishing to give to renew memorial during the year, in lieu of flowers, may do so at Cumby Ladies Wear at anytime and obtain an official receipt for same.

Separate School Electors Favor Dissolution

HINTON—

At a meeting Wednesday in the Athabasca Valley Hotel, ratification of the Separate School District No. 68, voted in favor of dissolution of the Separate School district and of re-uniting with the Public School District No. 4518.

The decision of the meeting was reached after a discussion of the whole separate school situation and following the vote, which showed 23 in favor and 25 opposed, the gathering made the further motion that "While no action of this meeting can bind the Roman Catholic electors with respect to the future, this meeting wishes to go on record as being opposed to the further establishment of a separate school district at Hudson for a period of at least 2 years."

'Tain't So

Your editor would like to take this chance to say that our son, Richard John, who weighed in at St. John's Hospital at 7 minutes to midnight Labor Day at 11 pounds 2 ounces has not regressed has not been running around the corridors or swinging over the side of the crib when the Sisters aren't looking.

We just happen to be a real
kid like our other six (2 sons and
4 daughters).
The Sisters have been pulling
our editorial leg, but we love
every minute of it!

Thursday night, ratepayers of the Public School Division will be asked to consider the union of the two districts. The meeting is to be held in the Canada Caterers Dining Hall and will commence at 8:00 p.m. Both the Superintendent and Secretary of the Edison School Division, along with the sub-divisional trustees will be in attendance at the meeting. In addition, Mr.

Tea will be served by the Ladies of the Hospital Auxiliary.

BIGGER CROWDS at

The Clint George trophy was won in the heat 20 mile marathon by young Lloyd Tounley of Edmonton for the hydra, while Jim Paron won the roundabout class in the same race.

Jim Paron was also the winner in the first heat in the 34" class and Bill Whiteside was winner in the second heat. In the roundabouts Peter Mapleback took the first heat with Dan Timbers taking the second. In the D roundabout class Allan Men of Alia, Alta. took both the

Witnessed by one of the largest crowds ever seen at the lake, the contestants received cans of special oil from Al Worthing, Bill Pillay, Paul Gummie and Clint George in addition to the trophy awarded by Mr. George and his

At Fortier, Western Canadian champ, of Lethbridge, took the first heat in the D Hydra, while Allan Men took the second. The first heat of the D runabout saw all of the boats disqualified while Wayne Townsley took the second heat.

Not All For Liquor

There will be no telling how much of the "treaty money" or more properly, 60 and then Royalties Alberta citizens will spend in pubs and the government vendors but a spot check Thursday and Friday of this week confirmed the fruits of money by an unusual amount of activity in the "wet" places and more than a normal traffic in twenty dollar bills.

Another criticism seems to be that there is no apparent immediate check possible on the people to whom a deduction of identity seems nothing. It would be theoretically possible for a person to visit most of the banks in the province and collect his twenty bucks from each.

Merely the stamping of some identification such as a birth certificate should be a minimum precaution to see that money belonging to all Albertans is not protected by an unscrupulous man. It will be revealed that this system was used with liquor permits and worked remarkably well during wartime rationing.

We are sure the majority of Albertans will put their money to good use and on the other hand, really appreciate being considered responsible enough to be able to spend their share of our national resources for the most good.

In our district several hundred people have pleaded their disinterest in help toward our war-winning plan. Others are turning it over to their churches. The rest can say this is not for the good of all.

The Alberta Scene
By E. H. HARRISON

...the Alberta scene is a picture of a man and a woman standing in front of a building. The man is wearing a suit and the woman is wearing a dress. They are both looking at the camera. The building behind them is a two-story house with a chimney. The caption below reads 'The Alberta Scene'.

"Well, Back to the Gallies!"

Bank of Canada Policy Blamed For Revival of Usurious Rates

The tight money policy of the Bank of Canada, which has been in effect since 1935, has been blamed for the revival of usurious rates. The policy, which was designed to curb inflation, has resulted in a shortage of funds, which has forced lenders to charge higher interest rates. This has led to a revival of the practice of charging exorbitant rates, which is considered usurious. The Bank of Canada has defended its policy, stating that it is necessary to maintain low inflation. However, critics argue that the policy has had unintended consequences, including the revival of usurious practices.

...the Alberta scene is a picture of a man and a woman standing in front of a building. The man is wearing a suit and the woman is wearing a dress. They are both looking at the camera. The building behind them is a two-story house with a chimney. The caption below reads 'The Alberta Scene'.

Businessmen Donate For Local Kiddies Day Here

Edmonton businessmen made much money in a very short time in making Kiddies Day here on Labor Day very much of a success. Estimated by members of the Edmonton Association of Business, the sports occasion that the town is right to be proud of.

As well as publicly thanking the businessmen for the money that they donated to the Kiddies Day, the association is also planning to hold a series of events to raise money for the same purpose. These events will include a series of games and a series of performances. The association is also planning to hold a series of games and a series of performances. The association is also planning to hold a series of games and a series of performances.

Citizen's Duty To Assist Police Officers In Arrests

We read with interest a report in the Edmonton Journal last week describing a roundup of the Exhibition in which a city policeman was indicted on a charge of assault on a citizen. The police officer was charged with assault on a citizen who had refused to assist him in making an arrest. The police officer was charged with assault on a citizen who had refused to assist him in making an arrest.

Utility Board Approves 36 Mill Tax Structure

Edson citizens who have wondered where the next tax increase was coming from through the years will be interested in the budget for the new year of 1938. Utilities that Edson has served years to get and pay for are taken as a matter of course in a new town with millions in taxable assessments. Hereafter, however, it falls upon the shoulders of every citizen to pay for the services of the Board of Administration.

Taxation structure for the New Town of Edson during the 1937 fiscal year which has been set at 36 mills has received approval of the Board of Public Utility Commissioners and approved 36 mills and fixed reading at the last meeting of the Board of Administration.

Estimated receipts from taxation, based on an assessment of \$10,000,000 will bring \$360,000. Receipts from other sources such as sale of land and sale of debentures will bring the total revenue to \$1,100,000.

A breakdown of the estimated receipts 36 mills applied for municipal needs, 2 mills for school and 1 mill for hospital. Although town officials do not report any other tax increase in municipal for next year, the rate of millage will be changed considerably to approximate more to actual and hospital and for municipal.

Largest single source of revenue will be the sale of debentures to the total of \$750,000 which will cover the cost of water and sewer system which totals \$400,000 and the building of municipal hospital which will require \$750,000.

The following is the list of programs for the year 1937:

RECEIPTS FROM TAXATION	
As shown in Schedule	\$360,000.00
Other Receipts	1,000.00
Interest, Premiums, etc.	1,000.00

Bank Policy
By systematically demanding wage increases, "they" had pretty much run out of gas for the year or so, but this confidence spirit of wage increases which go into cost and come out in prices, has about reached the limit. Wages must be stabilized before we can expect prices to fall. The companies in whose businesses are including surplus inventories and stable dollar price rate to beat the competition." "We are warning down many good and substantial accounts because we don't have the facilities to accommodate them. The Trans-Canada Bank is making it clear that it is not a part of the bank's policy to accept deposits from customers. There can be no bank expansion of credit and we have no nationalistic organizations from which to draw reserves." "The situation is that we are hardly looking after our own, long-term customers."

THROUGH THE Study Window

Before anything further is written, will you please take note of the experimental price schedule of the new magazine, *Through the Study Window*, commencing about 2 p.m. This is for the entire family, and now is the best time to get the magazine in the next issue of the paper.

The biggest event of the week, apart from the disbursement of the twenty dollars, arriving early in the morning of the school, the entire family, and now is the best time to get the magazine in the next issue of the paper.

Chase races have long been popular at Canadian sporting events. Even in the 18th century, the best regattas were numerous. In 1800, the Canadian Canoe Association was organized. Dominion championships events have since been conducted regularly under its auspices.

In 1884, the International Canoe Federation was formed. It was responsible for organizing world championships and for the inclusion of canoeing in the program of the 1900 Olympic games. On this occasion, Frank Simpson of Ottawa won a gold medal for slugs.

Canoe Proved Valuable Aid In Developing Canada

Summer is the time when a North American canoeist would have been busy with his paddle. The canoe, comes into its own if it is an important aid in the early development of Canada, and now is the best time to get the magazine in the next issue of the paper.

ABC of School Fashions

By MISS M. HALLICOLSON
 When the bell rings the first day of school there'll be many new faces and many old faces. One, all polished like a new penny. Each boy or girl has given the school a beautiful and new name. Each boy or girl has given the school a beautiful and new name. Each boy or girl has given the school a beautiful and new name.

The "handwriting on the wall" is from the Scriptures, known to most of us as the Old Testament. There was a time when the Bible was considered the most sacred of books. It is still true that for a course of study in human nature and how it is controlled, the Bible is unrivaled, and is the greatest of the Bible in its intellectual treasury.

Oil Dividends Of \$150 Possible By 1960

The September 1, qualified Alberta oilers will become eligible for their first Citizens' Participation dividend under the provincial program of sharing equally the income from oil development.

Source close to the Alberta government says this first payment is a mere token to the amount that will be ultimately paid.

"If our oil development and gas report program proceeds at the present rate of expansion, I wouldn't be surprised to see dividend of \$150 in 1960," said one provincial executive.

The dividends this year are based on an appropriation of \$11 millions made by the Legislature, representing roughly one-third of the year's estimated income from oil and gas royalties.

Provision is made in the existing legislation to carry funds over to another year, or draw at times from a future year so as to maintain an orderly rate of payments from the dividend pool.

It is expected that a million dollars will be paid out over the next year, with the balance of the year's dividend pool being paid out over the next year.

Alberta's Citizens' Participation program, which began in 1956, is the first of its kind in Canada. It is the first of its kind in Canada. It is the first of its kind in Canada.

We knew we had a "honey" of a car

BUT...

... this year's Pontiac has even won running out of petrol for the good looks that have put it at the top of Canada's most wanted cars. Could be good styling always comes out on top.

Remember what all the male fashion magazines were full of pink ads? Store windows blazed pink on every side and, for a little while at least, skirt designers were very happy. Then the designers began and dealers tried everything they could to dispose of the pink skirts that people weren't buying any more. One more fancy had had come and gone.

We think there's a moral in this that applies to the car business, too. And when we take a look at Pontiac's color record this year, we're sure of it. Consider everywhere appreciates Pontiac's quiet, graceful beauty... the absence of flash and gaudiness. They recognize and appreciate the sort of workmanship in every detail that only General Motors can put into a car. They like the friendly treatment and the efficient service they find whenever they deal with a Pontiac dealer.

But me for yourself as you drive. Just count the Pontiac... and you'll agree the riding tide of Pontiac popularity is turning into a veritable torrent.

POPULAR CHOICE FOR PARTICULAR PEOPLE.

Bangs Vaccination Starts Soon In District

Bang's disease—the cattle men's fear—will be a thing of the past in this district. Dr. J. E. Williams, will begin vaccination this September.

All farmers who have had calves

vaccinated previously will be receiving notice of the vaccination by mail within a few days. With the notice will be a card which must be completed and returned immediately if vaccination is desired.

Farmers who have not had calves vaccinated will not receive this notice. However, many of these will want to vaccinate against this disease which costs as much each year in aborted calves as well as a mild misery in some families where someone has contracted the disease from infected animals.

All that is necessary is to send a note to Mr. Dunning in Bang's Plains, stating the number of calves between four and twelve months of age which are to be vaccinated. Address and land location must also be included. Farmers will then be notified where the vet is coming to the farm.

After a few years of vaccinating all better calves against this dread disease, a farmer will have a herd that is almost completely resistant to Bang's disease. Mr. Dunning pointed out. Although the disease has never appeared in a particular farm, it can easily be brought in. The calf's mother's milk, or the buying of an infected cow, will often come great loss from abortion in

ST. JOHN'S HOSPITAL, one of the scenes of the "Open House" on Wednesday afternoon from 2 to 5 p.m. when the "Edson" of the Hospital Auxiliary were business as usual and district residents.

St. John's Hospital Open House Is Well Attended

Despite the rain that fell intermittently, all afternoon, more than 125 persons attended the open house at St. John's Hospital on Wednesday afternoon of this week. Members for the afternoon were members of the Hospital Auxiliary who received guests through the various departments of the hospital.

While many people have seen the inside of the waiting room, the wards, recovery room, and many more have seen sometimes unknown glimpses of operating room and other parts of the hospital that do not show these pleasant surroundings some very unusual scenes of a well equipped hospital are very seldom seen by the general public.

Tall rows of white plastic flanked either side of the lower hospital door where visitors were welcomed by a smiling sister superior. Next they were asked to sign a guest book by Mrs. Elizabeth Trapp, who had given tea at the hospital opening 35 years ago on October 15.

From this point guests were free to wander upstairs and downstairs as their fancy dictated, looking in to various places of interest throughout the hospital. In each department there was a sister to show them around, and give explanations.

Superior of the kitchen, Sister Janzen was very proud of the new range which was only installed this past July, and which was equipped with overhead filters and canopy to catch all cooking odors and carry them outside by means of a big pipe and fan. Other ladies

Local Businessman George Koebel Dies Suddenly

Residents of Edson were shocked when word spread around town Monday afternoon that Mr. George Koebel had died suddenly at his home.

Mr. Koebel is well known as the president of Koebel Co. Ltd., in which he has been associated with his three sons during the past few years. He was 41 at the time of his death and had been in ill health for some months, but had appeared to be on the road to recovery. Besides his loving wife, the late Mrs. Mary Koebel, whom he married shortly after coming to Edson in the late twenties, he is survived by three sons, George Jr., John and Len; two daughters, Marion and Barbara, and two sisters in Germany.

Before commencing his own business in the mid-thirties, Mr. Koebel had run the plumbing department of, first, the Service Hardware, with Rex Allen, then the same department with Edson Hardware.

Funeral services are being held from Sacred Heart Church at 2:40 p.m. Saturday afternoon.

TWO CAVE MEN seemed to be following the Shrike people on their last Saturday morning. They must have been connected with the show, but we never heard them say.

MEMBERS OF THE CHAMPIONSHIP predeclared the "playboys of the Shrike order" the drill squad show who they were named (the playboys) are well known for their good looks and in their colorful uniforms as their original children's band front of Edson Hotel Co. Saturday a.m. Ottawa.

Town Dump Being Littered With Debris

Town authorities are incensed with the practice of many people who use the town dump as a place to dump their debris as they would. Privately a number of cases of this kind have been reported. It is thought that the dump is being littered with debris as far as Edson on the east, north of Edson on the north, south of Edson on the south, and west of Edson on the west and the east.

Sixth Edson Water Well Being Hooked To System

Edson No. 6—water well—is to be hooked to the town waterworks system shortly after a successful pump test this week in which the well produced 71 gallons per minute for 24 hours, with a total drop in water level of only one foot.

Drilled to more than 300 feet, this well gives promise of relieving Edson's critical water supply at one of its capacity wells successfully brought in.

Another site, just west of the creek on the north side of 4th Avenue is being drilled this week, also No. 6 and will be taken down to over 300 feet in an attempt to find water in the sand layers with only a short pipe.

At their regular meeting on Tuesday evening, the town produced a new case under barometer and indicators that will be capable of handling a streetwater pressure of well for the sum of \$6,700.

This year alone the town has spent more than \$10,000 on ditching work to put in water and water supply lines, and it is thought that the next will more than pay for itself in a few years.

Edson School Division Staff Now Complete

Edson School Division reports an increase in enrollment and staff with 1,200 pupils registered in school, in the Division at the beginning of September. This is an increase of 200 pupils over the registration at the same time last year.

Largest increases are shown at Edson and Linton with a percent population in Edson schools at 1,200 pupils, and Linton of 600 pupils as compared with 1,000 and 175 at a year ago. 100 teachers are now employed in the Division, compared with 85 at the beginning of school last term. Following is a complete list of the present staff in the Edson School Division:

Edson High School — Mr. H. H. Smith, Principal; Mr. A. J. Smith, Vice-principal; Mr. W. B. Smith, Mr. D. Smith, Mr. F. Smith, Mr. G. Smith, Mr. H. Smith, Mr. I. Smith, Mr. J. Smith, Mr. K. Smith, Mr. L. Smith, Mr. M. Smith, Mr. N. Smith, Mr. O. Smith, Mr. P. Smith, Mr. Q. Smith, Mr. R. Smith, Mr. S. Smith, Mr. T. Smith, Mr. U. Smith, Mr. V. Smith, Mr. W. Smith, Mr. X. Smith, Mr. Y. Smith, Mr. Z. Smith.

Nova Scotia Will Be Moving

Contract was let last week for the construction of a new building for the Nova Scotia government. The building is to be located in the city of Halifax and will be used for the government's new office building.

Mr. J. Gerlitz Appointed

Returning Officer

Word has been received that Mr. John Gerlitz has been appointed returning officer for the Edson constituency for the October 20 election.

Mr. Gerlitz is well known in Edson as the senior partner in the firm of Gerlitz & Son Insurance Agency.

Mr. Gerlitz has been busy this week getting the necessary papers signed in Edson and the rest of the big electoral district, which extends as far as Edson on the east, north of Edson on the north, south of Edson on the south, and west of Edson on the west and the east.

Kinettes To Sell Apples For Pool

The Edson Kinettes apple sale this year will be on Tuesday, September 21, at the Kinettes pool house. The actual sale will be held on from Funder's parking lot for ladies afternoon tea.

The sale of apples will be conducted as in previous years from 10 to 12 o'clock.

Apple trees in the town have been planted in the past few years and it is hoped that the next year the sale will be held in the town.

ATA Withdraw From Uniform Salary Discussions

By KEN MASON

Edmonton—The royal commission investigation into a possible provincial salary scale for school teachers is off to a good, quiet start. On the second day of the hearings in Edmonton last week the commission for the Alberta Teachers' Association walked out on the investigation and announced that the powerful ATA would be taking no further part in the commission's work.

The reason, according to a letter headed by commission chairman G. M. Blacklock, was that ATA could not give "grave assurance" that the hearings will be conducted with the impartiality demanded of a royal commission.

He says that at this point what the school will be is a 20 mile an hour race to see who can get the most out of the commission. He says that the ATA is not interested in a uniform salary scale but in a salary scale that will be based on the needs of the teachers and the Alberta School Trustees' Association, which favors the idea.

Mr. Blacklock says that the ATA is not interested in a uniform salary scale but in a salary scale that will be based on the needs of the teachers and the Alberta School Trustees' Association, which favors the idea.

Mr. Blacklock, never one to miss words, found the ATA action and showed a "disappointed attitude."

No more was heard until the opening of the second day's hearing, when the chairman announced the teachers' feel they are badly treated and are withdrawing from the inquiry.

The third letter to the commission and the ATA is in support of my proposal that the commission be authorized to do whatever it deems necessary to do in the first of its sessions could be made through the use of qualified persons who would be asked to report to the commission on the results of a survey of the salaries of teachers in the province.

At this point it appears doubtful if the teachers will receive their hearing. Some executives of the association say the next move is up to the commission.

Meanwhile all the universities as far as is in favor of a province wide scale of salaries for teachers. (Info regarding the list was provided by the school trustees and the Farmers' Union of Alberta.)

The trustees agree that a uniform salary scale, administered by an independent commission, would put an end to long and drawn out negotiations and every year between teachers and school boards.

In prolonged negotiations, the relationship between teachers and school boards becomes strained, the teachers' group, with the result that it forces delays and the children suffer.

Blacklock in turn, from the other side, presented the ATA as a body which is not interested in a salary scale but in a salary scale that will be based on the needs of the teachers and the Alberta School Trustees' Association, which favors the idea.

Mr. W. C. Taylor, vice-president of the ATA, said that the ATA is not interested in a uniform salary scale but in a salary scale that will be based on the needs of the teachers and the Alberta School Trustees' Association, which favors the idea.

Both groups feel that a wide wage element the present out of those competing for the services of qualified teachers, with the larger and wealthier communities consistently subsidizing the salaries of those in the poorer areas.

The royal commission is expected to report its findings to the government in time for the next session of the Legislature.

THE ALASKA LINK

Reports from eastern Canada mention increased interest in Alaska, B.C. in the "Alaska Link" between the PIA and the north through the mountains interior of B.C. The cost these days of a rail line through that area would prove staggering.

Comments from the northwestern states have been promising. Washington on the project. They feel it would be to develop the economies of Alaska and they say the rail or railway would be of vital importance, through a military point of view.

Many appear to be to be considered in the project if it is shown to push the road or railway through the mountains interior of B.C. The cost these days of a rail line through that area would prove staggering.

Comments from the northwestern states have been promising. Washington on the project. They feel it would be to develop the economies of Alaska and they say the rail or railway would be of vital importance, through a military point of view.

We Laughed At These . . .

State and beauty on the occasion of his 80th birthday. Old Pete was being interviewed by a lady reporter for the Edmonton newspaper.

"Ah, your telephone, sir?" "Hello! Yes, this is Old Pete. I'm 80 miles an hour in a 20 mile an hour race to see who can get the most out of the commission."

"Old Pete smiled and nodded his head, nodding the time to come of his money. "Could he, huh?"

Scholarships From Local Business

Students going to Edmonton schools are fortunate in that the number of scholarships being made available through the generosity of local business firms are increasing in number each year.

Started soon after the end of the last war by local business firms as a means of showing appreciation to local people and in recognition of being able to carry on successful business enterprises in this district, these scholarships are examples of modern business at its best.

The trend at the present time seems to be to broaden the field that funds are doing everything possible to discover the students best suited to follow academic studies with a view to going on to university. The feeling on this continent is that many students fit and capable of university training are not reaching university.

On the other hand universities fully justify that there is no shortage of applicants, which indicates that a good many young people are going into university when they shouldn't be there at all.

All able students should be encouraged and given to attend university and locally provided scholarships certainly would seem to encourage our brighter local pupils being given some incentive.

A suggestion was noted recently that grade nine diploma mental examinations be used as a guide to help in the selection of students for university. At the same time, the diploma would be used as a guide to help in the selection of students for university.

Mr. Brucelle of the Brierley Market, pointed out in his address at the scholarship presentation, business and industry have the right to expect the best from the local students, even though they do not go on to university.

The present two per cent of our young people who are supposed to be exceptionally gifted as natural leaders and who come from all economic, social, racial and national backgrounds, can be more readily discovered by a consistent reward system for brilliance in school. Our more complicated modern life needs to have these bright young people discovered and encouraged as early as possible.

NO PATRONAGE

Disgranted MP's had been told to get out of the federal house or jobs are reported to be pending against a "no patronage" act passed by some key cabinet ministers. The matter was referred to the House of Commons for a vote.

The House of Commons is expected to vote on the "no patronage" act. The act would prevent a minister from appointing or dismissing a person from a government department without the approval of the House of Commons.

The House of Commons is expected to vote on the "no patronage" act. The act would prevent a minister from appointing or dismissing a person from a government department without the approval of the House of Commons.

Marquet Robins

The Harry Hastings home was the scene of festivities on Wednesday evening of this week when the Robins family were guests.

Twenty-three friends of Mrs. Robins were on hand to wish the bride to be the best and to present her with many lovely and useful gifts.

What was the center of the evening was Mrs. Robins and Miss Hastings.

A lovely home was served by Mrs. Robins and Miss Hastings.

"THE INCREDIBLE SHRINKING MAN"
 Family

WED. - THURS. SEPT. 23 - 24
 George Montgomery
 Mona Freeman in
"BURN"
 Showing at 7:30 and 10:30 p. m.
 Edward G. Robinson
 Kevin McCarthy in
"MILLWARE"
 Showing at 8:45 p. m. Adult
FRI. - SAT. SEPT. 27 - 28
 Alfred Ray - Radio-Phone in
"THE SHAVE ONE"
 in Technicolor and Technicolor Family

QUITE A NUMBER OF EDSON PEOPLE took in the Edson Bank Board last Saturday afternoon. First picture shown before World War II, the organ here began to make it a pretty event again and from the columns of some of their riding stock and contents, it shouldn't be too hard to do.

Goats on your fall schedule

Our fall coat collection is packed with fashion news, fashion flattery! We have coats of every length, and in every wanted ultimate. Many are luxuriously fur-trimmed. Choose from fine fabrics... brilliant colors and pleats!

H & N STORES LTD.
 MAIN STREET
 EDSON

The **DEMO** in **fall** fashions

fashion to depend on **SEPARATES**

Soft, feminine, flattering... our new fall dresses have every thing! Skirts, a crisp sheath with tulle skirt, novel boyish neckline.

Separates will take us new drama, new importance this fall. A lovely example... our jersey blouse trimmed in the same lined as its skirt.

Letter To The Editor

Sir,
 Would you please be so kind as to print this letter regarding the editorial "Why We Indulge" published 17th which was in your September 12, 1937, edition.
 The point I was trying to bring out in my letter was the manner in which the prisoner was handled. Please don't wait my word on it, is inevitable that I felt he should have been let free. Whether the fellow thought he had it coming to him or not is strictly immaterial. The fact still remains that he was mistreated. Thank you for your letter.
 An Irate Citizen

"He told me he was going to a stag party," an angry wife told a divorce judge recently. "and my brother-in-law saw him with a young lady."

The Edison Leader

The Voice of Edison Country

Vol. 5 Edmonton, Alberta, Thursday, September 28, 1934 No. 28

MORE THAN ONE HUNDRED YEARS have passed before the sight of Mr. J. W. Jarrell was seen in Edmonton last Sunday from Charlton, West Virginia to visit relations there and with his daughter, Mrs. Harry Smith in Edmonton. Mr. Jarrell, it seems here in a few generations picture which includes his daughter, Mrs. Laura Smith of Edmonton, great granddaughter, Mrs. Steve Beckwith and granddaughter, Mrs. Jack Pearce, who is Mrs. Beckwith's mother, both of Edmonton. Mrs. Beckwith has a child, the fifth generation, when she had not thought for the one day trip from the city.

Mr. Jarrell, who will be 103 years old next January 13, said he could remember a lot of happenings that had taken place during his life time. He could remember just a bit of the Civil War in the States. He has been a farmer and rancher during his life until his retirement about 20 years ago and has travelled through most of the United States at one time or another.

Of his few children, there are still living, Mr. Smith in Edmonton and two sons in Denver, Colorado. Although he has travelled a great deal the trip to Edmonton was the first time he has travelled by air. It took him hours for the trip and Mr. Jarrell said they treated him like a king and he intends to continue to use this mode of transportation whenever possible in his trips.

When Mr. Jarrell learned that he was to have his picture in the paper, he said that he wouldn't be in "Looking for a million a 100 year old man."

Edgson Cat Waits By Roadside For Family

Although our local politician, Mr. Carson Edgson will not be taking over as premier of the Grand Prairie office until December, Mrs. Edgson and family moved to the northern city to get settled before cold weather arrives.

The family had a small mishap enroute to their new home when they moved over the September 14 weekend. It was the truck with their household effects was halted in the northern city to get settled before cold weather arrives.

The family cat, a long time pet, was taken for a walk during the stoppage and somehow slipped out of its harness and escaped into the thick bush along the road.

With much lamentation from the younger members, the family proceeded to their new home in Grande Prairie.

Mr. Edgson returned to Edmonton by the same route on the following Monday and was surprised to find the cat waiting by the side of the road. It had come back to the same spot on the road and although other journeying had tried to catch it, it waited until its "family" came along.

Mr. Edgson brought the cat on to Edmonton with him and made an other trip to Grande Prairie this past weekend to take away its rightful owners.

To Lay Cornerstone

Mr. E. H. "Harry" Tucker, long time secretary-treasurer of Edgson, has agreed to come and officiate at the laying of the cornerstone for Edgson's grand new home here.

The ceremony has been set for Wednesday afternoon, October 2, at 4:00 p.m. In addition to the main contractors and other officials it is hoped to have other visitors from Edmonton as well.

A useful invitation to all citizens who can be so kind for the ceremony is solicited.

BRIGHT SUNLIGHT shows the outline of the new community swimming pool from the west angle. Just recently poured, the pool should be in operation early next year. Only one important thing can hold up completion of the pool—the long grass. Old residents burned more, disintegrated, for better and shall not well supported will make the pool a reality.

Friends See Bill Off To UK

Returning to England for a visit for the first time since he went back just after retirement from World War I for the late Mr. John, Bill York was seen off by an enthusiastic bunch of Edgsonites as he boarded the train Wednesday afternoon.

Saturday evening Bill was given a luncheon at a barbecue at the Field House and later in the evening was "surprised" by still another group of friends at his home.

One of Edgson's closest friends and in later years a well respected peace officer, Mr. York will be followed with good wishes from all.

Conservatives Calling Oct. 5 Convention

Provincial Conservatives from all over the huge Jasper-Edgson federal constituency are meeting for a convention in the Civic Hall, Edmonton at 2:00 p.m. Sunday, October 5.

Mr. Len Kelly, Provincial President of the Progressive Conservative Association is scheduled to be an attraction and the meeting will be chaired by Dr. H. N. Harcourt, who is a constituency member.

Following the business meeting of delegates, a buffet supper is being arranged.

All interested in attendance, this constituency meeting are urged to come.

It will come as welcome news to the many farmers and other rural residents in this district who belong to the Edgson Farmers Rural Electrification Association Ltd. that it won't be long until they are "hooked up" with Calgary Power.

"While it is not too soon for a 1934 hook-up for the completion of the power lines, except for some underwritten shares many parts of the district should be enjoying the convenience of electricity by Christmas, or shortly after," says Harold Chapman, president of the Association.

A sufficient number of contracts to warrant the approval of the Provincial Government which is the Rural Electrification Board, throughout the province puts up by way of a Part 2 Loan had of the money necessary to finance the line have been received, and the contracts have been forwarded to Edmonton where they have been approved both by the Provincial Government and Calgary Power.

Thursday, September 19, the Board of Directors of the Edgson Farmers Rural Electrification Association met at the home of Mr. R. Chapman to make ready for work on the line which will soon commence.

Later locations, which were set forth by the members of the Calgary Power Company, were discussed and given final approval.

A committee was set up to discuss with local officials the arrangements for erecting transmission lines and to make arrangements with the district engineer for building on the road along the line.

At the time of writing, the committee has not completed arrangements, but as far as they have gone, they have reported much interest and enthusiasm throughout the district. It is hoped that in the near future orders for hooking up will be called and notice to this effect will appear in the local papers.

Following the "breakdown" all that remains is the erection of the line, although this is not a simple as it sounds requires much engineering.

Because of the great amount of planning necessary, a great amount of delay and work would be caused by late orders to the association at some stage, it would be made.

Therefore the Board is still receiving applications and forwarding them to Edmonton, but that cannot guarantee that there will be no delay in the construction of the line at the same time as the rest of the district thus causing delay for all.

Maintenance On Alaska Highway Efficiently Handled

ENRICHMENT British Columbia with Wilhelmsen's road crew has been working on the highway since it was planned for the summer of 1936. The road crew has been working on the highway since it was planned for the summer of 1936. The road crew has been working on the highway since it was planned for the summer of 1936.

You be the judge
This is the case of a houseowner who wanted a particular mortgage application. Not having the ready cash, he opened a Savings Account at Imperial Bank of Canada, and saved for it. Because he was not satisfied with carrying charges, he was able to buy it at the regular retail price, and save money on the purchase. He also received interest, from Imperial, while he was saving. You be the judge. Isn't buying with cash the surest way to get the thing you want?

ALBERTA'S NEW MINISTER OF PUBLIC HEALTH, Dr. J. D. BOWEN

Bowen was sworn into the Executive Council, September 18. He succeeds Dr. W. W. Cross whose retirement was announced recently. Dr. Bowen will retain his seat in the Legislature, representing the Hand Hills constituency until the next general election. Hon. Dr. J. D. Bowen, Lieutenant-Governor, administered the Oath of Allegiance while Oath of Office was administered by R. A. Crockett, Clerk of the Legislative Assembly. Also, the new Minister, who previously held office in the new Legislature, is congratulated by his predecessor, Dr. Cross, Premier Manning and Hon. Dr. Bowen look on.

WILSON, BILL, YOUNG, a few voyagers were a group of his friends when Bill boarded the ship for his visit to England on Wednesday afternoon. From left to right are Legion President, Chris Knapton, Town Secretary-Treasurer, and many friends in Edson. —Leader Photo

Provincial Fire Commissioners To Speak Here

According to word received from Edmonton, Mr. Austin, E. Brimley, Fire Commissioner for the province, will be addressing the speakers in the public school who are working as Junior Fire Marshals, on Monday.

Mr. Brimley stated that he was very pleased to learn that the plan for Junior Fire Commissioners are now being introduced in Edson.

It is a problem that is becoming more and more serious each week and will be a source of trouble to the city.

Edson Elks Entertain Gainford Brothers

Highlight of the regular meeting of the Elks Lodge on Tuesday evening was the visit of members of the Gainford Lodge with the Traveling Carnival.

A good turnout were on hand to entertain the guests and an enjoyable social evening was held following the business meeting.

and was anxious to give the program a boost.

Details of the plan which is being voluntarily entered in to be grade 2, 4 and 5, in the elementary school, can be found in this week's Leader.

Due to inclement weather the Elksmen are alone has been postponed to Friday, October 11 and will now be held in the High School Auditorium at 8:00 p.m.

Prize totaling \$1,200 are up for the offering and interest has been rising steadily for the big game.

FINISHING TOUCHES were put on the brick work "corner" of the new Elks Lodge on Tuesday evening. Included in the envelope was a copy of the Leader's front page last week and other items that will be of interest to future Edsonites. —Leader Photo

Forestry To Take Block In West End Edson

Council approved the sale of block 51 to the Department of Public Works for the construction of a sawmill, garage, shop and warehouse for the sum of \$1,000 at their regular meeting on Tuesday evening.

The block of town property lies just north of the present Provincial Highway Department block in the west end of Edson.

Council has decided to employ the services of the private surveyor, Mr. Henry J. Day, for the purpose of making an immediate assessment of the whole town for tax purposes in 1936. It will be recalled that Mr. Day's company did Edson's assessment several years ago.

Provision was given to the Curling Club to hold a turkey shoot in the shading arena on October 12.

The Town also went on record as endorsing the formation of the recently organized Edson Fishing Club and have given the group permission to use the wharf on the understanding that the club assume all liability and that the Town will not be responsible for maintenance of the wharf.

Council are advertising the closure of the road which runs north and south across the field on the grounds of a hotel in this town to street and gravel vehicles.

No. 8 well which produces to produce at least 40 gallons of good Edson water per minute, has cost the Town \$2,000 for the drilling and installing casing. The pump has so far been put into the well to force the water into the waterworks system. One is in order.

Car Bingo Postponed

Calling All Sportsmen

Members and sportsmen interested in the formation of the Edson Athletic Association which has been called for Tuesday evening, October 8, at 8 p.m. in the Legion Memorial Centre.

Purpose of the meeting will be the planning of the coming hockey season and arranging details of the sportsmen's dinner which is scheduled to be held shortly.

Snow Catches Building Boom

Wide Open

Edson's unprecedented building boom this year has been going great guns during the fine last weather and this week's heavy snowfall has caught many a person around town with no roof.

Moved part way out into the street, the old Elksmen Electric store building has been shifted on its trip down Main to its new location as a warehouse in Edson at the time of writing.

Officials had to take shelter under a big tree to lay the corner stone of Edson's new town hall and move of other smaller projects have been temporarily halted by the sudden snow storm.

Margaret Robins Wed In Quiet City Ceremony

Quiet United Church in Edmonton was the setting for the wedding on September 28, of Margaret Robins, daughter of Dr. and Mrs. W. F. Robins of Edmonton and Miss Christine Gough.

For the occasion, the church was decorated with white and pink carnations. Her bridesmaids were Misses Margaret Robins, daughter of Dr. and Mrs. W. F. Robins, and Miss Christine Gough.

The bride, who was given in marriage by her father, wore a grey dress and carried a grey spray of white and pink carnations.

The ceremony was held in the quiet United Church in Edmonton.

H & S Hold Successful 'Meet The Teacher's Night'

The Home and School Association held its first meeting for the season in the High School Auditorium on Wednesday, September 28, at 8 p.m.

The meeting and reports were read and a play, was presented to the audience.

The Home and School Association held its first meeting for the season in the High School Auditorium on Wednesday, September 28, at 8 p.m.

The meeting and reports were read and a play, was presented to the audience.

Beware The Dog - - Poisoner

Several dogs have been found dead without apparent cause in the town area of late. Tests conducted by the Provincial Laboratory on three of the victims, has determined that all three died of poisoning—two of arsenic and the third of strychnine.

Obviously the death of these dogs was not accidental but designed. To deliberately poison a neighbor's dog, probably a child's pet, is hardly the work of a balanced mind. Dogs are known the world over as "man's best friend," and where children are concerned can often be considered a member of the family. It is therefore to be hoped that the police will be able to find the person who has committed this crime.

But that isn't the whole story. The perpetrators of this crime must have obtained the lethal dose both that they do not lose a man's dog and that the dog is not a menace to the community. The dog is a member of the family and it is not a menace to the community. The dog is a member of the family and it is not a menace to the community.

FIRE MARSHAL PLAN — FIRST IN ALBERTA

Junior Fire Marshals A Fine Program

Medical authorities report that as a result of the fall vaccination drive, there is no vaccine to protect our youngsters from death or injury resulting from fire.

If there were last year this continent would have been spared the tragedy of over 2,000 children killed by fire. This is more than the total number in the 14 and under age group who died from polio in the 14 and under age group.

But while it is doubtful there will ever be a "mange vaccine" for fire, there is a note of hope in a growing program that teaches children both fire prevention and fire safety.

This is the Junior Fire Marshal program created by the Hartford Fire Insurance Company, and sponsored in Edmonton by J. T. McNamara Agency.

In the past decade, some twenty million youngsters have been enrolled as Junior Fire Marshals. Last year alone three million elementary children qualified.

These three million youngsters saw to it that their parents made a careful check of household fire hazards.

These three million children pledged—in writing—not to play with matches. This is especially important since upwards of 7,000 of the 200,000 home fires each year are caused by children playing with matches.

Junior Fire Marshals received fire prevention and fire safety instruction in their classrooms. They received periodic instruction in the home. They were reminded of the need for year-around vigilance against fire.

Each year a report is directed at our youngsters—and at the same time reminding the support of parents and teachers—of the time when our youngsters in 1924 fire caused more than 10,000 deaths and nearly a billion dollars in losses.

We look forward to the time when all adults are former Junior Fire Marshals.

Are You Fireproof?

This is the \$1 billion-dollar question during National Fire Prevention Week from October 8 to 13—\$1 billion because that is the anticipated fire loss for 1937.

Test yourself on this True or False quiz. If your rating is less than 100 percent, you need the training that 6,000,000 school children are getting this year through the Junior Fire Marshal program.

This school program sponsored locally by the J. T. McNamara Agency and nationally by the Hartford Fire Insurance Company is now beginning its eleventh year with a record of fire safety instruction given to 20,000,000 youngsters during the decade.

Don't take from a hand to your knee! Try this fire-proof test based on the Home Inspection Report appearing in the fall issue of the Junior Fire Marshal magazine distributed without charge by J. T. McNamara Agency to Grade 3, 4 and 5 school children in Edmonton.

1. Adults may be stored in a wooden container as long as it has adequate holes for ventilation. True — False —

2. Portable heaters are safer and more economical when placed near or against the wall. True — False —

3. Extension cords for lamps, TV and radio sets are best protected when laid under rugs and carpets. True — False —

4. Heavy fire drapes upon children, waste paper and are valuable. True — False —

5. To keep paint fresh and free-burning, it should be stored near heat pipes or radiators. True — False —

6. Flammable liquids should be stored in highest shelf of closed closet. True — False —

7. Smoking in bed is as safe as any place in the house. True — False —

8. The best way to report a fire is to yell out the window. True — False —

9. Small fire extinguishers are old fashioned. True — False —

10. In new, modern houses and apartments, it makes no difference what size face you use in the face box. True — False —

Answers will be found on page 7.

Fire Safety Hints "Do - It - Yourself"

Fire safety is no accident and this is particularly true for the "do-it-yourself" amateur around the home. Here are some general hints from the brief review of Canada's 25,000 firemen, pretty self-reliant fellows themselves in family chores and crafts.

1. **Blow torches and welding equipment** — No other equipment has greater "bottle" hazards. Fuel and light in the open, properly set off, are fire hazards.

2. **Matches and smoking** — Number one item for every workshop ought to be at least one large metal sandfilled box reserved exclusively for this purpose. For the preoccupied craftsman, any old tin is hardly as adequate as a tray. Sweep and clean up slacks, sweaters and other debris after each night's work. A tidy work area will make the next job at the job a happier and a safer one.

3. **Showering** — Probably you feel you know as much about this subject as does the writer of this piece, whose only qualification for posing as an authority here was that he built a house with his "own hands". In his case, he made it a habit of calling in a professional to do the main jobs of wiring and connections.

4. **Showering** — Probably you feel you know as much about this subject as does the writer of this piece, whose only qualification for posing as an authority here was that he built a house with his "own hands". In his case, he made it a habit of calling in a professional to do the main jobs of wiring and connections.

5. **Showering** — Probably you feel you know as much about this subject as does the writer of this piece, whose only qualification for posing as an authority here was that he built a house with his "own hands". In his case, he made it a habit of calling in a professional to do the main jobs of wiring and connections.

6. **Showering** — Probably you feel you know as much about this subject as does the writer of this piece, whose only qualification for posing as an authority here was that he built a house with his "own hands". In his case, he made it a habit of calling in a professional to do the main jobs of wiring and connections.

7. **Showering** — Probably you feel you know as much about this subject as does the writer of this piece, whose only qualification for posing as an authority here was that he built a house with his "own hands". Parents!
Your Junior Fire Marshals want
you on their team!

Your Grade 3, 4 and 5 school youngsters will soon be coming home with a Home Inspection Report to make out. It's part of a Fire Prevention Week campaign to make our homes safer. And you'll have an opportunity to take part with your child in a worthwhile community project, the Junior Fire Marshal Program.

As your local Hartford Agency, we are happy to cooperate with the Hartford Fire Insurance Company in sponsoring Junior Fire Marshal activities here. More than three million boys and girls throughout the nation are participating this year. And the program has the unswerving endorsement of teachers, fire officials and civic organizations.

When you join the children—and us—to help make our community a safer one to live in!

LISTEN TO WHAT THE KIDDIES SAY

FIRE PREVENTION will be a family business in the Bay Roberts home as well as in millions of other Canadian homes during National Fire Prevention Week (October 4-12). The screen and TV star joins three of his children, Dorothy, Duffie and Dabida in a fire prevention inspection tour of the family's California residence.

Only, at 10 a full-fledged Junior Fire Marshal in the program sponsored as a public service by Hartford Fire Insurance Company, holds a copy of the full text of the Junior Fire Marshal magazine which features a home inspection report for boys and girls. His adopted little sister, Dabida, an American-born girl, and Duffie, a Korean War orphan, are both just fire and eligible for the first time for school and a chance to participate in the Hartford Fire's splendid fire prevention and safety program.

Junior Fire Marshals Spark Fire Prevention Week

One of the first communities in Canada to introduce the Junior Fire Marshal plan, Edson school children will next week begin a program intended to make them fire conscious the year around. The plan is that Edson school children in grades 4, 5 and 6 will spend local observation at National Fire Prevention Week (October 4-12) when they launch the full fire Marshal campaign.

PREVENT FIRES!
...don't overlook your wiring system!

SPURRY SAYS: DON'T GIVE FIRE A PLACE TO START

KOEBEL CONTRACTORS

Celebrating its tenth anniversary in 1937, this gigantic fire prevention and safety education program is expected to credit more than 100,000 boys and girls in 48 states, Canada, Hawaii, and the Philippines. The program is sponsored nationally as a public service by the Hartford Fire Insurance Company.

Highlights of the anniversary campaign were announced today by J. J. McManus, of the J. J. McManus Agency, sponsors of its local program in cooperation with elementary schools and the local parent.

Article of the 1937-38 program in the National Junior Fire Marshal Home Inspection Report, October 7 at school. This report appears in the new fall issue of the 12-page Junior Fire Marshal magazine provided by the J. J. McManus Agency.

"To qualify as a Junior Fire Marshal," Mr. McManus said, "a boy or girl must complete a fire safety check of his own home and return the home report, signed by a parent, to his teacher."

"Children who complete home reports during the forthcoming campaign will receive official Junior Fire Marshal agent cards being introduced this year, and 'red star' stickers for their homes."

Calling attention to this year's 10th anniversary of the Junior Fire Marshal, Mr. McManus pointed to the program's growth and wide acceptance as "the demonstration of the value in teaching children how to protect themselves against the danger of fire."

selves against the danger of fire."

"It's helping adults, too," he said, noting that the Junior Fire Marshal program has resulted in between 10 and 20,000 home fire inspections during the past decade.

Mr. McManus outlined the country will be supplied with a record of children who complete their home reports. In addition, each school receiving a satisfactory record of home report completion will receive a lovely blue and gold Achievement Award banner.

Another new item this year is a series of national fire prevention posters for schools. A poster for each month of the school year, calls attention to annual fire week.

the fire in which 101 people died, with a financial loss of \$112 million, would be one of Canada's greatest natural disasters. That was the loss of the 1912 fire in the office, store, village and even-tyranny of Canada's provinces. It does not include forest loss, estimated at \$15 million.

In the "Great Fire of London" in 1666, only 10 were killed.

Every home of the year, Canada's buildings, are.

In 1937, a Canadian woman was hospitalized for seven weeks when, ignorant of dust's explosive power, she emptied a vacuum cleaner into a furnace.

If you must quit, a quick way to eliminate them is to light a match or switch a light.

High School Basketball

By BOB ADAMS

The High School Basketball team held its first practice of the 1937-38 season on Wednesday afternoon at four o'clock. Along with the new players were the entire group from last year's undefeated squad. Dick Haines, who did an excellent job with the boys last year, was unable to be at the practice, as he had to go to the hospital. Dick was in charge, and the team was in charge.

A few more new players were added to the team, and so early start the season should help them to the way to many of the victories of the coming season. Our next rival to date has been Jasper; but with Haines opening their new season, it is hoped we will also be able to look forward to competition from our closer neighbors.

It is also hoped that there will be enough interest from the male population of Edson to have a season. Unlucky practice. This would not only be good for the team, but would provide more competition for the high school squad. If a practice could be arranged it would be appreciated if as many of the boys interested would turn out.

The place after the game, we will take a tour of Edmonton and attend the "Grand Old Turkey". We plan to leave on the 20th of October. The High School 4-11 Club will join us.

Blissfully Yours...

By MEL ALICE HOLLINGTON

In a short time Canada will observe traditionally, Thanksgiving. It is proper and right that we should set aside and keep this Thanksgiving time. We dwellers in a rough border world sometimes forget we have no money things to be thankful for, every day of every year.

Financial difficulties and the wish to take advantage of opportunities that seem to be beyond our reach tend to blind us to the blessings in our lives or rather that has been handed to us throughout the year.

Now about the fields and farms the harvest season approaches. The bounty of the year. After plod with golden sheaves, the hard task complete. Every harvest leaves the thought that time is like a field — in which we gather more or less, a good or average yield. The whole of life's path might be here for us to find and the old parable comes back — the sower and the seed. Here a kindness reap a blessing in some future day.

Thank a quiet unobtrusive deity, after being shut indoors for several days, due to a heavy cold, I realized how much we have here to be thankful for. The rainy season and golden snow and severity that is

the before the snow comes to shut them away from us. A long labor, piled with all the good things found only on a country farm table and no grocery bill to worry about.

world renowned, free for all to possess if we only will give a bit of extra thought to it all. Autumn and Thanksgiving time is like a golden time to give aid. Rich with blessings and contentment, food of peace and gratitude. It is the season of the golden hours with winter almost upon us and summertime past. There is in the glowing autumn colors a special for folks growing old. We can make a climate with a climate for ourselves with a promise of blossoms even in the wintering of our lives.

Seasons of memories are sweetest of all as we recall the memories of our youth. I can often remember my own and how rich we were in everything but ready cash. This time of the year was the fields open with the varied nature crops. Apples and small fruits were hanging heavy and black currants were being done in the trees. Blackberries and the much made up much water now, just to remember.

Family life today with all the better roads and conveniences has none of the real heart warming of years ago. I can well remember our family Thanksgiving feasts. Usually visitors from the nearby city, came to visit and share our country way of

Police Court

HINTON—

Two officers of the Criminal Code were heard in magistrate court during the past two weeks, the first of which was a charge of impaired driving being laid against Harry Trevellick of Hinton, who was fined \$200 and costs in addition to a twelve-month suspension of six months. Current month of Hinton was charged with violating a motorist and fined \$20 and costs.

During this same period police officers were required to handle traffic cases and 5 cases of illegal possession of liquor. On September 18 police were called to investigate the death of Mrs. Chas. and 28 of Education. Dr. Field was summoned to the scene and pronounced the death as due to natural causes.

Be Sure Of Your Fuses

HINTON—

If you don't understand the deadly difference between a 15 and a 20 ampere fuse in your ordinary household electrical circuit, right now the time to find out. Place one of the safety watch dogs on the hidden wire and the traffic they can immediately learn. If a 15 ampere fuse keeps "blowing" and if the 20 doesn't, replace your plug, say, say living on borrowed time.

FIRE PREVENTION WEEK — OCTOBER 6 — 12

"It Happened In A Flash"

Inspect your family on what to do in case of fire. They too must be made aware of the fire risk tragedy it can cause. Make the family a household fire prevention team. Remember you may not be there when fire strikes your home. It only requires a moment's carelessness or neglect and there "it happened in a flash." More than 85 per cent of the fires in homes are caused through carelessness, many the fire services of Canada. Let that light our fire-crackers. Remember are also but they also can cause tragedy. On a family matter let an adult supervise and lighters out of the reach of children. Keep flammable liquids in metal containers and on high shelves or in locked cupboards and closets. Don't teach your children to be careless by your own carelessness. Set a good example for them or rather. Advise your wife on handling the real furnace. Don't load with coal before going to bed. Make sure it is properly loaded for the night. Show her how to do it for when you are away for an evening or out of town on a trip. Warn the mother of your child to use the toaster with caution, writing per household appliances, such as toaster, kettles or other.

equipment using electricity. An expert is always within reach of the telephone. Caution children to keep away from the stove when the burners are on. It is an easy fire to start. A match, a red-hot burner. Plugging with matches is taboo. Don't allow children to tinker with any electrical appliances or play around the furnace in the basement. Children should not be allowed to play with firecrackers. A noisy, hurtful, sometimes serious, can result. Let that light our fire-crackers. Remember are also but they also can cause tragedy. On a family matter let an adult supervise and lighters out of the reach of children. Keep flammable liquids in metal containers and on high shelves or in locked cupboards and closets. Don't teach your children to be careless by your own carelessness. Set a good example for them or rather. Advise your wife on handling the real furnace. Don't load with coal before going to bed. Make sure it is properly loaded for the night. Show her how to do it for when you are away for an evening or out of town on a trip. Warn the mother of your child to use the toaster with caution, writing per household appliances, such as toaster, kettles or other.

At winter, contact the summer practice house as a basement trap, ready in a fire emergency. Especially vulnerable to fire are the very old and the very young. Highest death rate by fire is among those 65 and older, while children under five are the next most common victims. Proper Fire blankets are included in fire prevention and safety.

After the party is over, check behind sofa cushions and other spots which careless guests might have used as "hot trays." Many home fires start in the basement. Check out rubbish and "hot" today. Chemistry jobs in the war a point for fire making fireworks. Fabrics, drapes, curtains, cloth and cushions other non-fireproof.

If Fire Strikes Your Home...

GET OUT OF THE HOUSE THE MINUTE YOU DISCOVER IT OR SMOKE SMOKE! ALWAYS BE READY TO USE DIFFERENT ESCAPE ROUTES FROM ANY ROOM IN YOUR HOUSE! TEST DOORS BEFORE OPENING. IF DOORS ARE HOT, BLOCK THEM WITH FURNITURE OR WET MATTRESSES TO KEEP OUT SMOKE AND GASES. GET OUT ANOTHER WAY! NEVER JUMP FROM UPPER-STORY WINDOWS EXCEPT AS A LAST RESORT. WAIT FOR FIREMEN! HOLD YOUR BREATH IF YOU HAVE TO MAKE A DASH THROUGH SMOKE AND FLAMES! REMEMBER THE AIR IS USUALLY BETTER NEAR THE FLOOR IN A SMOKE-FILLED ROOM! CALL THE FIRE DEPARTMENT AT ONCE. THEY KNOW HOW TO FIGHT FIRES. DON'T WASTE YOUR TIME ON YOUR LIFE TRYING TO FIGHT A FIRE, UNLESS IT'S SO SMALL YOU'RE SURE YOU CAN CONTROL IT WITH THE RIGHT EXTINGUISHER! DON'T EVER GO BACK TO A BURNING BUILDING FOR ANY REASON! SMOKE AND FIRE GAS FROM EVEN THE SMALLEST FIRE CAN BE DEADLY! GET MEDICAL TREATMENT AT ONCE IF YOU'RE BURNED OR EXPOSED TO FIRE AND SMOKE! SEVERELY MINOR BURNS OR SMOKE INHALATION CAN HAVE FATAL RESULTS! Your qualified service for your safety and protection.

The Edson Leader
The Voice of Eastern Christianity

Vol. 5 Edson, Alberta, Thursday, October 10, 1967 No. 1

hand as he plastered on the cement for the stone donated by the architectural firm of Campbell Patrick-Hope and Associates. To Mr. Tucker's right is Councilor P. W. Wells and Mayor Konnewitz.

Mr. W. C. Hiles announced this week that during the month of August, 1936, he and Lorne Davis of the Department of Game and Forests had released 250 adult pheasants in the Buckhorn Forest district.

Although this is the far east end of our district it is expected that by material propaganda the birds will spread further west and into our area immediately in the course of years.

A second lot of 200 pheasants were released on August 28 in the Wahsaten area. These birds were from the government supply and came from the New Albany, Ia.

A few years ago the local branch of the Pheasant and Grouse Association in conjunction with the Fish and Game Commission of the State of Washington released pheasants in the Meland Valley district north of Pocatello. Some of the birds at least wintered all right and were during the next summer and also during the next summer with their broods of young.

Plans were made to go ahead at the earliest possible time to give the fire hall a complete winterization and by Wednesday

A few years ago the local branch of the Fish and Game Association in conjunction with the Fish and Game Branch released numerous pheasants in the Meland Valley district north of Plover. Some of the birds at least wintered all right and were seen during the next summer and also during the past summer with their broods of young.

With more participants expected for the next few days, it is hoped to have the hall pretty well completed over the weekend.

Thanks are extended by the community club to Mr. Wm. MacDonald for donation of a floor furnace to heat the fire hall and to all the volunteers who are helping to winterize the hall.

Tickets have been on sale around Town, but can be purchased at the gate as well as additional cards. It's the big thing's event of the season and a big turnout is expected.

[illegible]

We heard a good one this w

We heard a good one this week. It seems a girl went into the baby shop and looked the clerk over, sniffing very audibly all while. The clerks were busy the moment, but finally her name came and she was asked if she was anything she would like.

To their surprise she replied, "I don't want to buy anything. I just came in for a free small," she turned and walked out.

The Jasper-Edson county Conservative Convention which slated to have taken place

Constituency Conservatives notified of the postponement. Edmonton radio stations, and is now received that the convention will take place in Edmonton Saturday, October 10, at 2 p.m.

ON HAND FOR THE TOWN HALL cornerstone laying last Wednesday afternoon were (left to right): Townsman R. C. Cross in both his old (former) Secretary Treasurer E. H. Tucker, Townsman W. F. Kistman, W. M. Dixon and Mayor W. H. Kenworthy; Councilmen Lloyd Mahan and Public H. S. H. Cliffe.

Turkey Shoot By Curling Club

Edson and district sharpshooters will have a chance to prove their prowess with a 22 rifle when the Edson Curling Club hold their second annual Turkey Shoot on Saturday, October 12. There will be thirty targets given away to sharpshooters with a limit of thirty per person. Starting time is 2 p.m. with the contest running until 9 in the evening.

Curling Club members will be on hand to run the event and some members of the club will serve coffee and what have you in the refreshment booth.

Edson In Winter

When the first North Wind sweeps over the land, And birds cluster in flocks and flocks, Edson in winter is a pretty sight to see.

With the fiery white snow on houses and trees, There's not much activity here about. Child old granddads get the gun And as I look around the town in awe, Oh, how with there was a side big there.

Beware Of Firebugs

Firebugs can be as common as the weeds in the house. They breed in trash and city rats, and the city and far too frequently, in the holes of carding wool, who has three flames in stores, or one robot as electrical four run machines, or make themselves, or have matches around for child, not so many to play with, beat all these "firebugs" and the flames will.

Letter to the Editor . . .

The Editor:

I am high time someone made a public protest about the high handed way in which our Alberta Government telephone system goes about collecting these telephone accounts.

Certainly this is not a great amount of money, but it is a great amount of money to the poor people who are not able to pay it. It is a great amount of money to the poor people who are not able to pay it.

The Edson Leader
The Voice of Edson Constituency

A Jasper woman, Mrs. Don MacDonald, (nee Mitchell, formerly of Edson), was winner of the car which was given away last Friday evening at the Edson Car Bings. With only two people calling bings on the full end game for the car, Mrs. C. O. Jones of Edson bid out on the tie breaker and was given a consolation prize of a Benson cigaret lighter and fifty dollars to compensate for her loss of the car.

The almost 1000 persons who tried their chances at the Car Bingo knew they had a small chance of winning, for there were only 16 prizes given away, but everyone felt that their money was going to a good cause so it helped swell the Neukommung fund fund by a goodly sum.

Although the weather outside was very wet and cold the arena, which had been heated with special air heaters (courtesy of Edison business firms), was quite comfortable for most people, considering the cold spell that had just been experienced by Edison and district.

The hinged, which took a variety of forms for the first 14 prizes of radio, lamp, sewing machine, smokeless stove, etc., were won by mainly local people with the odd exception. Winners were as follows: Mrs. P. Serdick, Mrs. Olga Matichuk, Miss Francis Cicciotti, John Oudrhuik, Mr. Cy Smith, Nick Johnson of Hinton, B. C. Pomeroy, Mrs. Anna Revel, A. Mathew of Miramichi, Dan Neukrich of Miramichi, Elmer Schmidt, S. Karval of Edmundton, and Mrs. C. Patterson. Besides the participants in the final car race.

The Astor's epidemic has been gaining strength in the Eden district and has been striking particularly hard in the elementary grades in the Eden schools. Approximately 700 students, as well as several teachers were absent from school last week.

Upon the advice of local doctors, who report a considerable increase in house calls over the weekend, all rooms from grade one to eight remained closed this week.

As far as it is known, the students will be returning to school next Monday. Hand in hand with the closing of the schools, is the ban on children under 12 years attending either of the Astor's two theatres.

[illegible]

With support like this we should be swimming in the pool by next July First. To meet this objective however we must collect at least \$1,000 a month during the coming Winter and Spring. The Kinnamen Club are confident that they can do it with your continued support.

Thanks again and let's keep up the good work!

KINNAMEN SWIMMING POOL COMMITTEE

Originally postponed from earlier in the month on account of inclement weather, the fine fall days now prevailing are expected to allow more delegates from the rural areas to make the meeting.

It is expected that Mr. Cam Kirin, provincial president of the Conservative Association, will be on hand as well as other officials of the party.

Business meeting starts at 2.00 in the Anglican Parish Hall, Valson and all interested persons are cordially invited.

James E. Ryan, Social Credit delegate will be convening in the Council Chamber (Chamber) at 7 p.m. and the public meeting which will start at 9 p.m. will be in the House of Commons.

Conservatives Organize Into 16 District Zones

Nearly 20 representatives from all over the Jasper-Edson federal constituency were on hand Saturday afternoon, Oct. 20, for the annual meeting of the Jasper-Edson Progressive Conservative Association which was held in the Parish hall at Edson.

Re-elected to the presidency of the association was Dr. Hugh H. Howser of Hartwood, who aimed single-handedly put the Conservatives into action just before the election last spring.

Withstood to Edson by Mayor W. H. Kinkaid, the representatives from the big riding were congratulated on choosing Edson for their meeting and following the logic of getting together in a more central spot than when meetings are held in the city.

The Right Hon. John Diefenbaker was named Honorary President of the Association. Provincial Leader C. W. Kirby, Red Deer, was named Vice-President. Other officers elected were: First Vice-President, Mr. Frank Flanagan of Stoney Plain; Second Vice-President, Mrs. W. Macdonald, of Jasper; Sec. Treas., Mr. Sam Howarth, Stoney Plain.

Other members of the executive include the zone directors yet to be chosen, the president of the Ladies Association and president of the Young Conservatives, whom new is desired.

To get the big ride, organized on a regional basis, persons were made for 16 zones to be designated No. 1, Farewell, 2, Howarthville, 3, Hartwood, 4, Stoney Plain, 5, Gibbons, 6, Drayton Valley, 7, John, 8, Jasper, 9, Harewood, 10, John, 11, Stoney Plain, 12, John, 13, John, 14, John, 15, John, 16, John.

The new executive were given the power to appoint zone directors until such time as the district can name their own.

Mr. Howarth, who was Conservative candidate in the last election spoke briefly in the meeting.

Mr. W. H. Howarth of Edson presided over the meeting that the party has only been out of the political wilderness a few months and that they must be taken to keep people from expecting miracles, but assured the meeting that he felt the pulse of the Conservative party.

Check Your Light Bulbs

Are you one a bulb winker? Most people are. The Edson community pool committee feel you will welcome being able to check on when they call Monday, October 24.

Light bulbs are something that everyone needs and the Edson community pool committee feel you will welcome being able to check on when they call Monday night for retail price, with the profit going to the swimming pool.

Leave your porch light on for service. If it is not on, the boys know you really need a bulb.

Advance Poll On Liquor Vote

Advance polls for the controversial liquor plebiscite have been commenced on today and will last three days of this week.

Persons wishing to cast their vote on this controversial question, who will be unable to go to the polls October 28, may cast their ballot on Thursday, Friday or Saturday, of this week, between 10, 12 or 3.

Polling stations will be held in the basement of the Edson United Church each of these days from 7 to 9 and from 7 to 10 p.m.

Voters at the regular poll headquarters go to the Legion in Edson if they live below the centre line of Fifth Avenue, and to the United Church basement if they live above Fifth Avenue.

Hunter Not Lost

Number Six Three of Port Saskatchewan was not lost in the bush south of Blackfoot country to make reports on Monday.

The forest he was bound to camp and the alarm was turned off.

With understating weather, the various parties who haled up to wait for the storm were disappointed and will be able to track again in the heavy snow.

"I GOT MY MAN" was what Andy Harkness had to keep saying as he held a hot new Alfred Lefebvre on the steps of Workington's Clothing during last week's initiation high jinks for grade six in Edson High.

Glenwood Fire Truck Douses Burning Car

The Glenwood fire crew had a chance to give their new fire engine its first try-out last Friday at 4:10 a.m.

The call reached them in a roundabout way through the RCMP after a burning car, and post Hutchinson's Auto Court had been reported to them.

The call was put through to Play Chief Doug Markley who alerted the new truck out and had the fire out in no time.

The fire crew and the whole of Glenwood community are proud of their new truck and are thinking up projects in which to make it useful.

SWIM CLUBING CLUB RAFFLE

Mr. Elmer Ait was winner of the raffle which calls for a motor machine. There was made during the raffle house last night.

EDSON ZONE OFFICERS gather for a picture during the Legion and the Ladies Auxiliary zone rally at the Edson Legion Memorial Centre on October 12, when representatives from Jasper and Harewood were on hand to elect zone officers for the coming year. Standing from left to right (standing and kneeling) are: William, President Harewood Auxiliary; Auxiliary District Commander Mrs. Frank of Edson; newly elected Auxiliary Zone Commander and President of the Edson Auxiliary Mrs. Betty Smith, Bank.

new, Post Zone Commander Doug Carlin, Auxiliary Secretary Mrs. V. Hart, and Vice-President Mrs. A. Hardy and Vice President Mrs. S. Craddock of Edson. Auxiliary Auxiliary President Mrs. Howarth of Jasper and newly elected Zone Commander Steve Craddock of Edson.

Following the business session of the Auxiliary and Legion representatives an informal supper was enjoyed after which each branch represented presented several items of entertainment.

TAKE A CLOSE LOOK AT THE LIQUOR QUESTION!

"Should additional types of outlets for the sale of beer, wine and spirituous liquors be permitted if such outlets are later approved by local vote?"

THE QUESTION will appear on your ballot when you vote on the liquor plebiscite. It has been very carefully phrased to secure a public expression of opinion on a vital issue - whether the present liquor laws are in line with your present-day thinking.

The Alberta Hotel Association feels that the last few words of the ballot are of special importance. They make it clear that if the Liquor Control Act is amended, any new type of outlet will still be subject to a local vote before being introduced into your Community.

What types of liquor outlets may you expect to vote on locally? In his Brief to the Legislature's Special Liquor Committee, The Alberta Hotel Association suggested that if amendments are to be made in the Liquor Act the following be considered:

- Liquor Licenses for Dining Rooms of an obviously high standard.
- Cocktail Lounges in hotels with suitable administrative restrictions as to number and character of hotels where liquor may be sold.

When we make these suggestions, it was with complete confidence in the Alberta Government's administration of the Liquor Control Act. We feel that fears expressed on the question of new types of outlets are exaggerated. Any new outlets for the sale of liquor would, we are sure, be controlled by legal restrictions.

The Plebiscite is being held because your views on this question are important - vitally important! The present Liquor Control Act is based on a Plebiscite held thirty-four years ago. Governments tend to change laws unless demanded by a special public vote. Your decision NOW will affect Alberta's liquor laws for many years to come.

You have been asked to give your opinion . . . GIVE IT by casting your Vote on October 20th!

GET OUT AND VOTE

on the Liquor Plebiscite!

THE ALBERTA HOTEL ASSOCIATION

Edson B of T Sponsoring Christmas Lighting Contest

The anti-buffers, other can-
vassed intensively Monday eve-
ning. Kintons and Kintons
of the swimming pool has
raised a very good campaign
over town and in the town.

Over \$400.00 worth of toys sold by the service station and the nearest market went to the children in the district where electricity is able.

Entry forms for the categories of homes, homesites and installations will be available from the committee in a week or so and will be published in this newspaper.

Workable prices are being arranged and the exact classification will be announced.

METEORITE HEARD HERE

The odd sound that Edson and district people heard in the sky yesterday afternoon was not the Russian satellite Sputnik coming to a halt, but a genuine outer space fire ball that slipped its manners in the atmosphere and came to earth. Reports from people who saw it came from districts all over Northern Alberta and thus add part of it to the list of meteorite sightings in the province. The meteorite was reported in the day time while it is more usual for them to be seen at night.

The Board of Trade are sponsoring a brighten-up for Christmas contest with details of the rules for entry being carried elsewhere.

It's a worthwhile project and deserves the support of all house-
holders and business people.

Forse, chief enemy of the East, claimed another victim this week.

Alfred Morris, of Mercaul, was found dead about one and a half miles from Bath on Monday, by searchers who had commenced looking for him at midnight Friday. As searchers reconstructed the scene, Morris, a husky, healthy man in his late thirties, had been shot in the back.

He pursued and eventually killed the animal as dusk fell, and then after gutting it set off towards Robb. The noise of the planer at Robb was audible and carried as well on the evening air that it sounded much closer than the 5 miles that it was

Presumably, soon after dusk, the plane shut down for the night, and the tired man had nothing to divert him. Paine began to take over when he did not appear to be getting to his destination and he continued to see the stars.

for three miles through the deep snow, bumping into trees in his flight. Although he lighted one small fire, he did not stay with it, and when he tried to light another, his two remaining matches would not catch. Eventually, he fell exhausted, and with his body and clothes wringing wet from sweat, probably did not live through the night. His gun, which had been used as a cane, as a staff with

Voters in the Edison Provincial Constituency left no doubt in the minds of anyone that they were in favor of changes in the administration of the liquor act which will permit additional types of outlets in this area.

With 5 polls still to be heard from out of 30 polls the number indicating "Yes" totalled 2111 against 156 "No's" and

The equivalent statement issued by the Provincial Government indicates that no action will be taken before the session opens early in the new year.

Morgl: Don't

**Moral: Don't
Leave Your Keys**

James Ward and Edward Ireland was riding in the empty end of a gondola car that was

It happened to Sandy Maxson one evening of this week. Sandy and his better half had gone into the Bay Rite to pick up a few groceries, and when they came back

The ambulance, Dr. J. Crawford and patrolman M. M. Albert were called to the scene of the accident and the accident victim was...

They had intended to fill the gas tank on the way home which was a lucky thing, for the car was found later the same evening with the

Mr. Bennett who was suffering from extensive injuries has a sister, living in Edmonton.

ALLS MERCOAL MAN

claimed another the accepted distress signal, three shots at five sec-

It seems that there is little use repeating the warnings that go out each year about making sure that the animal you shoot has horns, since in spite of all that is said, men and illegal game are shot each year. There are always a minority that get too excited to see clearly what their target is. The

One of the first essentials *methodical* in this case was plenty of warm clothing. After that, plenty of ammunition and plenty of matches. A moon-gate.

the planner should
man find nothing
over when he
destination and

When a hunter becomes lost and realize he is lost the moment of panic he feels is the turning point if he can all down calmly and think his situation over he will have won half the battle if he lets his fra over come judgment and experience only luck can save him. There is nothing in the book that can help you.

The odd sound that Edson and district people heard in the sky a Sunday afternoon was not the Russian satellite Sputnik coming to earth as it was a genuine outer space fire ball that slipped its moorings in heaven and came to earth. Reports from people who saw it came from districts all over Northern Alberta and the odd part of it appeared in the day time while it is more usual for them to be seen at night.

Mortgage Money Available For Veterans' Housing

Veterans eligible for assistance under the Veterans' Land Act today on an available mortgage loan. They are not confined with the present shortage of mortgage money. If they need assistance for housing purposes.

The Veterans' Land Act has been amended to allow veterans to obtain mortgage money for housing purposes. The Act has been amended to allow veterans to obtain mortgage money for housing purposes.

The Act has been amended to allow veterans to obtain mortgage money for housing purposes.

an average for a small building, but without building in a town or city where no previous work has been done.

The Veterans' Land Act offers splendid opportunities to veterans of World War II who today are employed with a housing problem and are unable to compete in the open market against those with the higher income brackets, or obtain loans under the present tight mortgage money situation.

Construction schools are arranged to educate veterans in handling their contracts and dealing with suppliers and sub-trading. The housing advances interest-free money while the houses are under construction and complete construction supervisors are available at all times to direct and assist veterans with plans, specifications and actual construction work.

The veterans are required to find and select their own land. However, financial assistance can be given to veterans to purchase land.

Steel Deck For Civic Block Now On Way

For the information of citizens who have been complaining about the almost complete lack of progress on Edison's new civic block, word has been received that the steel deck for the modern structure should arrive in Edison before the end of this month.

Apparently mutual lock-ups in Edinburg and of the factory caused the month's delay in the arrival of this key part of the construction program.

Contractors for the building are R. V. Coombs Construction Co. of Edinburg, who have also built several other buildings and homes in El Paso in the last year or two.

Christian Reformed Pastor Ordained Wednesday

Members of the congregation and visitors filled the Christian Reformed Church Wednesday evening to attend the Service of Ordination for their first resident minister.

The enterprising congregation who held dedication services for their new church only a few months ago on May 1st, have been trying to obtain the services of a minister for some time and their call was answered when Rev

Taking part in the Ordination Service were ministers of Christian Reformed Churches in Edmonton and the congregation. Rev. John Hansenburg, from Ed-

ment, who has been pastor of the Union Church when it was possible for him to be in attendance from his duties in the city, opened the service with the volume and salutation followed by a read-

A congregational prayer was led by Rev. B. Knoppers of Edmonton followed by a vocal solo "How Great Thou Art" by Rev. C. Macdonald.

Following the service nearly a hundred spent most of the afternoon in the gymnasium laying out of hands.

The Legion and the Ladies of the Auxiliary were "At Home" during the evening to entertain men and women which featured

Farmers Have Found Gray Soils Will Produce

By Dick Backlin.

Blister Aphididae

From Daifeng went to the

manuscript there are large areas

of gray wooded soils. It is not

used to the black or brown soils

of the parkland and prairie, these

areas with their white or grayish

topsoil appear worthless for farm-

ing. But a great many people

have found that this gray wooded

soil will produce and produce well.

Lepidoptera, such as alfalfa, and

other, which are, and are,

either are one of the boys. The

other is fertilizer, of a type that

supplies not only nitrogen and

phosphorus, but even more impor-

tantly, sulfur. For this is the

prime element, which is lacking

in these soils.

A common sight in the gray

and brown is a poor yellowish, thin

crust of hay or grass standing

right next to a deep green, thick

heavy crop. The reason? Last

season and sulphur bearing fertil-

izers, such as 18-36, and 24-24.

With the University of Alberta

leading the way, many tests have

been carried out in the gray and

brown soils. Up to 5 tons of

have been found where fertilizers

have been applied to hay crops.

And the grain following the har-

rowing of such stands is much in-

creased in yield.

Many farmers in this district

have discovered these facts for

themselves. The combination of

harrow crop and sulphur bearing

fertilizers has doubled and tripled

their crops — at a tiny fraction

of the cost of buying or clearing

more land to get that same pro-

duction, and they have also re-

alized that instead of being an

infertile field, it can be a most

productive one.

It is not a new discovery, but

it is a new one for many of the

farmers in this district.

Government Faced With Liquor Act Amendments

Edmonton — Premier Manning broke his silence on the liquor act amendments during the recent session of the Legislature. He said that the amendments were necessary to bring the liquor act into line with the provisions of the federal liquor act.

During the session, the premier made his first statement of the government's policy since the October 26 election in which citizens voted to strengthen in favor of a greater variety of liquor outlets.

Obviously, the premier is disappointed at the results because he personally has no use for liquor and strongly opposes any relaxation of the law. But while the plebiscite was merely an expression of opinion and not binding on the government, it was fairly clear that the administration will have to go ahead and implement changes in line with what the vote suggested.

For one thing, liquor being the political dynamite it is in the province, could hardly risk another election without first making the will line the vote of the dry element by looking to public demand for fewer retail liquor laws.

The premier said the amendments to the liquor act will make provision for local option votes on the type of liquor to be sold and the licensing of establishments not covered by the present act. Although there is nothing definite yet, it is likely that the amendments to the act will set out the new type of establishments which will come into operation.

Premier Manning said he expects the government will be responsible for the liquor act amendments in setting up a committee, which would have to be established. The committee would have to be established in the near future.

He said that the amendments would have to be made in the near future. He said that the amendments would have to be made in the near future. He said that the amendments would have to be made in the near future.

There is already provision for beer, wine and spirits in the liquor act. The amendments would have to be made in the near future. He said that the amendments would have to be made in the near future.

THEY SAY HE MARRIED HIS FOR THE CANADA SAVINGS BANK

Provincial Help For Municipalities

The proposals presented by the Hon. Homan, Minister of Finance, at the convention of Alberta municipalities and that of the school trustees show every evidence of statesmanship and considerate concern for Alberta's hard pressed municipal governments.

Local municipal authorities and school trustees are looking on the proposals with interest and all will follow the program of the contemplated legislation this coming session with keen anticipation.

Our school division might be penalized to some extent under the proposed centralized industry tax which is to be distributed to municipal governments all over the province. The Minister stated by the cabinet to send up the bill but Homan, having stated that in no case will the local authorities be worse off.

It must be remembered that Edson School Division has been financed to a considerable extent from the provincial treasury. In the last year or so it has been in the extent of about 70 per cent of our local costs, and a few years back it was even greater. Most of these higher grants have been in the form of "equalization grants" and grants for capital expansion of school buildings.

Several interesting suggestions have been put forward, but the one about levying the property taxes from large industries on a provincial basis could, on the surface, work a hardship in this school division as many thousands of dollars in debt have been contracted on behalf of the new schools at Hinton for instance. However, taxes from the multi-million dollar industry will not be received on the school requisition until next year. The special grant from the government has matched the actual expenditure and the trustees have been on local tax rolls to meet the present five million dollar commitment within the division.

The suggestion that improvement taxes on land be abolished is an interesting one and would put all property owners on a par with the agricultural industry if an alternative source of income for the municipalities can be found.

If the provincial government is in fact able to bring about more credit for it than the constantly sinking debt of the province, which seems to have floundered as it creeps up, if the recent Calgary by-election indicates anything.

The prospect of people in lower being able to vote their brains without the "bribe" of a few dollars is a very attractive one. The people in lower being able to vote their brains without the "bribe" of a few dollars is a very attractive one.

It is of course, a long road to travel in the future, but the prospect of people in lower being able to vote their brains without the "bribe" of a few dollars is a very attractive one.

Edsonite Gets Six Months

A local man will pay with six months in the hospital for trying to set an extra heavy truck off on a highway. Kenneth MacCulloch, 40, of Edson, was charged on Saturday in local police court with driving a truck off a highway on Saturday morning.

The man had been to all three local hospitals and collected the dividend and a routine check on the road.

This is the first offense of this nature which has been charged in the Edson area and is the first to be charged in a morning to those similarly situated.

Light Touch in Weight

NEW McCULLOCH

DRIVE

D-44

Since it's lighter in weight than any other high-capacity drive-drive saw, the McCulloch D-44 allows you to use more wood without getting tired. This makes the D-44 ideal for cutting firewood, filling and backing up, and cutting wood, and many other types of cutting where a speedy, lightweight saw is called for. Come in for a demonstration of the D-44 today or tomorrow, and see how easily it outperforms all other drive-drive saws!

Thanks Folks!

Welcome Folks!

WALTER FOWLE
Who has operated the North Star Station since its opening has returned to his former position as manager of the Hotel Commodore. And when he returned his sincere thanks to the people of Edson and district for their unhesitating support and advice. He has been in the same position for his career, Mr. Fowle, who will play the same combination to your business.

LEE ARMSTRONG
Thank you for the operation of North Star Station since its opening. Lee is now in the same position as before. And when he returned his sincere thanks to the people of Edson and district for their unhesitating support and advice. He has been in the same position for his career, Mr. Armstrong, who will play the same combination to your business.

Funeral Services Held For Branch Baby

Little William David Pardo of Pardo, Alberta, passed away on November 4 at the age of three years. He was buried in the Pardo family plot in the Pardo cemetery, Pardo, Alberta, on November 10. He was the son of Mr. and Mrs. D. Pardo of Pardo, Alberta.

Funeral services were held from the Pardo United Church with Rev. C. C. Armstrong officiating. Interment took place in the Pardo cemetery.

Floral tributes were received from: Messrs. Pardo, Brothers and Sisters; Uncle Tom, Andy Kay and Family; The Pardo Family; Pardo, Mr. and Mrs. Charles Craig; Mr. and Mrs. J. C. Pardo; Mr. and Mrs. K. Pardo; and Family. C. C. Armstrong (Edson) Ltd. were in charge of arrangements.

Anniversary Club Evening

First get-together of the fall season. Mrs. H. H. Pardo and Mr. Pardo, who attended school in the Pardo, will be the light of the evening.

Organized as a railway employees club, initially, with the theme of providing members with a place of their own, the club has expanded to take in more of the town and has become a social institution where the many people inclined to enjoy a social evening of fun and dancing. Officers of the club this year are: President, Mrs. H. H. Pardo; Vice-President, Mrs. Pardo; Secretary, Mrs. Pardo; and Treasurer, Mrs. Pardo.

Car Demolished At Drinnan

A car driven by Johnny Dick of Edson was completely demolished after it had stalled at the railway crossing at Drinnan on Saturday morning. The car was struck by an oncoming passenger train.

Apparently the crossing had been closed between the gates, but it had been removed and the car stalled between the rails. Mr. Dick, who accompanied him to get the car off the railway, was somewhat and the car was hit by the passenger train a few minutes later.

Mr. Dick was seriously injured, but Mr. Dick sustained no other injuries.

Sports Coaching Clinics Are Well Attended

Ninety-eight representatives from forty-five Alberta counties attended the annual reaching climate field demonstration which was sponsored by the Country House Bureau and the Department of Economic Affairs, as was a handful of private service, held at the same time. The field site was attended by 23 from the Commission.

The planned and operated for coaches, teachers, and recreation leaders and families of children in industrial and hockey.

Miss Elsie MacIntosh, supervisor of the Community Recreation Centre, reported the clinics which were supervised

manstrayed by Jack Riddell, assistant supervisor.

Instructional staff included Harold MacIntosh, assistant professor of physical education at the University of Alberta, and Don McIntosh, physical instructor at Edmonton's Victoria Campsie High School; hockey coaches from the University of Alberta, Edmonton's Kings High School and Terry Rasmussen, referee of the Alberta Hockey League.

At Pelly, instructors were Steve Hendry, assistant professor of physical education at the University of Alberta, and Don Day, assistant instructor of physical education at Edmonton's Victoria Campsie High School.

Senior Hockey Schedule To Be Released Shortly

telescope can. Langley reports that Florida has discovered a new comet, and that the comet will pass very close to Earth next week. Earthlings can see it with the naked eye. The comet will pass within 10 million miles of Earth on the night of December 17. The comet is named after the astronomer who discovered it, Dr. Langley. It is named after the astronomer who discovered it, Dr. Langley. It is named after the astronomer who discovered it, Dr. Langley.

Athletic Assoc. Meeting Scheduled For Tuesday

An important meeting of the Rhode Amateur Athletic Association will be held next Thursday evening, November 30th, at 7:30 in the Legion Memorial Hall. Since final organization must be completed for all classes of hockey, from Pee Wee League to Seniors, every Association member, as well as anyone also interested

There is still need for coaches and managers in some of the richest Leagues, and if you are interested in helping out, you don't have to be a hockey expert, the boys will be glad to have your help, and you will find that working with youngsters has its own reward.

Exciting styling changes that enhance the appearance from every angle mark the Oldsmobile Super "88" for 1988. Oldsmobile's new "mobile" look is evident in the entirely re-designed body, new rear quarter panels, a new front end with revised-type grille and hood beam, a full-width one-piece rear window with greater glass area and new rear deck and roof. The decorative trim on the side panels accentuates the length, flowing lines and low silhouette of the new Oldsmobile. Striking interior styling features a new "star-line" headlining of sponge vinyl in light colours to set off the "fashion-fair" upholstery, offered in a variety of colours and fabrics.

MAHON ELECTRIC

ROYDON MAHON

owner of the bright new addition to Edson's Main Street, will be host to the friends and well wishers who will on Saturday in effect congratulate on his recently completed Mahon Electric building. Decorated by a large show window with concrete slab floor

laid with heavy glass and much new concrete block and steel linings, the new store has one of the largest display areas of any retail store in Edson.

Mr. Mahon has built up a considerable reputation as an electrical contractor and the latest venture awarded to him Edson has won the electrical trade in the new town of Edson.

The large display area in the store will allow Mahon Electric to expand its growing electrical appliances catalogue combined with servicing of the installations.

Edson's main evening first, says Mr. Mahon, are large and small TV sets which he says the staff is a rush to get them working in homes around town prior to the Grey Cup games.

The Edson Leader

The Voice of Edson Community

Vol. 5 Edson, Alberta, Thursday, November 26, 1953 No. 47

AN ODD LOOKING SET OF BLK HORNS prompted a local observer to call on The Leader. The set of horns, a pair of curved spikes about 10 inches long, was not the only trophy that Jim and Andrew Left, Andrew Van Brabant and John Correll took home with them from their very successful hunting trip. Also included in the bag were two more sets of horns, a pair of horns with at least ten points on either side, and a buck deer with four points on either side.

CNR Family Safety First Night Said Best Yet

The CNR Family Safety First meeting held in the Legion Memorial Centre, November 21, was rated as the largest and most successful meeting yet to be held. Murray Noble as MC for the evening introduced Capt. E. L. Henson, who expressed his appreciation of the fine turnout, and mentioned it was like "coming home" after having been in Edson before.

Start Made On Xmas Lighting

Several business houses on Main have made a start on putting their contribution to the "Light up for Christmas" campaign being sponsored by the Edson Branch of Trade Union.

Others will be doing something about it in the next few days or two.

In addition to the brightening up of Main street businesses, there have been indications that they have been thinking about the lighting along this line in their time.

Gas Installed In 64 West End Glenwood Homes

Marathonville Utilities, Limited, crews completed the last of 64 installations in Glenwood this week and upon completion of several more in Edson town will have caught up with their fall service work in this area.

Only about six homes in Glenwood are now without the modern Alberta fuel and radiators, as the modern convenience of having the gas company's crews are still lacking from conditions of houses with truck loads of hay and other material on the roof, and other installations are being shared in various ways.

This year's work in this area matches that done when Edson was first hooked up to the system and qualified for the largest production of gas in the company's history in Marathonville.

Customers get in gas here from the North Canadian Gas Pipeline which was made possible with the building of the rail line at Edson. Previous to the coming of the rail there would not have been enough demand for gas from both consumers and small business and industry in this area to warrant building of the line.

The gas company follows a policy of giving their gas in accordance with the industry from the upper so that lower class to the gas is to be made the most.

Safe-Diving Week

Will you help... and get your friends to help... make the week of December 1st to 7th a division week on the road.

Drive a little slower and more cautiously, this coming week, and every week, say your safety concerns people.

Recently an RCMP traffic patrol moved into Edson and have been issuing reminders to traffic violators in the form of... the pocketbook.

This serves notice in a direct way to drivers that the four-lane and two-lane roads leading to and from Edson are no longer speedways and that the legal speed limit of 60 in the daytime and 50 at night is going to be observed.

Speed and other forms of highway irresponsibility have caused serious accidents in our area in the past. The high way patrol are doing a lot of cutting down the accidents. So just watch that little old needle and drive safely.

Dr. L. Lewis To Address Hospital Auxiliary

The Ladies Auxiliary to St. Joseph's Hospital will hold their regular meeting of the year Thursday, December 2, in the form of a social dinner meeting in the lounge room of the Convent House.

Guest speaker at the meeting will be Dr. L. Lewis, Medical Officer of the Edson Health Unit, who will address the ladies on a subject of interest to all.

Anyone who would like to attend this meeting will be glad to hear confirmed and asked to get in touch with Mrs. Gilbert Trott at phone 28.

GORDON'S

The Edson Leader

The Voice of Edson Community

Vol. 8 Edson, Alberta, Thursday, December 3, 1937 No. 16

PEOPLE from Alberta's 16 health units attended a two-day joint conference with officials of the Alberta Department of Public Health in Edmonton at the end of November. Seven departmental chairmen are (top) May 15, B. Black, senior nurse Vagreville Health Unit, Vagreville; (left) Dorothy Bailey, Kimberley-Vernon Health Unit; (middle) Miss Alice Baumgardt, Department of Health; and L. A. Nelson, chairman, Edson Health Unit Board, Edson. Bottom: H. L. Gurnea, chairman, Red Deer Health Unit Board, Red Deer; Dr. L. H. Lewis, medical health officer, Edson Health Unit, Edson.

Mr. B. Black, secretary-treasurer, Edson Health Unit, Edson, and Dr. D. Stewart, Surgeon General, Edmonton.

Main topics at the conference were proposed changes in the Health Unit Act to provide for inclusion of additional services such as dental hygienists, sanitary inspectors and welfare officers. Proposal was made also that additional health units might share the cost and use of expensive clinical equipment which serves a vital but limited medical field. Unit medical health officers and senior nurses met in separate sessions to take notes on study common problems in administration and service.

Grade 6 And Under Shave Free

All children up to and including Grade 6 to be shaved will be able to shave free of charge commencing on a new policy adopted by the Edson Council at their regular meeting on Tuesday evening.

Council have also appointed a special committee to supervise the

shave operations this year. Members are: Messrs G. T. Shortman, C. L. Gager and R. E. Chivers. A sum of \$200 has been donated to the grade of the committee to get the risk into operation.

Shave Grade 7 to 12 will be charged \$2.50 for a shave ticket or a daily admission of 25 cents. Adults shave tickets will be \$4 or 25 cents daily.

Family tickets will be \$4 for the season.

Shave times at which adults are charged will be a shaved 150 per cent.

Council Decide Christmas Lights On Main Too Costly

Placing strings of Christmas lights across Main Street would be too costly this year, Edson Council decided at their regular meeting on Tuesday, December 3. Chief difficulty would be the necessity of stringing lights diagonally from the modern steel standards and the obtaining of power for the lights.

Prior to the installation of the new mercury vapor lamps and the steel poles, Edson used to be gaily decorated for the Christmas season and the Board of Trade at a recent meeting asked Council to start the practice again.

The previous town planner has requested elevation readings at various check points in town and district. The previous demonstration will then use this information to prepare a traffic map of the town.

This advantage of such a map will be the assistance it will provide in the planning of sewerage and drainage lines around Edson. Present were Mayor Kankowski, and Councillors Kankowski, MacDonald, Nelson, Brindle, Taylor and Wells.

Mayor and Secretary were authorized to make transfer of lot B block 128 to Albert and Martha Benjamin for delivery to local institution.

Mayor and Secretary were authorized to make transfer of title to lot 4 block 24 to George M. and Sophie A. Bradin.

Mayor and Secretary were authorized to make transfer of lot 10 to 20 block 212 to Fred West, Edsonville Ltd. and that issue.

Out on Page 4

Stores Open Wednesday Before Xmas

Edson Town Council have ruled that stores may remain open all day Wednesday, December 16, in addition to the rights of late closing as recommended by the Board of Trade.

This means that most retail stores will be open Friday, Saturday, and Monday evenings, December 16, 17, and 18, until nine p.m. All stores will close Christmas Eve, December 24, at 6:00 p.m.

Bud Brunelle Heads Edson Lions Club

Mr. Bud Brunelle was elected to the office of charter president of the Lions International service club which was formed in an organizational meeting in the Commodore banquet room on Tuesday evening.

Other charter officers of the new club and its first Vice President are: L. J. Gable, Secretary; Jack the Frog, Treasurer; John McNamee, Public Relations; Miss Jean Taylor, Editor; and H. L. Gurnea, Editor. The club will meet on Tuesday, December 27, at 7:30 p.m. in the Commodore banquet room.

The first meeting of the club will be held on Tuesday, December 27, at 7:30 p.m. in the Commodore banquet room. The club will meet on Tuesday, December 27, at 7:30 p.m. in the Commodore banquet room.

Magazine On Canvas On

Representatives of the Edson Council are soliciting subscriptions to the magazine, "The Edson Leader," which is published weekly. The magazine is published by the Edson Council and is a valuable source of information for the community. It contains news, articles, and advertisements. The magazine is published by the Edson Council and is a valuable source of information for the community. It contains news, articles, and advertisements.

Edson Council To Hold Annual Meeting

The annual meeting of the Edson Council will be held at the Commodore Hotel in Edmonton on December 16. The meeting will be held at the Commodore Hotel in Edmonton on December 16. The meeting will be held at the Commodore Hotel in Edmonton on December 16.

Glenwood Lads Also See Meteorite

A couple of Glenwood lads, came into the Leader office this week to tell us that they had seen the meteorite two Thursday evening.

The boys, Tommy Smith and Don Smith were going home from school when they saw the ball of light in the sky. Tommy said at first they thought of shooting, but realized it was too high. They said it looked like a huge ball of light with two tails trailing after it.

Conservatives Meet Friday

The Edson Conservative Association will hold a meeting in the Edson Hotel on Friday, December 3, at 8 p.m. The meeting will be held in the Edson Hotel on Friday, December 3, at 8 p.m. The meeting will be held in the Edson Hotel on Friday, December 3, at 8 p.m.

Oil Royalties Fraud Will Raise Ugly Questions

By DON MASON

Edmonton — With far better debate during the next session of the Legislature when the Oil Royalties bill is introduced, the first year of the oil and gas royalty dividend program. Figures released last week indicate the government may have lost as much as \$12,500 to persons suspected of making false claims for the \$30 payment. The amount could even be higher.

The latest tally shows 332 persons are or have been under investigation by the attorney general's department, with a total of \$218 believed to have been paid to more than 100 persons and one man, using the same name on every certificate, is reported to have obtained more than \$50.

So far the government has paid out more than \$100,000 in dividends, using of claims in respect to the \$11,000,000 fund, and another \$100,000 in dividends.

Of course everyone expected there would be claims of the oil and gas dividend, but the amount of them is more than anyone expected. There is a strong possibility that many of the offenders have been taken more than once, and that some have obtained more than one dividend without raising suspicion.

All of this adds up to an investigation for another major effort against the fraud. It is a problem that is more than anyone expected. There is a strong possibility that many of the offenders have been taken more than once, and that some have obtained more than one dividend without raising suspicion.

It is known that the provincial audit branch which has the same name as the federal one, is looking into the matter. The audit branch which has the same name as the federal one, is looking into the matter. The audit branch which has the same name as the federal one, is looking into the matter.

The government, however, is expected to adopt a method which would be made next year to cut down the possibility of fraud. He says the government is considering issuing identification cards which applicants would present to the banks, when calling for their dividends. The banks would then be able to check the card, showing the name and address of the person.

The person who has the card, would be asked to sign it, and then the person who has the card, would be asked to sign it, and then the person who has the card, would be asked to sign it.

If there is a deficit, he said it must be made up from the dividend fund. He said it must be made up from the dividend fund. He said it must be made up from the dividend fund.

Alert Miner Gained Fame, Fortune From Tiny Claim In Cariboo

Edmonton — A little-known miner who has gained fame and fortune from a tiny claim in the Cariboo, has been named as the winner of the \$100,000 prize in the Cariboo. The miner, who has been named as the winner of the \$100,000 prize in the Cariboo, has been named as the winner of the \$100,000 prize in the Cariboo.

The miner, who has been named as the winner of the \$100,000 prize in the Cariboo, has been named as the winner of the \$100,000 prize in the Cariboo. The miner, who has been named as the winner of the \$100,000 prize in the Cariboo, has been named as the winner of the \$100,000 prize in the Cariboo.

We Laughed At These . . .

As he put his left foot in the departing car, turned and pulled to the left. "Quick! Run up to me!" he shouted. "I'll be right back!"

George: "You say you were brought up in a tough neighborhood?"

Joe: "It was in tough, a cat with a tail was a tourist."

A cowboy from the wide open rodeo entered a restaurant and ordered a steak. Some minutes later the waitress arrived with a large steak, that was very rare.

The cowboy cut into the steak and then complained to the waitress about it being too rare.

"That's what you ordered," she said. "It was a steak."

The elderly priest was smiling when he was asked to say a prayer for a young man who had just died.

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

"I'm sorry," he said. "I can't say a prayer for a young man who has just died."

What Goes On In A Poisoner's Mind?

The Edmon have given a dog the honor of being the first earth house creature to enter into limbo space. In Edmon, there is at least one citizen who has it in for all dogs in his neighborhood. He's done a pretty good job of making his immediate neighbors of their family pet.

Has this person any idea of the shock he causes young boys when they see their dog lying in the house and die in a moment's time? It is a sight they will never forget.

Then the charge becomes murder!

Brighter Town

The Edmon Board of Trade are to be congratulated in making the brightest up for Christmas contest that has a dental street.

The contest will be up for Christmas in a worthy way in that it will be a contest for the children of the town.

It is a contest for the children of the town. It is a contest for the children of the town. It is a contest for the children of the town.

It is a contest for the children of the town. It is a contest for the children of the town. It is a contest for the children of the town.

It is a contest for the children of the town. It is a contest for the children of the town. It is a contest for the children of the town.

It is a contest for the children of the town. It is a contest for the children of the town. It is a contest for the children of the town.

Green Acres

By DICK ROSS

NOW GOOD - YOUR BEST

level seed will be available this

year. Contact your dealer for an

information regarding recommended

varieties for your district.

Water Culture of House Plants

With a little care, healthy, at-

tractive house plants will be yours.

the water

Provide fertile soil for hungry

roots. An excellent mixture con-

sists of 50 per cent good garden

loam, 20 per cent leaf mold, good

manure or fine humus and 20 per

cent of sharp, clean sand. Avoid

overpacking - place in a small

plant as a large pot, and under

potting - separating a big plant

into a long container. Water

thoroughly once or twice a week

until the water drains from the

bottom.

As plants get their food from

the soil as well as from the soil,

put them where they can draw

enough sunlight for chlorophyll

manufacturing, during the short

winter days. A southern exposure

is best. Temperature and hu-

midity will have to be watched

too. Plants favor a temperature

of 60-65 degrees Fahrenheit. In

winter, that is for chills for

houseplants but a temperature can

be reached. Lower the temperature

at night. Filled radiator trays,

electricity can be used to take

care of the plants.

For additional food especially

needed during flowering, use a

special application of fertilizer

of other plant food in quantities

specified on the container. Be

careful not to burn seed pods and

wilted flowers to help keep attractive

and cheerful. Then on back

and watch your plants thrive

Here!

**Latest editions of the
"Big Wheel" in trucks with**

NEW HUSTLE!
NEW MUSCLE! NEW STYLE!

Here with new broad-shouldered styling, a revolutionary new V8 engine, great new models! Here to speed schedules, whittle down operating costs! Here to handle the toughest hauling jobs with new fast-working efficiency!

Chevrotet's Task Force '58 rolls in with new handle, new muscle, new style in all three weight-class series... with more sure ways to stay and save on any kind of schedule. You'll find new Step Van Forward Central delivery models complete with Step-Van bodies. A wiser choice of one-man-day haulers. New cab conveniences in all models. Higher efficiency horsepower right up the line, including a radical new V8 development for Task-Force heavyweights. It's the biggest, most latest Chevrolet fleet ever assembled — at your Chevrolet dealer's right now awaiting

New Light-Duty Anachors

Offering high-capacity pickups and panel vans, over-boosted 4-Wheel Drive models and, Chevrolet's latest... a "Shop-Van" Forward Control model with 8', 10' and 12' body mounting **Passenger** fuel savings 6's with increased

horsepower are standard in the Apache Series. A more powerful Trimaster V8, with 160-h.p., is optional at extra cost in conventional

New Mathem. Data. Wikingen²

Nine new models have been added, all featuring a new cab-over-engine style dimension for better load distribution in specialized uses. Short-stroke V8's are standard in all middle-weight Low Cab Forward models. Conventional models are powered by the latest versions of Chevrolet's most famous 6's. Heavy-duty engines (increased GVW ratings up to 72,000 lbs.)

New Heavy-Duty Boatlifts

The big news here is Chevrolet's rugged new 340 cu. in. Workmaster V6, standard in Series 90 and 150 models. Its radical new Wedge-Head design sources peak efficiency even with regular grade gasoline! The 283 cu. in. Super Taskmaster V8 is standard in Series 70 and 80 models. Cast-spoke wheels are now standard in all Spartan models and full air braking, now standard on other trucks.

See them at your dealer's now!

The Edson Leader

The Voice of Edson Community

Vol. 5 Edson, Alberta, Thursday, December 12, 1937 No. 10

JOE HADLEY hasn't been waiting any time the past week or two painting Christmas trees and decorations for Edson business firms.

and the one he hangs outside in dry it typical of the way he has helped to change the face of Main Street for the coming festive season.

Leahy Photo

Army-Edson Game Should Be Good

The Athletics are going to have a rough row to hoe in their first two League encounters.

The visiting Army team has been working out for quite some time now, and it is understood, have been taking a turn around the ice with a team made riding playground in strengthen their legs.

In spite of this, they are likely to look in form, and it will probably be a case of the locals building a lead in two periods, and trying to hang on in the last, since they have no chance to get in shape.

I won't try to call the outcome, but it should be interesting hockey to watch.

Stores Open For Christmas

Edson retail stores will remain open all day Wednesday, December 15, in addition to being open Friday, Saturday and Monday evening, December 16, 17 and 18, until 9:30 p.m.

Council have decided that stores shall close Tuesday evening, December 14, Christmas Eve, at 6:30 to allow store clerks to prepare for their own holiday celebration.

500 Parents Turn Out To See Children's Schoolwork

An estimated 500 enthusiastic parents and interested visitors gathered at the A. H. Edson school, Thursday, for the annual Parents' Night. Mothers and fathers, accompanied their children, listened to the work and had a chat with the teachers.

The evening was considered an outstanding success because of the recent attendance and interest shown by parents. The staff were pleased to have such excellent attendance from parents in rural areas as it is realized that these people must make a special effort to attend.

Teachers were also happy that many parents of students stayed to visit their children's school room and teacher.

After the visit to the rooms, lunch was served in the auditorium of the A. H. Edson school.

The principal and staff of A. H. Edson and Elementary school would like to thank the parents for their attendance and cooperation. A special thanks to all those ladies who assisted in the serving of the lunch, namely: Mrs. J. Peterson, Mrs. R. Howard, Mrs. B. Robinson, Mrs. C. Lindgren, Mrs. W. Griffiths and Mrs. D. Hill.

Ed Hunter Re-elected Local PC President Really Asking For It

There is one for the "why do they do it" department.

Driving along the highway one day last week we noticed a big truck pulled off to one side with the motor running inside the cab. Two men were sitting. We knew the boys and one raised his hand as we drove on.

Coming back two hours later we noticed the truck still in the same spot, the doors open and a couple of local men pulling one of the occupants out of the cab into the brush.

Falls seem to think these accidents only happen to the other fellow. Can't we learn that the carter man outside from one own motor vehicle in every 100 or so as the next one.

There have been lucky but it could have been a different story at least a very different ending.

RUD BRUNELLE (front center) was elected to head Edson's newest service club at the organizational meeting of the Lions International last Tuesday evening in the Commodore banquet room. Present (left to right, front row) were Don MacFarland, Lloyd Stewart, Yell Yehner, Joe Hadley, Treasurer John Mc-

Mattson, President Rud Brunelle, Len Young, Mess. Farn, Terry, Roy Jack Meade, Vice-President Joe Lohrlein, Pete Thompson, Social Representative Paula Mattson of Chicago, (far right) Director Grant Nelson, Ed Deaton, Director Harold Reid, Mess. Smith, Aljo Gofink and Al Dick.

MORE SHEEP
Recently there has been a considerable increase in sheep in this district as well as other parts of the west. Canada does not produce nearly enough wool or meat for her own use, and so much of it is imported. Yet, many folks are good for many years to come. I've often heard people say, "I don't know why I don't do this sheep." You've heard that too, and so fast you may have said it yourself. Yet, many folks are taking a second look at the sheep business these days.

Why? Well, as usual, the dollar

of sheep, sheep husbandry and equipment, sheep business, more of wool, and so many other to pick. Write or drop in to the office if you are interested in any of this material.

OF INTEREST TO DAIRYMEN
A newly revised edition of the publication "Dairy Facts for Alberta" has just been made available by the Department of Agriculture. This booklet is a "must" for any dairyman thinking of building a new herd, for it includes all the latest information on this type of enterprise. In the past few years, many changes and improvements have taken place in dairy husbandry. The Department has been busy all of completing this information, and it can save many dollars and headaches for the new building a herd. Other new publications about

Find 8 Mistakes And Win A Prize

OVER \$100 IN PRIZES

CONTEST RULES

Guess the right mistakes or errors which appear on the United States Station and decorations in the Old Mill Restaurant. The mistakes are only in the Old Mill, but there is a card in each of the right sponsoring advertisers' stores giving one of the mistakes. You may find the card with the answer anywhere in the store.

This is your invitation to visit the right business houses listed on this page and find the correct answers. You must copy down the exact wording as printed on the card and fill out the rest of the answers on the cards in the other seven businesses. Then drop your complete set of answers into any box in one of the stores.

Draw for prizes and vouchers will be made at the Old Mill Restaurant on December 21 at 5:00 p.m.

Families of the sponsoring businesses are not eligible.

WILSON'S FURNITURE

Corner 20 St. & 1st Ave.

Local Members Attend H & S Conference

Three members of the Edson Home & School Association spent an enjoyable and profitable day attending the Edmonton Home & School Conference last Saturday. The conference was held at the Sheraton Hotel and was attended by representatives from 20 Alberta cities. From Edson, Mrs. J. J. Taylor, Mrs. W. J. Taylor, and J. Taylor.

Mrs. W. J. Taylor of Edson was chairman of the meeting. Discussions followed the theme of the modern family life and the relationship of the H & S to the school.

Mrs. Taylor had been of the faculty of education at the University of Alberta and attended the H & S Association. She stressed the importance of the H & S in understanding the changes in the curriculum and the contact with schools is necessary. H & S Associations are necessary through which parents can be educated.

A panel composed of Mr. G. M. Taylor from Vancouver, Mrs. Taylor from Edmonton, and Mrs. Taylor from Calgary.

PRESIDENT CHRIS HUMPHREY of Edson Branch, Canadian Legion, takes the opportunity to congratulate **Barry Clark** (left) on winning the **Local Legion's Grey Cup** complete pool first prize of \$250.00 made out on Imperial Bank, of course, etc. Clark, holder of the winning ticket on the first horse quarter horse, which did not change, was **Leah Donald** of Edson, who was riding by **ELITE**.

Local Civil Servants Hold Social Evening

Members of Edson Branch No. 24 of the Civil Servants Association held a social evening at the Parish Hall on Friday evening, Nov. 26, at a short informal meeting, featuring visiting members of the provincial executive, was held prior to the dance, and also included the presentation of a small masonic clock to Fred Hilditch, longtime civil servant and honorary life member of the branch, who retired recently.

A predominantly Purvey crowd enjoyed a banquet at the Commodore Hotel prior to the meeting and the local branch did not miss a trick. The evening was held in the Commodore Hotel, and the local branch did not miss a trick. The evening was held in the Commodore Hotel, and the local branch did not miss a trick.

Edson Couple Wed in City

A quiet wedding of interest to Edson took place in Regina, Sask., last Saturday, when Margaret Jean Miller became the bride of Allen Grant MacMillan. The bride is the daughter of Mr. and Mrs. Lee A. Miller and the groom is the son of Mr. and Mrs. Harry MacMillan, all of Edson. Rev. W. B. Hare officiated.

For her wedding the bride wore a tan and brown tulle dress with turquoise accessories and corsage of yellow roses. Her attendant, Miss Jeanette Winkler, wore a brown suit with white accessories and corsage of pink carnations.

Before The Magistrate

Saturday, Dec. 7 — Charged on the Lower Court Act with unlawful possession of liquor, the first charge of the day was answered by a fine of \$20 and costs or 30 days in default of payment. He'd been in default of payment for a week of wine on which the seal had been broken. The jail of the week was confirmed.

The same man was also charged on a second charge, that of assault. He was charged with assault on a police officer and was held on a fine of \$20 and costs or 30 days in default of payment.

A suspended sentence of one year was given for a third offence of failing to take a car with a driver's license. The man was held on a fine of \$20 and costs or 30 days in default of payment.

Monday, Dec. 7 — Came before the magistrate charged with illegal possession of liquor. The man was held on a fine of \$20 and costs or 30 days in default of payment.

Three Police officers came on duty for the first time in the morning. The first of the day was charged with illegal possession of liquor. The man was held on a fine of \$20 and costs or 30 days in default of payment.

Edson Old Timer Thomas Preese Laid To Rest

A long time resident of Edson, Mr. Thomas Preese passed away on December 8, aged 82 years.

Edson Resident P. Konchordra Laid To Rest

Mr. Peter Konchordra of Edson passed away on December 8, aged 73 years.

RADIO RAFFLE RESULTS

The winning ticket on a part-time radio raffle by Branch 24 of the Civil Servants Association of Alberta for the branch officers fund was held by G. C. Peterson of Edson, and was sold by Joe Peterson.

Drama Devotees Looking Forward To New Classes

The group of people who at the end of the drama workshop, a five week course which ended a looking for people who would be interested in taking a second course of Workshop classes started at the first of the year.

The three are under the direction of Miss Esther Nelson, Drama Director, Edmonton. Participants of the Workshop classes are high in their praise of Miss Nelson's method of instruction and are very enthusiastic about the work done. One member of the class said she had never spent more enjoyable evenings in a long time.

The new thing will start on January 12 and will continue for the next five Wednesdays. They will be held in the high school and a minimum of 12 persons are required before Miss Nelson can hold classes. It is hoped to have many more than the minimum number required in the classes are really worthwhile.

Those who are interested in any phase of drama, acting, and stagecraft are invited to attend. Any information may phone Mrs. Nelson at 423.

Athletics First Practice Held Sunday

By KEN MCKEE

Although the snow was far from ideal for the clubbing year on the part of the Athletics first practice, Coach Hamilton put more than 20 players through their paces, but due to the poor law, it was difficult to judge the potential of these young men.

In hopes weather permitting, that a good practice will be held Friday evening, after which a team will be picked to represent the P.C.C. in a game on Saturday night. A few out of some players were on hand and in addition there were several local boys who could make practice, but will be trying out later. A brief rundown on the boys who may make the team would not be out of the question, comments are usually all of the kind and nature from the crowd and some from the press.

Some veteran players from the club should have little trouble making the team but with the number of veterans now, great side may be seen on the field.

Frank Lawson, a local product, working in Hamilton, has the speed and ability if he has been on the field, then last summer will take a chance.

Some there is a chance that will perform better of a young player where his every action will be in the defense could be best advised.

When Jay Noyes will be more effective, that is saying something. What could be more effective than 20 men?

A number who improved great in last year's play, Noyes, will have to make the squad this year, no reflection on him. The fact that at 180 pounds he weighs against him. I hope he makes it.

It is back to his experience and ability. He needs lots of work to be in shape. While he is a definite asset to the team if he played in the field and got there on time.

Paul Shaw, the much heralded newcomer, although young, has been playing well in the last few games. He is a sure thing to be in the team.

It is a mistake to think that the new players will be a threat of the old players, some day they will be. It is a mistake to think that the new players will be a threat of the old players, some day they will be.

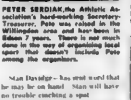

It is a mistake to think that the new players will be a threat of the old players, some day they will be. It is a mistake to think that the new players will be a threat of the old players, some day they will be.

It is a mistake to think that the new players will be a threat of the old players, some day they will be.

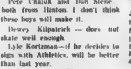

It is a mistake to think that the new players will be a threat of the old players, some day they will be.

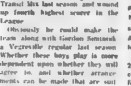

JOE PENHOCK, Athletics Manager and President of the Edmonton Amateur Athletic Association. Joe was born in Maine and was transferred here by the C.R. in 1924. Always interested in sports, he has been here for over 10 years and has been active in local sports. This term is his third as manager of Athletics, and he has also coached the Blades for 10 years back.

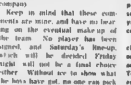

PETER BROWN, an Athletics Association's hardworking Secretary-Treasurer. Peter was born in Winnipeg, and has been in Edmonton for over 10 years. He is now doing the work of organizing local sports that doesn't include him among the organizers.

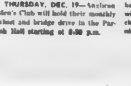

VAN DAYBRIDGE, a local product who has been on the team for several years. He is now doing the work of organizing local sports that doesn't include him among the organizers.

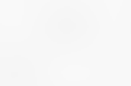

FRANK LAWSON, a local product who has been on the team for several years. He is now doing the work of organizing local sports that doesn't include him among the organizers.

PAUL SHAW, a newcomer who has been playing well in the last few games. He is now doing the work of organizing local sports that doesn't include him among the organizers.

JAY NOYES, a player who will have to make the squad this year. He is now doing the work of organizing local sports that doesn't include him among the organizers.

Hoopster Lineup May Be Shaken

Two games remain before a final choice for Christmas, for the Hoopster Lineup. The first of these will be played at Maple Grove Friday, December 12. This will be the first time that these four, who have played in it, will be a final choice.

The game will of course be a tough one, but will be the first of the season. It will be played at Maple Grove Friday, December 12. This will be the first time that these four, who have played in it, will be a final choice.

Blind Canvases

Raises \$901.70

The annual campaign for funds for the Canadian National Institute for the Blind has come to a successful close for 1937. A total of \$901.70 was sent in to the Edmonton office to carry on its activities in the blind and prevention of blindness program.

Local chairman Mr. Percy Wells wishes to extend his sincere "thank you" to all the canvassers who gave their time and efforts to the management of the "Nova Theatre, Nov. 11." Attesting gifts of the "CITY," the two local newspapers, and most of all to the great public who opened their hearts so freely and gave generously.

The local canvassers were: Mrs. K. Whitten, Mrs. L. Gault, Mrs. A. Dargland, Mrs. T. McManis, Mrs. Lyons, Mrs. M. L. Evans, Mrs. H. Pollock, Mrs. H. MacNeil, Mrs. Mrs. Ruth Johnson, Mrs. F. French, Mrs. Bill Ruck, Mrs. J. K. Wilson, Mrs. J. Ward, Mrs. Anna Head, Mrs. H. Lundgren, Mrs. Carver, Mrs. G. Bergman, Mrs. Lally, Mrs. J. Nadeau, Mrs. J. Mack, and Mrs. F. Wells.

Royal Purple

Ladies Enjoy

Xmas Party

The Edson House, Edson, was the scene of the Annual Christmas party of the Ladies of the Royal Purple Lodge, Monday evening, December 8.

The evening started with a regatta meeting in short form and was followed by entertainment and lunch around a table covered with a large hot of poly wrapped gifts. True stories were narrated by the members of the most exciting experience in their life, the prize was won by Lady Rose Nadeau.

After lunch each Lady pulled a card which was attached to a gift in the box and pleasure was expressed by all as they uncovered their Christmas present from another member and brought the evening to a close.

The Ladies wish to thank the people of Edson and district for the gratifying way in which they responded to their present drive of December 8, conducted by the Ladies of the Royal Purple and Brother Edson.

The proceeds were half to the Edson annual Christmas Tree for the children of Edson and district and half to the Canadian Purple Cross Fund.

Green Acres . . .

SHOULD I JOIN?
At the present time the news I'm on is conducting a membership drive. When it is reported the FUA hopes to be to say that it does in fact for the majority of Albertans.

No one knows better than we ourselves the difficulties of writing up and maintaining a long-term organization. The story of Canadian farm organizations through the years has one of failures due to lack of support, even though many of these non-defunct groups made considerable contributions in time

The reasons for so many
ureas are not hard to find
who are farmers or who are
connected with farming in one
or another way, by and large
independent lot. This is an
invaluable trait, a trait which
is possible the economy and de-

ship and isolation. But it is stumbling back over which many groups have tripped and fallen.

It is also evident that by the very nature of farming, organization such as is found in, say, labour unions is impossible. The farmer not only provides his own labour, but he is a manager who must every day be making important decisions, decisions which will have great effect on his income and the welfare of his family. He is a businessman and his business requires the investment of much money. Still further he is farming because it is a way of life that he prefers to all others.

And so, with his independence of spirit and his recognition of the fact that upon his own ability and effort depends to a large extent his success, the farmer does not easily become part of a farm organization.

Protests Raised Over Poultry Plebiscite

By KEN MASON

Edmonton. — Don't be surprised if Alberta farmers get another chance to vote on an egg marketing board in the near future. Delegates to the convention of the Farmers' Union of Alberta here last week made it clear they're unhappy with the way the government conducted the poultry plebiscite which last ended in defeat for the pro-egg-marketing plan.

They gave Agriculture Minister H. H. Hildbrand a thorough talking over the egg, about it, and then expressed their belief in a marketing board. The government had held a second plebiscite on the egg issue February 1. Whether they will get it or not is a matter for the government to decide, but it is a fact that the government will not stand for a plebiscite on the egg issue until it is satisfied with the results of the first one.

The results of last week's vote were really quite close. Another 725 "yes" ballots would have carried it. There were 12,729 farmers in favor of the plan and 3,845 opposed. This would have been more than enough if the plebiscite had received only a two-thirds majority of those who actually voted, as the PUA and Federation of Agricultural Societies had requested of the government. But under the terms of the act, there must be an affirmative vote of 51 per cent of those eligible to vote.

In the plan as it was drafted by some 100 farmers who were on the list and received 14,574 ballots but didn't bother to vote. Most of the delegates appeared to wonder this, but when they received the government for fairly even results, they felt that many farmers, with the exception of some who were not on the voters list, had indicated approval of the plan. The delegates expressed their belief in a marketing board, and some delegates failed to make personal calls on all farmers in their areas, but pointed out that there are complaints about overproduction in every plebiscite on egg marketing. The delegates were given reasons, and the plan was to place their own names on the list.

The minister was unable to answer many of the questions.

"What a strange leading one," said the first young city thing to the farmer, "why have you not any more?"

"Well, you see," said the farmer, "patience, some cows are down, some cows are down without horns, and some cows don't lay."

"There's a strange leading one," said the first young city thing to the farmer, "why have you not any more?"

"Well, you see," said the farmer, "patience, some cows are down, some cows are down without horns, and some cows don't lay."

All The Best

This week your leader is better than most anybody else. There are more and more business firms in the Edmonton area who want to take this opportunity to say thank you for the pleasure of being able to do business in this community.

We need with internal conditions, reduced by the Provincial Government that the population of Alberta has been reduced in this area where the population of Edmonton and environs has doubled in the past few years.

When there are more people in a given area, more business means more people employed and then more people need to be taken care of.

It is a new river and it looks as if it is going to be an expanding one for our work of the future. The freighted history belongs to Canada (not counting Russia's spurs), but we feel somewhat that the late 1920's and early 1930's are really going to belong to Edmonton and Alberta.

They are taking this opportunity of thinking all the people who make the production of a community a more pleasant one, giving all of readers, our correspondents and friends, writers, our advertisers (find them "yes"), and a loyal, constructive staff who make coming to work every morning a thing to look forward to.

Happiness and a reasonable amount of prosperity to all in the coming year!

LETTER TO THE EDITOR

"Little Guy" Protected

Dear Mr. Editor:

I would like to make a few comments on your very interesting editorial "What about the little guy?"

There have been a number of cases where the government has been accused of not doing enough to protect the "little guy" from the "big guy."

One of the most recent cases is that of the "little guy" who was accused of not doing enough to protect the "big guy" from the "big guy."

Another case is that of the "little guy" who was accused of not doing enough to protect the "big guy" from the "big guy."

There is still another and important consideration with regard to the present economic policy and that is to be remembered to avoid the mistakes made in many places on this continent where all kinds of things, such as silver, copper, and other minerals, have been almost completely commercialized and the public has been almost completely excluded from the benefits of these resources.

Let us not forget that the "little guy" is a very difficult one to deal with. He is not only a "little guy" but he is also a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

He is a "big guy" in many respects. He is a "big guy" in many respects. He is a "big guy" in many respects.

Holiday Hostesses Urged To Care For Safety Of Guests

Stop and think before making those elaborate preparations for Christmas and New Year's celebration. Remember that the most of the guests who will be invited to your home are not only your friends and relatives but also the guests of the guests. It is the duty of the hostess to see that the guests are safe and comfortable.

It is a new river and it looks as if it is going to be an expanding one for our work of the future. The freighted history belongs to Canada (not counting Russia's spurs), but we feel somewhat that the late 1920's and early 1930's are really going to belong to Edmonton and Alberta.

ATHLETICS OFF TO A WINNING SEASON

MAJOR W. H. MARSHALL, left, and the Edson basketball team. From left to right: Edson, Marshall, and the team.

HOCKEY High-Notes

By KEN MACE

Both the Edson and the PPCLI hockey teams are off to a winning start. The Edson team, coached by Major W. H. Marshall, won their first game 10-0 against the North. The PPCLI team, coached by Major W. H. Marshall, won their first game 10-0 against the North.

The Edson team, coached by Major W. H. Marshall, won their first game 10-0 against the North. The PPCLI team, coached by Major W. H. Marshall, won their first game 10-0 against the North.

Edson Basketball Squad Dump Mayerthorpe

The Edson basketball team, coached by Major W. H. Marshall, won their first game 10-0 against the North. The PPCLI team, coached by Major W. H. Marshall, won their first game 10-0 against the North.

The Edson basketball team, coached by Major W. H. Marshall, won their first game 10-0 against the North. The PPCLI team, coached by Major W. H. Marshall, won their first game 10-0 against the North.

Edson Athletics gathered 3 of a possible 4 points in week end action against PPCLI Army in Edmonton and District Hockey League play here. The two teams fought in a 3 all draw, Saturday night, but the local boys were able to squeak a 3 to 1 victory before a good crowd Monday.

Both teams were crowd pleasers, and few fans had any complaints. Both teams showed lots of spirit and drive, although the Athletics were able to lead their own against a much better conditioned team in difficult to say. The Army squad has had 30 hours practice on Gardens ice, according to their manager, as well as having one game under their belt. Athletics, in contrast, have had one hour practice, and their first game the could really have been a win since they were pressing straight through the last few minutes of play.

Although the first impression was that the Athletics had a slight edge in territorial play, lack of opportunity to play together showed on early ends. Army, however, for 3 quick goals. Points were credited to 100 and 100, and the Athletics were down 3-0. The Army boys were quick to take advantage of early mistakes.

The 3 minute mark saw Major Marshall and the Athletics in all together for the first time. The team's a side writer was able to block the light but the Athletics territorial advantage. Then at 12:15 Gordon Fennell of the Athletics on a side play, and the Athletics made no mistake.

Don Parris and Lawrence Hild were given the game with only 15 seconds of the period remaining. Parris 1 minute for fighting and Hild 2 minutes for fighting and an additional 10 minute suspension for fighting with a fan.

The second period saw only 1 goal by Army, from a scramble. Parris getting credit for his second marker and Lawrence Hild getting credit for his first. The game was tied 1-1 at the end of the second period.

The third period saw only 1 goal by Army, from a scramble. Parris getting credit for his second marker and Lawrence Hild getting credit for his first. The game was tied 1-1 at the end of the third period.

Curriers Underway At Risk Soon

Edson curriers will be getting down in the series between of meeting the week round, just as soon as they can get their risks out of a draw made.

With under weather that we have been having the past few days, the fellows have got the home and out and in and out, trying to organize a few pick-up games for the Sunday afternoon. The club are asked to get their risks organized and to notify either Mr. Ann Cook or Frank Brown of the meeting possible time as the club executive hope to get things underway if possible by next Sunday.

The ladies were't having any given game under their feet this year and of a meeting held a couple of weeks ago organized 14 clubs for this season. They are all set to go on soon as a draw is made.

Guthrie Family Leaving Edson

Twenty neighborhood ladies, friends of Mrs. Doug Guthrie, met at the home of Mrs. Red Irving on Tuesday evening at this work in honor Mrs. Guthrie prior to her leaving from Edson.

With Mrs. Mary Wilson to go home the ladies enjoyed a play and social evening. The presentation of a lamp and a set of breakfast dishes to the Guthrie by the friends who had gathered for the occasion.

Mrs. Guthrie has been a good neighbor and will be missed by her friends in her new immediate district and by her fellow church members, and the lines and school authorities, who have always found her very helpful in doing whatever there was to do at all times.

The Guthrie family will leave on Saturday for St. Paul where they will be making their home.

Pears Crafters Elect Executive

At the last meeting of the Pears Handcraft club, held December 12 at the home of Mrs. L. M. M. as election of officers took place with a new executive elected as follows: President, Mr. R. R. M.; secretary, Mrs. L. M. M.; treasurer, Mrs. L. M. M.; and Mrs. L. M. M. as members present.

After the business meeting was over the members worked on the handicrafts they are doing at present. There were many who were not present for the meeting.

Next meeting will be held at the home of Mrs. P. H. H. on Wednesday, Jan. 13 at 8 p.m. Every body is welcome.

Prizes At Sunday Game

Carrying on with their series for the season, the Athletics on Saturday night and Sunday are their drawing their prizes by the following Edson items:

Edson Republic Service a clock; Red & Jasper Martin, a 1000; Walter Martin, a glass; and Mrs. L. M. M. a jersey.

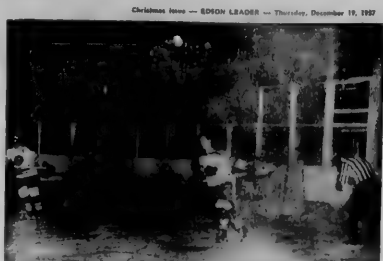

PPCLI Protest Number Of Men

We announced that Army is protesting the Sunday game on the grounds that Athletics drew too many men. 10 more the only reason Army didn't draw more was that the protest will be held, state no player limit has been announced by the League to date.

Prizes Announced 8 Of 11 Lighting

Prizes for the best lighting and decorating entry in the Edson Board of Trade sponsored Christmas contest have been announced by the committee.

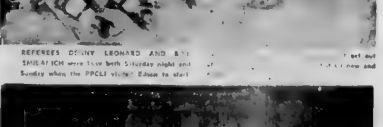

A first prize of \$15 and second prize of \$10 is to be awarded to the best decorated display. \$10 is to be awarded to the best decorated entry and \$10 has been allocated for the best decorated entry.

MRS. CHAS. L. M. M. (left) comes away Sunday 12 from the Pears Handcraft club. She is the first to win the Edson team.

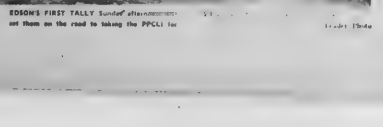

RECEIVED: DOWNS LIGHTING AND 8 OF 11 LIGHTING. The Pears Handcraft club is the first to win the Edson team.

EDSON'S FIRST TALLY Sunday afternoon. The Pears Handcraft club is the first to win the Edson team.

CHRISTMAS

TIDINGS

While shepherds watched by night, the wondrous tidings of the Christ Child's birth first rang forth, and with awe and rejoicing, they sought the place where He lay. And at every Christmastide, the sacred story lives anew... gloriously, radiantly lighting the world with hope and faith, peace and good will.

We wish for you and yours at Christmas a season abundantly filled with the shining joy and spiritual inspiration that He brought to earth.

Christmas In New Zealand

By W. S. BRADLEY
"The Dreaming of a White Christmas" is a song that is meaningful to a surprising few people in New Zealand. Only those with memories of far-away homelands remember Christmas snow. For in this island country, Santa has his annual visit in mid-summer. And, the beautiful native name, "Land of the Long White Cloud," has no reference to snowfalls. To Canadians New Zealand is a

land of contrasts, and Christmas provides the greatest contrast of all. Dreaming for a moment of the familiar effect of Santa Claus, visiting Canada, suddenly found that instead of snow, sleigh bells and freezing temperatures, he had arrived in the middle of the picnic season.

Yet, this is the natural condition in a country where Christmas finds the people in the middle of their summer holidays. Some are at the beaches, others staying at lake-side cottages, many are leaving the country, school children are enjoying a two-week vacation. Temperatures range from 70 deg. up—much like our final July and August weather. Pure St. Nick has little use for his sleigh and frozen-drumsticks in their surroundings, although the children will tell you he needed them in the countries beyond the surrounding hills.

Climate, of course, creates this contrast. But, despite the climatic conditions, the actual observance of Christmas in New Zealand is much the same as it is here. Christmas cards are exchanged. To a marked degree they are much the same as ours, depicting Santa Claus even as we see him. Fully decorated the houses for the festive season. The fire tree takes its place as the center of attraction, with parents and gifts tucked carefully around its base. Decorations for the tree follow the same pattern as ours, although live lights are comparatively new to New Zealanders. Church services are the same. The usual family visits are made, presents exchanged, and the amateur regimens observed as in Canada.

There the similarity ends. Even the mistletoe is different. Our white-barked mistletoe is missing. What they call mistletoe is a flower barely conceivable in diameter, but two inches in length which grows in extraordinary bright clusters like our own Christmas plant in a pinecone.

The festive table is different, too. Instead of roast turkey and its trimmings, they have lamb with mint sauce and green peas, and potatoes, of course. The Christmas pudding is often missing. In its place is the highly popular black current tart.

Hollyhocks, instead of a shawl of snow, the reality is a shawl of color. A formal dinner of Christmas plants, many of which are native to the island, with the variegated greens of the native shrubs. They have the hill-side in natural profusion. The bright red of the mistletoe and hollyhocks plants form a beautiful contrast to the brilliant red of the hollyhocks. Beyond the garden hills and starting in their contrast, are tremendous fountains and sparkling fountains.

But, this is New Zealand, a land of opposites. Certainly this is true to us for when we play hockey, they play football and rugby. When we snowboard, they go boating while we are skiing. They are surprising and amazing.

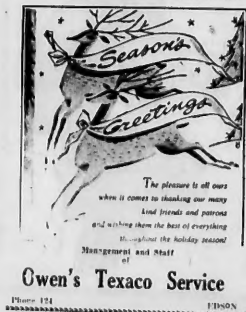

Through the Yuletide the holiday events have their peculiar touch. Parties and boating on the lake and rivers. The events of evening parties reveal our July 4 gatherings. Boxing Day is a day of special events. There are many and many parties for the football in the popular fancy. Nevertheless, we in Canada with our cold weather and "White Christmas" do not see the joy of the holidays of these people. More than that, the people of New Zealand do not have a "White Christmas" in a sense of coldness. Contrasting climate only adds the details of its observance.

SEEN ON THE

Main Drag

Two little kids waiting for the center of the drag line for a ride home from school, looking scared and ready to cry.

Mrs. Harold Seddon saying that daughter Pat (Mrs. Jack Shoups) of Great Prairie had been home and would be back from a visit to Edson to spend Christmas with them and Dad. The Seddons are also expecting daughter Sheila and her husband home for the holiday as well as son David in the Air Force.

Chris Spreen driving an elegant looking 1958 and chassis colored sedan down the Main Street.

In a beauty show just the girls to show would suit your ears.

Edson Locals

The kindergarten class of Mrs. George Winkler had a big afternoon. Throughout the week when they and their mothers at school a Christmas party in Mrs. Winkler's home. A pleasant time was had by the 18 mothers and 19 pupils. A number of little letters and songs.

High water at the third week of July at the LaSalle River crossing just below Troutman was 30' and Mrs. Stanley Hylbich with a more of 3200.

To add to the excitement of the Christmas, the 22nd of December will be the announcement to four members of the Edson Town Band. Mr. Fred Adams, well known Edson railwayman, leaves this week end for a visit with his family in England. Mr. Adams expects to return and undoubtedly permitted to take a part of what he has seen for the night. All the new friends.

Season's Greetings

Our thanks and best wishes for a Happy Holiday to all of you whom it has been our great privilege and pleasure to know and to serve.

IT'S TRUE WHAT THEY SAY ABOUT THE '58 CHEVROLET!

Canada's really going overboard for this '58 Chevy! In a little over a month, millions have acclaimed it from coast to coast. Crowds are coming in to see and drive the new Chevrolet—and they're buying in record-breaking numbers! Here—from actual on-the-spot comments in the showroom—is a sample of what they're saying.

- "It sure is a smart-looking car."
- "Those beautiful fenders. They look and feel so rich."
- "Body by Fisher coachwork certainly makes a big difference in quality."
- "Air Ride's really got it!"
- "Nine inches longer. That's more for my money."
- "And look at that trunk space!"
- "Only Chevy lets me choose any power train in every model."
- "Chevy's the only low priced car with everything I'm looking for."
- "Chevy has so much more pep than the others."
- "Rides just like a high priced car."
- "Chevy's Air Ride really is out of this world."
- "I never thought you could find such luxury at Chevy's price."
- "Chevy's way bigger and lots better this year."
- "How do they do it—looks and is better."
- "but there's an inch of extra road clearance."
- "I've seen them all, and now I'm buying Chevrolet."
- "It was ordered at the low price."

HAVE YOU SEEN AND DRIVEN THE NEW CHEVROLET? WHEN YOU DO, YOU'LL AGREE... IT'S THE MOST AUTOMOBILE FOR THE MONEY YOU'VE EVER SEEN!

EDSON MOTOR CO. LTD.
EDSON ALBERTA

WHO'S GOING TO TAKE THE WHEEL? YOU'RE THE BOSS!

The Ten Commandments and Dr. Chisolm

Parents — The Ten Commandments have utilized their useful ones. The following and un-rehearsed position is taken by Dr. Frank Chisolm, a leading Canadian psychiatrist and past president of the World Health Organization, writing in the current issue of "Mankind Magazine."

Some of the Commandments are not so obvious here as effect or value Dr. Chisolm maintains. As an example he singles out the injunction to honor thy father and mother.

"This was perfectly satisfactory in the kind of system in which it was made," the physician's article says. "That is, if you didn't honor your father and mother, they were entitled to do you in, because it was that kind of society."

He goes on: "But humane fatherly and motherly now does not necessarily lengthen one's days at all. I think it is much more wise to honor one's father and mother, and they will be honored if they are honorable. They will be respected if they merit respect, they will be loved if they are lovable."

But commanding children to do that sort of thing is futile. It doesn't have any useful effect or value.

Rather than impose commandments of any kind on children, the psychiatrist believes parents should give them a living example. Most parents, he claims, have the separate standards of truth one for children, one for themselves. Their children are trained to live regularly.

The Montreal article warns that the best of grave mental harm to children. They should always be told the literal truth, when they hear father and lady tales, it should be suppressed on them that they are imaginary.

Telling children weird things, Dr. Chisolm insists, is unfair not to watch the spreading chestnut tree.

The smith works like the dove, For now he's talking peace, His dogs and orange juice.
